Louis Andrew Kluesner, 93

May 26, 1932-February 24, 2026

Louis Andrew Kluesner, 93, of Lima Montana, passed away peacefully, surrounded by family, on February 24, 2026, at Barrett Memorial Hospital.

Lou was born in Blackfoot Idaho to William and Cora Kluesner. He attended Lima School up until the 12th grade where he worked at various jobs. Lou met the love of his life, Diane in 1965, in Missoula, Montana. He was working as a meat cutter at a grocery store and Diane worked in the bakery. What started out as a dare from Lou's co-workers, to ask Diane out on a date, turned into 4 days short of 60 years of marriage. Excited to start their lives together, they were married on February 28, 1966 in Coeur d'Alene Idaho.

They spent the next 12 years in Whitefish Montana where they started to build their family. They moved to Lima in 1979 as he secured a job at the Lima School, where he was a bus driver and custodian for many years. Lou and Diane raised three children Patrick (deceased), whom Lou adopted, Chris, and Megan.

Lou was involved in many organizations and the community. He was an active member of the Church of Jesus Christ of Latter Day Saints, and started the Boy Scouts for the church during his time in Whitefish. He was enlisted in the National Guard until he was discharged due to having the mumps. He was part of the Lima Volunteer Fire Department and Ambulance and he was also a Hunter Safety instructor for many years. He was a member of the Meat Cutters Association and even had his own meat shop at his home where he loved to process meat during hunting season.

Everyone who knew Lou knew how much he enjoyed camping, fishing, hunting, and wood working. He had a love for rodeos, especially bull riding. But most importantly he loved his family of 7 children, 17 grandchildren, 16 great grandchildren and many nieces and nephews.

Lou was preceded in death by his parents and siblings, Gertrude Becker, Frank Kluesner, and Carl Kluesner. He is survived by his loving wife Diane; children, Chris (Denise) Kluesner, Megan (John) Keller, Calvin (Janet) Kluesner, Lloyd (Betsy) Kluesner, Allan (Denise) Kluesner, Cindy (Dave) Brown; siblings Anna May Cheney, Louise Wingert, Fred Kluesner, Rose Comstock, and John Kluesner.

Services will be held at the LDS Church in Lima Montana on March 21, 2026 Visitation at 10 A.M. Funeral at 11 A.M. with a luncheon to follow Donations can be made to the Lima Fire Department.

Frank Erwin Marchesseau

December 5, 1955 — February 19, 2026

Frank Erwin Marchesseau II passed away on Thursday, February 19, 2026 at his home in Reno, Nev. He was 70 years old.

Frank was born in Idaho Falls, Idaho on December 5, 1955 to Erwin "Bud" and Afton (Koontz) Marchesseau. The family lived in Dillon, Mont. where Frank, the oldest of three children, attended school, graduating from

Beaverhead County High School in 1974.

Named after his grandfather, Frank was a proud descendent of original homesteaders of the Grasshopper Valley, Montana, a place which always held a special place in his heart. He grew up on and around local ranches in the Dillon area and made many fond childhood memories at his grandparents' ranch in Polaris. Like many children growing up in Montana, he also developed a love of the mountains, spending time outdoors hunting and fishing, and later snowmobiling and four-wheeling.

However, he said his life didn't truly start until he married his sweetheart, Donna Ruff, in 1977. Soon after, with their new baby tow, the couple moved to Spokane, Wash. where Frank worked for the largest plumbing and heating contractor in the region. It was the beginning of a life-long career. The young family moved back to Dillon a few years later where Frank, along with his father and brother, Gary, started a plumbing and heating business which they would run for more than 20 years.

It was here that their family grew to five, and Frank and Donna raised their daughters, Summer and Jessie, and son, Michael.

It was also during this time that Frank made a name for himself across the state of Montana in the sport of stock car racing. Along with his friends/team members, Ray Cromwell, Matt Nyquist and Sam Stearns, Frank raced dirt tracks across the state and into the mid-west from 1989 until 1996, his family cheering from the stands.

In 2006, Frank decided to take things in a new direction when he and Gary sold their long-time plumbing business. Ready for a change, Frank and Donna embarked on a new adventure moving to Reno, Nev. where Frank started a new career as a plumbing and heating specialist for Home Depot. He enjoyed this opportunity to meet people, help customers and share his wealth of knowledge for ten years until a shoulder injury forced him into retirement.

Still passionate about cars, retirement offered Frank the time to pursue a new hobby restoring them. He and Donna purchased and personally restored a 1968 Mercury Cougar and a 1987 Chevrolet Corvette convertible. He prided himself in finding original parts and restoring these vehicles to their original beauty.

In 2023, Frank was diagnosed with cancer for a second time. He would spend the last three years of his life fighting a valiant fight against metastatic breast cancer and spending time with his family and friends who will miss him dearly.

He was preceded in death by his parents and his brother, Gary Marchesseau.

Frank is survived by his loving wife Donna (Ruff) Marchesseau of Reno, Nev.; daughter Summer Gorzny and husband, Kevin, of Cottonwood Heights, Utah; daughter Jessie Marchesseau and husband, Nathan Stone, of South Lake Tahoe, Calif.; son Michael Marchesseau and wife, Yang Li, of Grosse Pointe Farms, Mich.; his sister Marty Cypher and husband, Dan, of Dillon, Mont.; and sister-in-law Wilma Marchesseau of Dillon, Mont. He is also survived by his four granddaughters Ellie and Adi Gorzy, and Violet and Lily Marchesseau; and his faithful pets Zipper and TC.

Funeral services will be held at 11 a.m. Friday, March 20, 2026, at Brundage Funeral Home in Dillon, Mont. Reception and lunch to follow at the Dillon Elks Lodge. A celebration of life will be held in Reno, Nev. at a later date; contact Donna for more information.

If you would like to make a donation in Frank's honor, the family suggests the Beaverhead Search & Rescue, c/o Sheriff Wendt, 2 S. Pacific St. #16, Dillon, MT 59725.

HEARTFELT THANK YOU

The Beaverhead FFA Alumni would like to extend a heartfelt thank you to the Dillon community. Our Saturday night banquet was a huge success because this valley showed up and showed out for agriculture education. We served over 350 meals and were able to raise a record-breaking amount of money- every penny of which will be reinvested back into the FFA chapter and its members. It is incredible and humbling to think just how big the impact of the other night truly was. Aside from the funds raised, the event also sent a clear message that agriculture education and leadership development are a priority to our community. The future of agriculture is BRIGHT in southwest Montana- thank you all for believing in our youth.

The Beaverhead FFA Alumni meets the first Wednesday of every month in the high school Ag building at 6 pm. We encourage anyone who may be interested in joining our organization to attend a meeting. Please reach out to our President, Morgan Garrison at 406-925-0924 if you would like to know more.

**Daylight Savings Time will begin on March 8th.
Beginning on that day, the Beaverhead County
Landfill will be open on Sundays.**

Hours for the Landfill are
Monday – Saturday 10:00 to 6 pm
Sunday from 11:00 to 5:00 pm

Food Is Medicine: Broccoli

Broccoli may not be flashy, but it absolutely earns its superstar reputation. Research shows that people who regularly eat broccoli and other cruciferous vegetables tend to live longer and have a lower risk of many chronic diseases. With its fiber, potassium, vitamin C, and plant-based calcium, broccoli supports heart health, strong bones, steady blood sugar, healthy skin and gums, smooth digestion, and a robust immune system. It also contains sulforaphane, a powerful plant compound that helps protect our cells, supports natural detox pathways, and has been studied for its role in broad cancer prevention and balanced hormone metabolism — especially important during perimenopause and menopause, when hormonal shifts can greatly impact long-term health.

If you take blood thinners or manage a thyroid condition, talk with your healthcare provider about portion size and preparation. Broccoli is rich in vitamin K, which plays a role in clotting, and raw cruciferous vegetables contain compounds called goitrogens (a fun word to casually drop into your next conversation) that can slightly reduce iodine absorption. The good news? Lightly cooking broccoli lowers these compounds. Whether roasted, sautéed, or dipped in hummus, broccoli is an ally for long-term health. We'll absolutely revisit broccoli in the future, but consider this your broad introduction to why it earns such high praise.

Good health is built day by day, starting with real food.

Tractor Fire on Bond Road Results in Total Loss

Jeremy Crawford, Southwestern Montana News

The Dillon Volunteer Fire Department responded Tuesday afternoon to a reported tractor fire on Bond Road.

According to initial reports, the department was dispatched after a tractor caught fire. Crews responded quickly to the scene, but upon arrival, the tractor was already fully engulfed in flames.

Firefighters acted fast to prevent the blaze from spreading. Using a chain, crews were able to pull the burning tractor away from nearby materials, helping stop the fire from extending beyond the immediate area.

Firefighters worked to extinguish the blaze, but the tractor was declared a total loss.

Adventures in After School Program

This program starts September 3rd and gives participants a more in depth programming while giving parents flexibility to fit work schedules. Children will ride the bus to the Y, have a snack, and then be involved in the camp offered for that week. You may sign up for a week or the month, it's up to you. Children in K-5th grade are eligible to join. Camp will end at 5:30pm each day. Camps will be offered all school year long with the exception of school holidays. Full and half day programs will be offered on school's out days for an additional charge.

A separate registration is required.

AFTER SCHOOL REGISTRATION IS NOW OPEN!

Where People Come First. *Always.*

HOLDING ON TO WHO YOU ARE THROUGH LIFE'S CHANGES

As we age, life naturally brings change. Retirement, shifts in physical health, the loss of loved ones, or changes in family roles can all reshape how our days look and how we see ourselves. For many older adults, these transitions can quietly raise an important question: Who am I now?

A sense of identity is deeply tied to purpose, connection, and meaning. While roles may change, identity does not disappear. With intention and support, older adults can continue to feel grounded in who they are, even as life evolves.

RECONNECTING WITH CORE VALUES

While roles may change, personal values tend to remain steady. Reflecting on what matters most can help older adults stay connected to their sense of self.

Writing these reflections down or talking them through with a trusted person can bring clarity and reassurance during times of change.

GIVING YOURSELF PERMISSION TO EVOLVE

Identity is not fixed. It grows and changes over time. Allowing space for grief over what has changed while remaining open to what is emerging is an important part of emotional health.

It is okay to acknowledge loss. It is also okay to embrace new definitions of purpose, strength, and fulfillment.

YOU ARE MORE THAN YOUR ROLES

Life may look different than it once did, but your experiences, values, and identity still matter. With reflection, connection, and support, older adults can continue to live with purpose and authenticity through every stage of life.

If you or someone you care about is experiencing emotional challenges related to life changes, our program is here to help.

Our hospital-based outpatient program meets the unique needs of older adults experiencing depression and/or anxiety. Anyone can make a referral to our program, including self-referrals, provider referrals, or community consultations.

Call us today at (406) 683-3145.
