Vehicle Crashes Into Garage on Kentucky Avenue, Driver Arrested

Jeremy Crawford, Southwestern Montana News

First responders were called to Kentucky Avenue Wednesday afternoon after a vehicle crashed through a fence and into a residential garage.

Dillon Police, Beaverhead County Sheriff's deputies, and the Dillon Volunteer Fire Department responded to the scene where a silver Chevrolet pickup truck had plowed through a fence and into the garage of a home.

According to witnesses, the vehicle reportedly came off Oliver Lane, crossed into oncoming traffic on Kentucky Avenue, narrowly missing another vehicle before spinning its tires and crashing into the garage.

Officers on scene located alcohol bottles inside the vehicle, and the driver was reportedly showing signs of impairment.

Authorities say the driver was transported to the hospital by ambulance following a brief scuffle with police.

The incident remains under investigation.

Michael Klakken Appointed Mayor

The Dillon City Council held a special meeting Wednesday night before their regular meeting to look at the two candidates that had put their hats in the ring to fill out the term of Mayor John McGinley who had stepped down a month ago.

The two candidates were Michael Piper and Michael Klakken. The City Council President, Russ Schwandt read the resumes of each candidate. He then ask if each one would like to introduce themselves and answer questions from the council or the public. Michael Piper was called on first and was not in attendance or on zoom.

Michael Klakken stood and told of his past experience as Mayor for eight years and told of his assistance to Mayor McGinley when he started and of his current help with the budget and audit issues the city is currently having.

Michael Piper was called on again and was still not present. The council called for the appointment of Michael Klakken and it was seconded with an unanimous vote to follow. He was going to fill out his oath of office and file it at the Beaverhead County Court House Thursday.

DILLON BEAVER BOYS CLAW OUT THE WIN

The Dillon Beavers boys basketball struggled most of the game with hitting their shots and losing at the free throw line. The Beavers were down at one time 25-9 with poor shooting but came clawing back to take the lead late in the game to get the win 40 to 38.

Columbia Falls started out hot with 3 pointers that hurt us in the first half of the game.

The Beavers shot 10/23 in the 2nd half and we were 2/6 at the free throw line which didn't help much. However, their defense stepped up in the second half and shut down the Wildcats long shots and our rebounds were good to help us dig out of the hole and take the win.

DILLON LADY BEAVERS TAKE ON BROWNING

Thursday afternoon the Lady Beavers took on Browning Lady Indians. Both teams have taken a lot of shots per game throughout the year although this game started out slow with the end of the first quarter showing the Beavers ahead with the 11-5 lead. The second quarter started with low scoring much as the first with ball control being an issue with both teams. Both teams seemed to be in a hurry but it just resulted in turn overs and not getting the basketball to the net. With three minutes left in the second quarter the score had only gone up to 16-9 with the Beavers leading.

The Beavers had many chances in the third quarter but were missing easy shots with the Indians knocking the ball away. The turnovers and the missed shots were catching up with the Beavers. The 11 point lead dropped to 1 with 1 minute left in the third quarter.

The 4th quarter the Beavers were fouled but couldn't make our shots. The charity they were giving us from the stripe didn't help as we missed many and gave the back with turnovers just staying ahead with 3 minutes left the Beavers still led 41-38. It was a very physical matched game but the Beavers held on to take the victory 46-41 at the end.

UMW Alumna Tana Campbell to Present for Young Alums Program

University of Montana Western alumna Tana Campbell will present as part of the Young Alums Program, hosted by the Department of Arts, Humanities, and Social Sciences, on Thursday, March 19, at 3:30 p.m. in Main Hall 318.

The mission of the Young Alums Program is to provide current students with the opportunity to engage with Montana Western graduates who earned degrees from the Division of Arts, Humanities, and Social Sciences.

Campbell is a recent graduate of the University of Montana Western, where she earned a Bachelor of Arts in English Literature with a minor in Professional Writing. She was also a TRIO student during her time at Western, an experience that helped shape her passion for supporting other students in their academic and professional journeys.

During her time at Montana Western, Campbell was actively involved across campus. She managed the Women's Basketball team, worked in the Communications Department, served as president of the Multicultural Club, and represented students on the AIMA Committee.

Following graduation, Campbell joined Salish Kootenai College as a TRIO Career Advisor. In her role, she supports students by helping them navigate scholarship opportunities, develop career plans, strengthen financial literacy, and prepare for success after graduation.

The campus community is invited to attend and celebrate this opportunity to connect with a UMW alumna.

For more information, please contact Professor Bethany Blankenship at bethany.blankenship@umwestern.edu.

**Montana Tech host free Summer Environmental
 Engineering Camp for high school students**

Montana Technological University's Environmental Engineering Department will host a weeklong Summer Environmental Engineering Camp from July 27-31, offering high school students an immersive, hands-on introduction to how environmental engineers design solutions to real-world challenges.

Designed for driven high school students entering their sophomore through senior years, the all-expenses-paid residential camp invites participants to explore environmental engineering through field activities, laboratory work, and collaborative design projects led by Montana Tech faculty.

"Environmental engineers don't just identify problems—we design systems to fix them," said Dr. Raja Nagisetty, Department Head of Environmental Engineering.

Throughout the week, students will work in Montana Tech's state-of-the-art laboratories and take part in field-based learning experiences that highlight the breadth of the discipline. Activities include flying drones to map cold-water patches critical to fish habitat, conducting wastewater treatment experiments, touring an underground mine to learn about phytomining for critical minerals, and exploring restoration efforts along Silver Bow Creek.

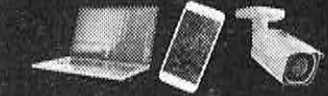

The camp is free and covers housing, meals, and all program materials. Space is limited to ensure high-quality, hands-on experience, and organizers encourage interested students to apply early.

Environmental engineering is a rapidly growing field that blends science, creativity, and problem-solving.

For more information, contact envcamp@mtech.edu. To apply for camp, click here. Applications are due April 19th.

Sayler and Lund Earn All-Conference

Montana Western Women's Basketball players Bailee Sayler and Isabella Lund picked up Frontier Conference Women's Basketball All-Conference honors.

Sayler was named Frontier Sixth Woman of the Year while she and Lund were both tabbed to the All-Conference Second Team.

Sayler burst onto the scene in her first year with the Bulldogs and finished the regular season averaging 13.0 points and 4.4 rebounds per game. She shot 43.3 percent from the floor, 40.8 percent from beyond the arc, and a team-best 87.7 percent from the foul line.

The sophomore out of Missoula, Mont., posted 17 double-digit scoring efforts, including eight-straight to end the regular season.

In Lund's senior campaign she averaged 12.0 points and led the team in both assists (4.2) and steals (1.9) per game. She shot 44.1 percent from the floor and 74.8 percent from the charity stripe.

The Tumwater, Wash., native scored in double figures 15 times on the season, including four with 20 points or more. She dished out five or more assists in 11 outings.

Gruhler & Steward Pick Up First Team All-Conference

Montana Western Men's Basketball players Kyle Gruhler and Emanuel Steward received Frontier Conference Men's Basketball All-Conference First Team recognition.

Gruhler earned seven Frontier Men's Basketball Offensive Player of the Week honors and one NAIA Men's Basketball Offensive Player of the week nod in his senior campaign. He averaged a team-high 20.1 points and added 4.4 rebounds per game.

The Vancouver, Wash., native shot 52.7 percent from the floor, 49.0 percent from distance, and 85.3 percent from the foul line.

Steward made the most of his lone year with the Bulldogs. He averaged 17.6 points and a team-best 3.9 assists per game. He also picked up one Frontier Men's Basketball Player of the Week selection.

The senior out of Portland, Ore., shot 43.8 percent from the field, 32.6 percent from three, and 83.7 percent from the stripe. He dropped double-digit points in all but two contests this season, including 12 with at least 20. He also dished out five or more assists 13 times.

Equality
 Hard work
 Fight fight fight
 Learn it
 work for it
 Succeed in it

Hard work
 Fight fight fight
 You l e a r n from your mistakes
 You w o r k through your mistakes
 You s u c c e e d from your mistakes.

Hard work- resilience

As in: Martin Luther King wanted equality for his race.
 He could of quit but all of his hardwork

Would
 Be
 Gone
 Forever
 But he kept believing
 But he never gave up
 But he dedicated all his time to this
 But he learned from his mistakes
 But he worked through his mistakes
 But he succeeded because of his mistakes.

Hard work- resilience

As in: feeling the pressure of all the sports on your plate
 As in feeling like you just make mistake after mistake

But then you hit three after three
 And you hit layup after layup
 And you win and win again
 Because you l e a r n e d from your mistakes
 Because you w o r k e d through your mistakes
 And then you succeed because of your mistakes
 But.....why

Why would you try so hard?
 Why do you care so much?
 To not let my team down
 To improve myself
 To have fun

Hard work- resilience

As in: Michael Jordan getting cut from his high school team.
 But never giving up making it his sophomore year
 And he won 6 championships

in the NBA
 And he l e a r n e d from his doubters
 And he w o r k e d through his doubters
 And he succeeded because of his doubters
 An inspirational song
 That most people don't actually hear the lyrics
 "Even if you are not ready for the day it cannot always be night."
 Kanye West
 You have to l e a r n from your fears
 You have to W o r k through your fears
 You will succeed because of your fears

Hard work- resilience
