WHAT IS RIGHT ISN'T ALWAYS WHAT IS EASY

Dillon Cubs coach, Randy Shipman, has been banned from coaching American Legion Baseball in Montana.

This issue started when Shipman questioned the eligibility of a player on the Gallatin Valley Outlaws (GVO) team. Shipman brought to attention that the rules clearly state that the player must declare his residence for the season by March 31.

Via this discussion Shipman was suspended for two games for allegedly swearing at home plate in hearing distance of players and spectators. At this point the focus was turned to 'swearing' and not 'player eligibility'.

The Cubs planned to play the conference game under protest.

In response to Shipman's dispute the Cubs received an email from Class A South District chairman, Ron Edwards, that the transfer rules allow the player to play as long as he's on the team's roster by June 15.

George Haegele recommended that the Cubs address their concerns at the March 2013 general meeting of the Baseball Committee. In an email Haegele warned the Cubs that they faced sanctions if they continued to question the ruling by the Legion Baseball Committee that the Helen Rep player was eligible. Duwayne Scott abstained from any decisions made regarding the eligibility of the GVO player.

Due to media coverage about these events and the questioning of the American Legion Baseball Committee's misguided motives and negligence in following the established rules, the American Legion Baseball Committee, General Chairman George Haegele, Class A Chairman Bill Houston, decided to effectively ban Shipman from coaching American Legion Baseball in Montana. Duwayne Scott, GVO coach and committee member, abstained from participating in the decisions made by the Baseball Committee.

American Legion Post 20 in Dillon is standing by their coach.

At a meeting on January 9th, the Local Legion Board voted nearly unanimously to drop affiliation with the American Legion and retain Randy Shipman as coach and look at other options such as Senior Babe Ruth.

FACTS:

There are three men on the Montana/Alberta American Legion Baseball committee involving southwestern Montana -

not exceed 5,000 students in the 10th, 11th and 12th grades.

Note: Plan "B" recruiting rules are more flexible but more complex than the Plan "A" (zoning) rules. Study these rules carefully.

A. Base school. All teams must have a base school.

B. Player Recruiting. Teams may select players who are enrolled on March 31, 2012, in any public, private, technical, vocational, regional, or preparatory high school, or any combination of these schools.

1. Existing teams may request a new combination of schools from the department baseball committee; however, approval must be given prior to listing any player on the National Form #1.

2. Teams may not recruit a player(s) from another team's base school.

3. Senior and Junior American Legion player(s) who qualify under Rule 4.D.

a) The combined total enrollment of the schools cannot exceed 5,000 students for 10th, 11th and 12th grades.

4. Enrollment for a school(s) is determined using the number of 10th, 11th and 12th grade students officially recorded on March 31, 2012, by the state board of education or other state agency that has jurisdiction over school enrollment. Note: Every student registered shall be counted; including special education students, physically challenged students, bilingual students, and students over the age of 19.

D. Transfer Rule. A player released from a team must obtain permission on National Transfer Form #76 from that team's manager to play for the team that is closest to his parent's domicile.

E. School Enrollment Expansion. Players who are unable to complete their eligibility because enrollment expansion eliminated their school from previously approved combinations, may continue on the team for which they last played, provided no new players are recruited from their school.

1. Written permission for a player to continue under these circumstances must be obtained from the department baseball chair man prior to listing the player on the National Form #1.

2. Teams cannot form different combinations of schools.

F. Change of Address. Players who realize a permanent change in their parent's or guardian's domicile shall be eligible to compete for the team nearest their parent's new domicile.

1. A notarized statement from the player's parents must list previous address and new permanent address. Written permission must be obtained from the authorized department baseball official in which the "new" team is located, prior to listing the player on

CITY HAPPENINGS

By: Lynn Westad

Well, it is 2013 and the City Council had its first meeting on January 9th and will be back to a regular schedule next month. Council member absent Harvey Lake

2012 was a busy year and 2013 is expected to be just as busy.

An update was given on the engineering of the Lagoon project and it hoped the project will go to bid soon. Paul Craft reported statistics on 2012 activities by the Police Dept and most were lower than the previous year. Our professional Police Department is the major reason Dillon is the safe place we enjoy living within.

Delores Gregory retired in December and was presented a plaque for her service. Janie Olsen was appointed City Clerk. There were 3 appointments to the Tree Board. Chance Bernal was appointed by the County to the City Planning Board.

The finance committee reported their meeting with the monthly financial reports. The stable handling of the City's finances by the Finance Committee, Treasurer and City Clerk continue to enable the City to have a high rating and achieve financial goals that might not be possible otherwise. There were no other committee reports.

The Library received their certification from the state. A complete statistical report is compiled by the state and it was requested that the Library Board provide the City a copy when available.

Finally, the Mayor wants to thank all the volunteers that participated on City Boards last year and all boards have exciting projects to be completed in 2013.

There are openings on the following Boards: Please consider participating:

1. Planning Board
2. Zoning Commission
3. Board of Adjustment
4. Tree Board
5. Library Board

Just contact the Mayor for more information if you are interested 683-4245

The next Council meeting will be Feb 6th.

2. If the parents are divorced by a court order, that player may play for a team of either parent's legal and permanent domicile provided:

- a) The player must declare, in writing, the team of his choice and file that declaration with the department chairman prior to the department closing date. The player's declaration shall be final and valid for the remainder of the player's eligibility.

PLAYER RECRUITING PLAN "A" RULE 3

B. Player Recruiting. A post may select players whose parent's domicile was established in their zone on or before March 31, 2012 and players whose parents have moved and established a new domicile in their zone after March 31, 2012.

1. Players not selected to play with the team in their zone may play for the next nearest Plan A team provided the player has obtained a written transfer (Form #76) from the team manager in their zone.

PLAYER RECRUITING PLAN "B" RULE 4

Plan "B" base school recruiting allows both senior and junior Legion Baseball teams to select players who attend nearby high schools. High schools are combined to form a recruiting area. Homemade Irish Cream

This makes a wonderful holiday gift.

2 c. heavy whipping cream
1 c. evaporated milk
½ c. sweetened condensed milk
½ c. Irish Whiskey (I use Pendleton)
½ c. chocolate syrup
2 tsp. instant coffee

In the container of an electric blender, combine all and process until smooth. Let chill for at least 4 hours before serving. Nice addition to coffee on the holidays or weekends.

Version #2

1 c. heavy cream
1 - 14 oz. can sweetened condensed milk
7 oz. whiskey
1 tsp. instant coffee
2 T. chocolate syrup
1 tsp. vanilla
1 tsp. almond extract or coconut

I recycle my Pendleton bottles to use for my homemade Irish Cream cause they are so cool and have a great seal. You could do the same thing with wine bottles or a canning jar.

This will keep a couple weeks in the fridge.
