### Carol Lee Thoma Gregory Kluesner

February 20, 2026

Carol Lee Gregory Kluesner, a resident of Lima, MT, passed away February 20, 2026 at the Tobacco Root Mountain Care Center in Sheridan, MT following a brave battle with cancer. She was 87 years old.

Born on October 9, 1938 in Yuba City, CA, Carol was the daughter of James and Anita Thoma. She grew up in the Yuba City and Marysville areas with her sisters Marilyn and Shirley. Carol spent her early years in the almond orchards in northern California and loved spending time at Fort Bragg, CA. She graduated from Yuba High School and married Jerry Gregory in 1961. They were blessed with three children, Jim, Steven and Dianna. Jerry was killed in a tragic automobile accident, and Carol moved to Montana for a fresh start. She married Carl Kluesner on November 26, 1982.

Carol loved gardening and had a magical green thumb. She also loved the outdoors and spent many hours lakeside in Montana and exploring any back country she could get to. She loved her multi-year stint as campground host with Carl at Reservoir Lake and Clark Canyon Dam. They also took care of maintenance at the Lima Reservoir and loved Elk Lake. She was known for "taking a drive" and ending up 300-400 miles away on an adventure. Carol also loved crime dramas and westerns. If she was not outdoors, she could be found in her chair watching her shows. Carol had a great

sense of humor and a laugh that filled up the room. She could also tease with the best of them. Her yard was her sanctuary. Many friends and family were entertained on the back patio watching the fountain and sharing stories.

Carol was preceded in death by her parents, her spouses, her sisters, and step-son Robert Kluesner. She is survived by her children, Jim Gregory, Steven Gregory, Dianna (Gregory) & Tim Slater; step-children Mary Jane (Kluesner) & Robert Lee, Linda (Kluesner) & Jerald King, and Russell Kluesner. She also leaves behind 19 grandchildren, and 42 great-grandchildren.

She will be deeply missed by her family, friends, and all who had the privilege of knowing her. Though she is no longer with us in body, her love and lessons remain in the hearts of those she leaves behind.

No services are planned at this time. Memorials may be sent to the Lima Rural Fire Department in her name. The family wishes to thank Deb Harrison, Jamie Harrison with Honeybee Hospice, and the Tobacco Root Mountain Care Center for their kindness and support the past few weeks.

Weekly Good Food Network Garden Notes

Late Winter Cool-Season Planting Tips for Area Gardeners

Even though February still feels like the heart of winter this is when the gardening season truly begins—just not outside yet. For those eager to get growing, now is the time to focus on cool-season crops that thrive in lower temperatures and can handle a touch of frost.

The key to gardening success in Southwest Montana is getting a head start indoors, especially for crops that take longer to mature.

**FEBRUARY – Plan & Start Indoors**

Focus: Preparation + slow-growing seedlings

Start Indoors: • Onions (from seed) • Leeks • Celery • Broccoli • Cabbage • Cauliflower • Kale • Lettuce • Spinach (optional indoors, or direct sow later) • Parsley • Chives

~ These crops can be transplanted outside weeks before your last frost, especially with row cover.

Garden Tasks: • Order seeds early • Clean and sanitize seed trays • Test grow lights

Tip: Do you have limited space? Look up the Seed Snail method for starting your seeds

## Attorney General Knudsen asks (USDOJ) to review proposed Netflix & Warner Brothers Merger

Montana Attorney General Austin Knudsen led a coalition of 11 state attorneys general in asking the United States Department of Justice (USDOJ) to review the proposed merger between Netflix and Warner Brothers, which will stifle competition and increase prices for Americans.

The letter asks USDOJ Acting Assistant Attorney General Omeed Assefi to review the proposed merger under the Clayton Antitrust Act, which seeks to prevent anticompetitive practices including mergers and acquisitions when they substantially reduce competition. If the merger is successful, it would lead to a bevy of anticompetitive effects, including higher subscription prices, lower quality content, and reduced competition stemming from Netflix's elimination of its current Warner Brothers-owned rival, HBO Max.

"This massive consolidation would place an unprecedented amount of content, distribution power, and market influence into the hands of a single corporation," Attorney General Knudsen said. "History shows us what happens when industries become dominated by a few giants: prices rise, choices shrink, and innovation suffers."

Additionally, the merger threatens to put movie theater owners out of business and their tens of thousands of employees out of their jobs. Cinema United, a trade group that includes America's largest movie theater chains like AMC and Regal, have called the proposed Netflix merger "culturally catastrophic." And Netflix's CEO has called movie theaters an "outdated concept" and an "outmoded idea."

## Veteran's Corner Update #349

By Mike Lawson

Greetings to all of you who read my SW MT Veteran update articles. Our weather has been cooler and we had 2 inches of snow in Butte, although it is getting warmer again. Beautiful blue skies are more the norm, these days. Looking through my kitchen window, as I'm eating breakfast, the majestic snow covered Pintler Peaks are always a spirit lifting sight to see. Hopefully more snow will come and stay in the high country. In the East, storm after storm is playing havoc with states like New York.

It's good to see the different construction projects going on in our local part of the world. Reclamation continues to go on in this biggest reclamation area in the country. It's amazing to see Silver Bow Creek, which is one of the tributaries of the Clark's Fork of the Columbia River, running clean and clear.

### Veteran News Updates:

- We as Veterans recently had a big scare in that the powers to be were going to make changes to how disability ratings are evaluated. It was called the "VA Interim Final Rule concerning Disability Ratings and Medication." This was viewed by all the Veteran's organizations as a way of reducing benefits for Disabled Veterans. The VFW, DAV, American Legion, the Marine Corps League, VVA and other Vet groups let their voice be heard, and they were listened to. This action was stopped and put on hold. Our disabled Veterans have gone through many challenges, from wartime disabling wounds/injuries, agent orange, burn-pit poison gases, contaminated water, etc.,etc.. Many of these Veterans have died from cancer and other medical conditions caused by these exposures. The compensation they receive from however their disability is rated, is a lifeline for them and their families to be able to survive in a healthy way. Hopefully saving money doesn't fall on the backs of our Veterans who are surviving by being compensated for their disabilities received in service of their country.

- It's tax time again. Many VA Benefits are exempt from taxes. It's recommended that a Veteran review the Veterans Tax Information and service page on the IRS Website. The other site to help keep you safe from identity theft and scams is to visit Fraud Prevention.

It's time to bring this to a close. Pray for those in harms way, especially those getting hammered by storms/weather.

Until next time, take care.
