PATTY LOVAAS

Patty Lou (Platt) Lovaas died suddenly from cancer on December 18, 2012 at the age of 60. She was born in Minneapolis, Minnesota on March 28, 1952, and lived an exciting life. She was a CPA in Missoula, Montana, and owned and operated Elkhorn Hot Springs Lodge in Dillon, Montana along with her husband Orville and sons.

Patty and Orville were married upon finishing high school. They then moved to Brainerd, Minnesota where both attended Brainerd College. Patty worked part-time at the college while earning her Associates Degree in 1 year by testing out of many subjects. She was also on the dean's list during that time. Patty, Orville and their sons, Brian and Paul then moved to Missoula, Montana. Patty began working for a local CPA firm. She attended the University of Montana for another year where she earned her Bachelor's Degree in Accounting. Before finishing her second year in college she passed her CPA exam and began her own accounting business. If any of her clients were audited Patty never lost an audit.

Orville and Patty built several of their homes and cabins. In their first home Patty did the electrical wiring herself, which passed inspections, while she was expecting a baby! If you told Patty she could not do something - you were wrong. She could and did. She ran for the US Senate and other state and local offices and loved being involved with the community and with politics. Patty also loved volunteering and leading her son's Cub Scouts and other sports activities. She loved watching whales and other wildlife, traveling, enjoyed her grandchildren, and bragged about her sons. Her laugh was contagious.

Patty was preceded in death by her parents, Myron and Agnes (Pagel) Platt, two sisters, Vicki Kay Robinson, and Kathy Jane Platt. She is survived by her husband of 42 years Orville, two sons, Brian (Kristen) Lovaas, and Paul (Alison) Lovaas all of Dillon, Montana; two sisters, Dorothy Ann (Glen) Jones, and Karen Jean (Bill) Kapferer, 8 grandchildren; Brandi, Xionkita, Taylor, Emma, Madison, Disa, Bridget, and Landon; 6 nephews and 2 nieces, and many other relatives and friends. She will be greatly missed by all.

Memorial services will be on January 5th, at Elkhorn Hot Springs in Polaris, Montana at 10:00a.m., and January 12th, at Flanagan's Motors in Missoula, Montana at 2:00 p.m.

MEDIA QUIET ABOUT SAN ANTONIO THEATER SHOOTING.

On Sunday, December 17, 2012, 2 days after the CT shooting, a man went to a restaurant in San Antonio to kill his X-girlfriend.

After he started shooting, most of the people in the restaurant fled next door to a theater.

The gunman followed them and entered the theater so he could shoot more people.

He started shooting, and people in the theater started running and screaming.

Now aren't you wondering why this isn't a lead story in the national media along with the school shooting?

There was an off duty county deputy at the theater. SHE pulled out her gun and shot the man 4 times before he had a chance to kill anyone.

So, since this story makes the point that the best thing to stop a bad person with a gun is a good person with a gun, the media is treating it like it never happened. Only the local media covered it.

On December 19, 2012, Sgt. Lisa Cuello Castellano was awarded the Medal of Valor for her efforts in stopping the gunman at the scene.

Bexar County Sheriff Amadeo Ortiz, presented the 13-year veteran with the Medal of Valor for taking down a gunman inside a south-side movie theater.

AMERICA, WAKE UP...

"To take from one, because it is thought his own industry and that of his fathers has acquired too much, in order to spare to others, who, or whose fathers, have not exercised equal industry and skill, is to violate arbitrarily the first principle of association, the guarantee to everyone the free exercise of his industry and the fruits acquired by it."

MONTANA CHAMBER CHOICES

Montana Chamber Choices is sponsoring the Shape Up Montana Program again this year. Shape Up Montana is a three-month team wellness program conducted by Big Sky State Games that engages participants in a sustainable physical activity and healthy eating program. The program will run from February 1st to May 1st. Montana Chamber Choices customers will receive a discount upon registration. You must choose "Montana Chamber Choices" in the drop down menu on the registration page.

There are two divisions that each team may choose from. The accumulated activity division is split into 5 groups: beginner, intermediate, experienced, professional and family. This division is based by tracking activity performed with the support of a web based activity calculator. The weight loss division encourages healthy, appropriate diet and physical activity. Wellness calculators are available to help aid all team members. Participants in both divisions can try different health clubs for free during SUM Fitness Week (March 12-18). Facilities will be listed at Shapeupmontana.org.

There are many benefits to offering a wellness program like Shape Up Montana to your employees. Studies have shown that employees who exercise as little as once a week tend to incur health costs 1/2 to 1/3 lower than those who don't (sales and marketing management). Another benefit in offering a company sponsored wellness program is workers tend to have improved productivity and morale. Worker productivity plays a major role in the success of a business. Additional studies have shown that healthier employees spend fewer days away from work due to illness, which in turn saves the company thousands of dollars. Wellness, nutrition and physical activity programs also help decrease depression and help employees manage their stress levels, which contributes to their productivity on the job as well as presenteeism. (Welcoa)

This year with Shape Up the first 500 team captains who register will receive gifts! Each team will have the opportunity to complete a weekly challenge. There are prizes for the top teams, along with weekly nutrition and fitness tips. So give your employees the gift of wellness this holiday season and encourage them to register for this three month interactive wellness and physical activity program.

UMW MEN'S BASKETBALL TAKES 10-4 RECORD INTO CONFERENCE PLAY

The University of Montana Western men's basketball team traveled to Billings, Mont. on Saturday, Dec. 29 and took on the University of Calgary. The Bulldogs and Dinos met for the third time this season and the Bulldogs remained victorious with an 85-82 win.

A field goal made by Jordan Overstreet at the 13:15 mark put Montana Western up for good in the first half. The Bulldogs would lead by as much as 14 points before taking a 41-29 lead at halftime.

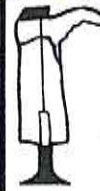

Montana Western would continue their comfortable lead in the second half until the Dinos made a three-pointer with 3:49 remaining, getting within eight points. The Bulldogs missed the front half of a bonus free throw and the Dinos connected on another three to make it 77-82. Maazin Butler sank two free throws for Montana Western before Calgary made back-to-back baskets, a three-pointer and field goal to get within two points. Butler made one of two free throws and the Dinos' last second three-pointer missed the mark for the final score of 85-82.

Butler led the Bulldogs with 21 points followed by Vince Turk with 16, Tyler Miller with 14 and Jordan Overstreet with 13.

Kris Castro put up eight points to go along with his game-high eight rebounds. Kris Collins and Gabe Rucker each dished five assists and Collins picked up three steals.

The Bulldogs shot 50 percent (30-60) from the field, 38 percent (9-24) behind the arc and 73 percent (16-22) from the free throw line.

The start of the New Year brings conference play to Montana Western. On Thursday, Jan. 3 the Bulldogs travel to Butte for the Digger-Dawg matchup at 7:30 p.m. Then it is the long haul to Lewiston, Idaho on Saturday, Jan. 5 to take on Lewis-Clark State College at 7:30 p.m.

Depression

... a real, but often misunderstood, disorder that is treatable.

Have you, a friend or a family member experienced some of these symptoms?

- ☐ Persistent sad, anxious or "empty" mood
- ☐ Feelings of hopelessness or pessimism
- ☐ Feelings of guilt, worthlessness or helplessness
- ☐ Loss of interest or pleasure in hobbies & activities that were once enjoyed (including sex)
- ☐ Decreased energy, fatigue or feeling "slowed down"
- ☐ Difficulty concentrating, recalling or making decisions
- ☐ Insomnia, early-morning awakening or oversleeping
- ☐ Appetite loss, weight loss or overeating & weight gain
- ☐ Thoughts of death or suicide, or actual suicide attempts
- ☐ Restlessness or irritability

Other possible accompanying symptoms include headaches, digestive disorders and chronic pain. The early darkening sky and frequent winds that accompany winter in Montana may contribute to the onset or continuation of depression. **A Plan** If you have experienced a depressed mood or a loss of interest in daily activities consistently for 2 weeks, tell someone, or come by to see us, we have now on staff a

Certified Mental Health Provider.

We're here to help.
