Special thanks to Dustin Huffaker & High Country Lodge in Polaris for support & use of UTV. This incident can serve as a reminder to us all to heed road closure signs and to prepare for rapidly changing road & weather conditions during our variable spring weather.

Thanks to following S&R teammates for responding to this callout: Missy Martin, Zane Wood, Charles Weidow, Charles Wharton, Josh Yeadon, Tara Remely, Steve Mock, Brad Wagner, Kolby Malesich, Trent Cottom.

### NOTICE OF INTENT TO IMPOSE AN INCREASE/ DECREASE IN LEVIES REICHLER SCHOOL DISTRICT

March 20, 2026

As an essential part of its budgeting process, the Reichler School District Board of Trustees is authorized by law to impose permissive levies to support its budget. Per Senate Bill 307, state law requires the District to provide notice of its intent to increase/decrease these permissive levies in the upcoming fiscal year. To ensure financial transparency and avoid confusion, the District has chosen to analyze the estimated impact of all its levies, voted and permissive, across all funds.

The Reichler School District estimates the following increases/decreases in revenues and mills for the funds noted below for the next school fiscal year beginning July 1, 2026:

Fund	Change \$	Change Mills	Est. Annual Tax Impact \$100K Home	Est. Annual Tax Impact \$300K Home	Est. Annual Tax Impact \$600K Home
Transportation	272.84	.387	0.29	0.88	2.03
Bus Depreciation	0.00	0			
Tuition	-23.56	-0.03	-0.03	-0.08	-0.18
Adult Ed	0.00	0	0.00	0.00	0.00
Technology	0.00	0	0.00	0.00	0.00
Flexibility	0.00	0	0.00	0.00	0.00
Debt Service	0.00	0	0.00	0.00	0.00
Building Reserve Permissive	0.00	0	0.00	0.00	0.00
Building Reserve Voted	0.00	0	0.00	0.00	0.00
<b>Total</b>	<b>249.28</b>	<b>.3570</b>	<b>0.26</b>	<b>0.80</b>	<b>1.95</b>

\*Impacts above are based on certified taxable valuations from the current fiscal year

This notice must also document the District's expected use of its Building Reserve State Major Maintenance levies and associated funding. In FY2027 the District intends to use Building Reserve Fund revenue to address the following items:

- Any facility improvements and repairs outlined in 20-9-525, MCA
- Any safety and security improvements

The District estimates that the State Major Maintenance funding structure will generate a total of \$35,327.60 in FY27. The total State Major Maintenance levies are expected to be funded with \$7,047.52 of local revenues and \$28,190.08 of State revenues. The permissive levy mills necessary to fund the local portion are projected to be 10, which results in an increased/decreased impact of \$0.00 over FY27. This Building Reserve Permissive Levy change is estimated to result in \$0.00 more/less on a \$100,000 home and \$0.00 more/less for a \$200,000 home.

Please contact the District Clerk, Dalene Hahnkamp, at 406-865-0353, if you have any questions or need any additional information.

## Free Community Presentation on Cyber Safety with FBI Outreach Specialist

Community members are invited to attend a free public presentation on cyber safety and fraud prevention on Tuesday, March 31, from 7-8 p.m. in the STC Great Room at the University of Montana Western.

Rebecca Leary, Community Outreach Specialist with the Federal Bureau of Investigation, will present "Cyber Safety: Protect Yourself Against Exploitation, Fraud, and Scams." The session will focus on recognizing online exploitation, financial fraud, and common scams affecting individuals and families.

Attendees will learn practical strategies to safeguard personal information, identify red flags, and respond effectively if they or someone they know becomes a victim.

Cybercrime continues to evolve, impacting people of all ages and backgrounds. This presentation is designed to empower community members with the knowledge and tools needed to stay safe in an increasingly digital world.

"Education is key to protecting your families and communities from becoming victims of crime and fraud. Take the time to prevent the crime," said Rebecca Leary, FBI.

The event is free and open to the public.

The presentation is hosted in partnership with the Women's Resource Center (WRC), a nonprofit organization serving Beaverhead and Madison Counties with free and confidential services for survivors of domestic and sexual violence. The WRC extends sincere appreciation to the University of Montana Western for generously providing the STC Great Room to make this community education opportunity possible.

For more information about the event or the services offered by the WRC, contact (406) 683-6106 or email [izzi@wrcmt.org](mailto:izzi@wrcmt.org).

*Support Trevor Walter*

In the last few election cycles, the people of Montana have voted consistently Republican. The Republicans now hold all state and federal offices and majorities in both chambers of the legislature. While in some instances this has been a good change and we have made some progress, in many cases these majorities have not translated into conservative governance of our state. Our state government is still growing, our budgets have not shrunk, and the government is operating way outside its constitutional boundaries. Why is that, you ask? After almost 6 years of Republican control, why do we still have these issues? The main reason for this is that we have so many elected officials who use the Republican Party as their cover while voting with liberal ideologies.

This year, we have a chance to change part of that in the House District 69 primary. Trevor Walter is running as a small-government, constitutional conservative. I have gotten to know Trevor over the last few months and have had many conversations on limited government, returning power to the people, and keeping our government in check. He is a small business owner, a man of faith, and a dedicated husband and father. I know he will be an asset to us in southwest Montana in the fight to uphold the Constitution.

I fully endorse Trevor and urge everyone in House District 69 to support him. Connect with Trevor directly to ask questions about his positions and learn what's happening in Helena. Review voting records. Remember, legislators are sent to represent the people and protect their rights by upholding the Constitution. I am confident Trevor will do just that and make HD 69 proud. Be sure to vote for Trevor Walter in the June 2 primary!

**7 - 8:30 pm**

**Student Union  
Building in the  
Bulldog Lounge**

**UMW Campus**

*Free and open

**Sally Cobau** is a writer, teacher, mom, yoga practitioner, and hiker from Dillon, Montana. Originally from Ohio, she fell in love with Montana when she came here for graduate school in Missoula. After receiving her MFA in poetry from the University of Montana, her work has been published in *Rattle*, *Hole in the Head Review*, *Oyster River Pages*, *The Sun*, *Room Magazine*, *Writing in a Woman's Voice*, *Ekphrastic Review*, *Poems Across the Big Sky II*, and other journals and anthologies. In December of 2025, her debut poetry collection, *Animals in the House: 18 Sonnets*, was published. When she's not writing, she's exploring the mountains near her home. The ranchers, river guides, professors, and dog lovers in this little town form the heart of her work.

**Ben Kuntz** moved back to western Montana a few years ago after nearly twenty years in Bethel, Alaska, where he was an associate professor of English at the Kuskokwim branch of the University of Alaska Fairbanks. He holds a BA and MA from the University of Montana and an MFA from Eastern Washington University. In Dillon, he teaches occasionally at UM Western and works at the Patagonia Outlet. His stories and essays have appeared in publications including *Cirque* and *The Inlander*.
