BEAVERHEAD RECYCLING KICKS OFF 2013

Bringing free plastic and cardboard recycling to Dillon and hosting two e-waste collection dates were Beaverhead Recycling's highlights for 2012. It also raised money for local recycling initiatives with a Great Harvest Bake Day, selling reusable Chico grocery bags and offering recycled Christmas wrapping over the holidays.

On Tuesday, January 29, at 6 p.m., Beaverhead Recycling will hold it's first meeting of 2013 in the basement of the Dillon Public Library. The meeting is open to the public and the organization would love to have volunteers as it continues to improve recycling opportunities in Dillon.

For more information, please contact Mandy Maass at 406-925-2211. And remember to reduce, reuse and recycle.

SCHOOL FUNDING BILL INCLUDES PERMANENT PROPERTY TAX RELIEF

Senator Llew Jones will present the School Funding Bill next Wednesday in the Senate Education Committee.

"This is the first time the education community has joined together in support of one comprehensive bill. We have been working on this for two years to address issues across schools of all sizes," said Lance Melton, Executive Director of the Montana School Boards Association.

The bill uses natural resource development dollars to fund schools and reduces local property taxes. Additional bonuses generated by natural resources will be targeted to fix the facilities issues facing many schools across the state.

"We are focused on raising student achievement and ensuring that our schools have the resources needed to prepare students for 21st Century jobs and challenges," said Senator Llew Jones the bill's sponsor.

The bill, SB 175, will be heard by the Senate Education committee. The hearing will be held at 3:00 in room 303 of the state capitol.

BEAVERS PINNED ON BULLDOG MATS

Hosted by Butte High Bulldogs on

Senior Night the Beavers lost too many battles to win the war with a 18-63 loss.

Starting with the 171 pound division, Beaver Phil Vial battled Bulldog Nick Challeen. Vial led in the first period, and ended up tied in the third for an overtime where Challeen won 15-13 on a takedown with 30 seconds left.

At 189 pounds Parker Tezak was pinned by Bulldog Lee Cannon. Beaver Austin Brentlinger pinned Johnny Walker at 1:59 for a Beaver lead of 9-6. Donovan Hucke pinned Billy Robinson at :47 putting the Beavers into a 12-9 lead.

Two forfeits at 98 and 105 pounds put Butte up 21-9.

In the 112 pound match, Beaver Chance Snellman pinned Bridger Mooney at 1:48. Another forfeit at 119 pounds kept the Bulldogs in the lead 27-18. The Bulldogs continued to pull away in the 125, 130, 135, 140, 145 and 152 pound matches.

The highlight of the night was the 160 pound battle between Beaver Lane Boka and Bulldog Bryce Armstrong. They remained tied 0-0 to the final period. In the last two minutes Armstrong took a 4-0 lead, but Boka came back in the last 40 seconds with a reversal to make it 4-2. Armstrong escaped making it 5-0 and Boka held off to win 5-3.

SENIOR COMMODITY FOOD BOXES

SENATE BILL 130

The Taxation Committee had a hearing on this bill yesterday and will be deciding soon whether to pass or drop. The bill has strong opposition from Alex Hanson from the League of Cities and Towns so it is going to need strong support as well. Change isn't always needed, but sometimes, change is progress. In this case, change could mean a lot for small businesses in Montana.

This bill was written to only include a small portion of voting rights that many business owners feel they should have....you have to walk before you run. I have again attached a PDF of the bill so that you can read for yourself. In Whitehall, businesses owners residing outside the town limits have not felt they are able to speak at Town Council meetings and have feel they have been denied input in debts incurred by the town. The Jefferson Local Development Corporation, the Whitehall Chamber of Commerce and the Town of Whitehall are currently sponsoring and paying for Mediation between the Council, Mayor and Business Owners because the business climate in Whitehall has deteriorated so far. I doubt that Whitehall is unique considering small businesses account for 97% of Montana's economy so I am sure other towns are facing similar difficulties

If your Chambers or member businesses would like to write a letter of support it would be greatly appreciated. If you would like more information, please contact Larry Feight at 1-800-777-9960 or l_feight@hcam.net. Letters of support can be submitted to the Taxation Committee by fax at 406-444-4875. I have also included names for all of the Taxation Committee below.

GO RED FOR A HEALTHY HEART!

February is designated as American Heart Month! Heart Disease is the leading cause of death for women in America! It is more deadly than all forms of cancer. There

are many scary facts about heart disease. For example, heart disease kills one in three women each year. Warning signs for heart disease vary between men and women. 90% of women have one or more risk factors for developing heart disease. (goredforwomen.org.)

Heart disease is caused by many things. One cause is the hardening of the arteries in the heart otherwise known as atherosclerosis. This is a condition in which the build-up in the heart makes it more difficult for blood to flow through that can ultimately cause a heart attack or stroke. Another leading cause of heart disease is heart failure or congestive heart failure (CHF), in which case the heart still works but not properly and typically does not get enough oxygen. Another common cause of heart disease is arrhythmia or an abnormal heart rhythm. This means that the heart can be beating too fast or too slow.

It is important to be aware if you have any of the potential risk factors for heart disease. High cholesterol is a known risk factor and puts you at a higher risk for heart disease or a stroke. Keep your cholesterol goal to have your total cholesterol less than 200mg/dl and your "good" cholesterol your HDL 50mg/dl or higher. Diabetes is another major risk factor for heart disease. Many people who are diagnosed with diabetes are also diagnosed with high blood pressure or high cholesterol which puts them at an even higher risk. A family history of diabetes also makes someone more susceptible. If you have diabetes, take the time to work with your provider and have regular checkups to manage your diabetes and control any other risk factors.

Last, but definitely not least, high blood pressure is a common risk factor for heart disease. High blood pressure is known as the "silent killer" because there really are no symptoms. High blood pressure is not curable but is easy to manage. Normal blood pressure

is considered to be less than 120mmhg (Systolic) and less than 80mm/hg (Diastolic).

Prevention is possible! There are many things you can do to prevent heart disease. Quit smoking if you are a smoker. It is never too late to quit. Be active. Find time in your schedule to be physically active, even if it only means walking 20 minutes a day. Every little bit counts. Lower your cholesterol by staying active and eating healthy. A healthy diet is one of the best ways to fight heart disease and stroke. Knowing your family history is another good way to help prevent your risk!

Montana Chamber Choices Health Insurance and Wellness program wants your employees to have healthy hearts, and for your business to be as fruitful as possible. There are many benefits available to help keep your heart healthy! Through a routine eye exam, a doctor would be able to tell if you have high blood pressure. Chamber Choices offers a Vision Service Plan benefit where you can receive an eye exam with only a \$10 copay. Montana Chamber Choices promotes a healthy lifestyle with a physical activity and healthy eating program like Shape Up Montana, which Montana Chamber Choices sponsors. Sign up this year and receive a discount at registration. Montana Chamber Choices is going red this month to promote a healthy heart-you should too!
