Sally Thompson Signing books at The Bookstore

Montana author, Sally Thompson will be signing books at The Bookstore on Saturday, April 5th, from 1:00-3:00 with a reading at 1:30. Sally is a gifted storyteller who uncovers the revelatory power of the past and weaves it together to reveal the rich fabric of the cultures and histories of the Rocky Mountain West. She grew up in Denver where the Front Range of the Rockies oriented her to the world. She spent some time in Aspen, completed graduate school in Boulder and she worked as an archaeologist in the Four Corners region. She eventually found her way to Montana. Through the years she has worked as an archaeologist, anthropologist, ethnohistorian, filmmaker, educator and as a tribal consultant and collaborator.

She will be reading from her newest book "Black Robes Enter Coyote's World: Chief Charlo & Father Der Smet in the Rocky Mountains. This book brings to life the complicated history of the Jesuit missionaries among Montana's Native peoples—a saga of encounter, accommodation and resistance during the transformative decades of the mid-to-late nineteenth century. This book brings to life the complicated history of Jesuit missionaries among Montana's Native peoples—a saga of encounter, accommodation, and resistance during the transformative decades of the mid-to-late nineteenth century. Thompson tells the story of how Jesuit values played out in the lives of the Bitterroot Salish people. The famous Black Robe Father Pierre-Jean De Smet actually spent little time among his "beloved Flatheads." Instead, he traveled extensively between the Pacific and the Rockies, mapping the pathways and noting the valuable resources. His popular writings helped spark the westward movement of white settlers.

Thompson picks up the story of the Salish peoples and black-robed missionaries at a Potawatomi mission on the Missouri in 1839 and follows their intertwined experiences throughout the lifetime of Salish chief Charlo, who eventually cursed the day white immigrants came into his country. Chief Charlo attributed the missionaries' disconnected beliefs and exploitative actions to their status as orphans rejected from their place of creation, as he had learned from the story of Eden. Despite Charlo's valiant efforts to protect his homeland, the Salish endured a forced removal from their beloved Bitterroot Valley to the Flathead Reservation in 1891. Charlo died in 1910, just before the massive giveaway of more than half of

\$517,857.06 invoice presented to City by Mr. Wendland

By: MJ

Note: Several council members brought up the subject "transparency." It appears that the council is not being told about issues that the council should be discussing and making decisions on. A council member spoke up and stated transparency was non-existent between council and mayor. Open and accessible information about topics needs to be transferred to council from Mayor McGinley thus aiming to foster trust and accountability. Example of no transparency. The minutes of the March 5, 2025 council meeting Mayor McGinley notified the council that there will be a closed council meeting on March 14, 2025 at 12:00 noon.

Question: Mr. Wendland's presented a statement to be paid, (public information) that was discussed. Why the last minute presentation to the council. Where are the decisions being made that decide what information will or will not be given to the council and committee? It appears Mayor McGinley has not disclosed information to the council on Wendland's expenses via invoices. Does the mayor have this information? **Question:** Why was the council not informed of expenses each month since the road project began 4± years ago?

The statement Mr. Wendland presented was for the total amount of \$517,857.06±. The council represents taxpayers and is responsible to the taxpayers for expenses.

Appears there was no transparency. Mayor McGinley presented Wendland's invoice to the city at the May 14, 2025 advertised closed council meeting. This meeting was opened up to the public however, never was advertised as an open meeting. Laws broken.

Note: It appears there was a signed contract prior to the work being done between city and Mr. Wendland? **Question:** Why was that contract between city and Mr. Wendland not presented in the council meeting packets at the May 14th meeting? Did that contract agree to pay Mr. Wendland half million (1/2±) dollars? In 2020± the council approved \$30,000 dollars to begin the road building process. What happened to the \$30,000?

March 14, 2025 meeting: Mr. Wendland presented a statement to City council. Mr. Wendland did not present any supporting invoices verifying work done. The members of council that were present voted to pay the invoice. It appeared the city was breaking several

laws, rules and regulations by voting to pay the invoice. Wendland presented invoice two (2±) years after project was completed. Council members present: Ms. Anneliese Ripley, Mr. Don Deem, Mr. Russell Schwandt, Mr. Bill Shafer, Ms. Mary Jo O'Rourke. Mr. Deem voted against paying invoice.

Note: March 24, 2025 there was a Special Council Meeting held cancelling the March 14, 2025 meeting. Motion made to void the vote to accept Mr. Wendland's invoice of \$517,857.06+/-. Motion passed and now the Council will proceed following the laws.

Note: When the city closed the March 14th meeting, then voted to pay the invoice, they took away people's constitution right to observe and the right to comment.

Note: The City Charter states the council is the governing body. The local government is classified as a "Strong Council, Weak Mayor" governing body that means, the executive authority of the mayor is less expansive and more power is shared with the council.

Montana Highway Patrol Releases Details on Fatal Highway 191 Crash

The Montana Highway Patrol has released further details on the fatal collision that occurred on April 1st on US Highway 191. A GMC Sierra, traveling southbound, lost control on the icy roadway. As the vehicle spun counter-clockwise, it crossed into the northbound lane. A Dodge Ram 3500 pickup, hauling a cement mixer, struck the passenger side of the GMC.

The impact sent the GMC off the highway, where it came to rest in a field and caught fire. The Dodge Ram stopped on the right shoulder.

Tragically, the driver and a passenger of the GMC were pronounced dead at the scene. The driver, a 49-year-old male from Las Vegas, NV, and the passenger, a 22-year-old male from Belgrade, MT, both succumbed to their injuries. Speed is suspected to have played a role in the accident.

Authorities continue to investigate, emphasizing the importance of cautious driving in hazardous conditions.
