WHO WILL BE THE NEXT FOOTBALL COACH

We asked Terry Thomas if he knew who would replace him as the Dillon Beavers football coach. He stated that he hasn't officially turned in his resignation as of yet. That it would have to go to the school board for them to vote on to accept and then they would have to decide on what to do about the position.

GUNS, BULLYING AND MENTAL HEALTH

President Barack Obama will tell Congress today what his ideas are on gun control along with bullying and getting more mental health services for those in need. The plan should include many things that he can do on his own as executive actions to go around lawmakers that may oppose him but those things would be more in the area of enforcing existing laws.

Congress would have to approve what is thought to be a ban on assault weapons and ammunition magazines that have more than 10 bullets. Obama is expected to want a universal background check on anyone buying a gun, including those bought from private sellers at gun shows or over the internet.

It is also expected that the president will want better state reporting of mental health records to go into the federal background check database.

Alison Reintjes is currently a studio artist in Missoula, Mont. She has worked as an instructor for the Kentucky Museum of Art & Craft, the Archie Bray Foundation and the Clay Studio of Missoula. She first moved to Montana in 2001 for a residency at the Archie Bray Foundation in Helena and completed additional residencies at Greenwich House Pottery in New York, Jentel in Wyoming, and Mount St. Francis in southern Indiana. She has exhibited at the Oregon College of Arts & Crafts in Portland, Ore.; the AKAR Gallery in Iowa City, Iowa; Museu de Ceramica de l'Alcora in Spain; Arizona State University Ceramic Research Center in Tempe, Ariz.; the Lill Street Art Center in Chicago, Ill.; and the Northern Clay Center in Minneapolis, Minn.

Brandon Reintjes is not only an artist; he is also the curator of the Montana Museum of Art & Culture at the University of Montana. Born in Bozeman, he spent his childhood in Michigan's Upper Peninsula. He received his BFA from the School of the Art Institute of Chicago and moved back to Montana in 2001 for his wife Alison's residency at the Archie Bray Foundation. He completed a graduate degree in curatorial and critical studies from the University of Louisville in 2009. He is the recipient of an Artist Forest Community

residency and a Myrna Loy Individual Artist Grant. In addition to his studio work, Brandon writes criticism and essays for a variety of journals.

The Montana Western Art Gallery is located on the Montana Western campus, 710 South Atlantic Street, at the south entrance of Main Hall. The gallery is open Monday through Friday from 9:30 a.m. to 3:45 p.m.
