### Auditor Brown Joins Governor Gianforte in Proclaiming April as Financial Literacy Month

Montana State Auditor James Brown joined Governor Greg Gianforte and members of the Montana Financial Education Coalition (MFEC) at a signing ceremony in Helena for a proclamation declaring April as Financial Literacy Month across the state.

"Montanans of every age, background, and profession can always learn more about how to responsibly track, grow, and safeguard their finances. My office is committed to ensuring the people of Montana are protected against fraud, insured at fair rates, and informed as consumers; their financial health depends on it," Auditor Brown said.

The Auditor's office has conducted financial literacy trainings in every corner of the state, educating Montanans in an effort to counter fraud and the impacts of financial illiteracy.

Declaring April as Financial Literacy Month helps to promote the state's interest in increasing the financial knowledge of Montanans, which improves the quality of their lives, bolsters our economy, and strengthens families.

**Veteran's Corner** Update #353

By Mike Lawson

**Veteran News Updates:**

• Diabetes Is a real health issue for many of us. The prevalence among Veterans is that it's estimated that 25% of us have it or will have it. This highlights the need for getting checked for it and to get care and management of it. For Veterans some the risk factors are as follows: 1) PTSD has been linked to the risk for Type Two diabetes. 2) Limited access to healthy food. 3) Agent Orange (VA must presume the toxic defoliant caused the exposed Veteran's Type 2 diabetes). 3) Transition to civilian life can be a challenge in delaying diagnosis and complicate diabetes management. For any Veteran diagnosed with diabetes, he/she may be eligible for VA health benefits and disability compensation. Some of those benefits are: VA health care, Disability compensation, Presumptive service connection for veterans exposed to agent orange, Benefits and health care for neuropathy, kidney disease and vision problems, Education and support programs. The VA disability ratings are based on the severity of the condition. They are as follows: 1) 10%-Diabetes managed with a restricted diet, 2) 20%-Diabetes requiring insulin or oral medication, 3) 40%- Diabetes with episodes of ketoacidosis or hypoglycemia requiring hospitalization or frequent physician visits, 4) 60%- More severe cases, often involving complications such as neuropathy or nephropathy. If you're not in the VA Healthcare system, check with an accredited VA representative or VSO. Get the help and treatment you need.

When any of the holidays come during the year, some of the folks in rest homes or who are home bound, etc. would welcome visitors to help overcome the depression of feeling isolated and alone. Our American Legion and VFW Auxiliaries are giving Easter gifts/goodies to the Veteran's at the SW MT Veteran's Home as well as visiting them. A kind word and smile goes a long way in lifting the spirits of anyone living in places like these. It's a two way street when you reach out like this and come away feeling you did the right thing. Time for me to wrap this up. The weather is seeing more kids playing on the streets or walkers walking against the traffic. Please be careful when driving.

Until next time, take care.

## Bozeman Symphony Presents Lyrical Landscapes: Mahler, Walton, & Clair de lune

The Bozeman Symphony invites audiences to revel in sweeping melodies and powerful storytelling at Lyrical Landscapes: Mahler, Walton, & Clair de lune, April 25 and 26 at the Willson Auditorium. The concerts feature internationally acclaimed baritone Lester Lynch and the Bozeman Symphonic Choir.

The program opens with the gentle beauty of Clair de lune by Claude Debussy—French for “moonlight” and one of the composer’s most beloved works.

Next, Lynch performs Rückert-Lieder by Gustav Mahler, a poignant five-song cycle set to poetry by German Romantic poet Friedrich Rückert. The songs trace an emotional journey from the fragrant promise of spring to reflections on solitude and a profound meditation on the soul’s darkest hour.

The program concludes with Lynch and the Bozeman Symphonic Choir in Belshazzar’s Feast by William Walton. Drawn from biblical texts, this electrifying oratorio recounts the fall of Babylon and the exile of the Jewish people through dramatic choral writing and orchestral color.

Internationally celebrated for his commanding voice and emotionally charged performances, Lynch has emerged as one of the most sought-after operatic artists of the 21st century. He has appeared on the stages of many of the world’s leading opera houses and concert halls.

Performances - Saturday, April 25, at 7:30 p.m. and Sunday, April 26, at 2:30 p.m. at the Willson Auditorium in Bozeman.

These concerts are made possible by the generous support of sponsors The Dovana Foundation, Calum & Tricia DeSouza, Bob & Donna Ritchie, Bruce & Kimberlie Jodar, Sharon & Michael Beehler, and Dr. Jeffrey Barish & Dr. Elaine Best.

Tickets start at \$30 for adults, with discounted tickets available for students. Purchase online at <https://www.bozemansymphony.org/mahler-walton-clairdelune> or by calling 406-585-9774. Tickets at the door are subject to availability.
