HOMEcoming OF THE 189TH

This week, we welcomed home about 45 members of the Montana Army National Guard's Detachment 1, Bravo Company of the 189th General Support Aviation Brigade.

These brave soldiers were deployed for a year in support of Operation Enduring Freedom and served nobly on various missions in Afghanistan.

Let's say thank you to our troops by doing all we can to make sure they come home to good-paying jobs and a nation that honors their sacrifice.

I'm calling on Congress and the President to join me in passing my VETs Jobs Bill, the first bill I introduced this year. Senator Tester has cosponsored the bill, which is designed to go the extra mile to make sure our veterans can use their military skills to land civilian jobs, while giving businesses incentives for hiring our vets.

This truly is a jobs bill for Montana because we have more veterans per capita than nearly anywhere else in the country.

Our veterans are hard-working, qualified, and proven leaders who risk their lives for our freedoms. We have a moral obligation to fight for them on the home front.

As we celebrate the homecoming of the 189th in Helena, hundreds of Montanans continue to serve in Afghanistan. Please join me in keeping them in our prayers and looking for ways we can circle around them once they come home.

All the best,
Max Baucus

REMOTE ISLAND & GOVERNMENT SPENDING

By: MJ

Imagine yourself fallen out of the sky with a parachute onto an island with a primitive populace. The natives have decided that you are a 'God' and they treat you like 'Royalty'.

As a person with the knowledge of a person from the 21st century, you look around and wonder how these people survive with no technological development, no tools, no raw materials, no cultural cohesion... You have a vision of what the island and inhabitants could become.

Would you do the hard work it would take to be an effective leader helping them have a better life or would you just sit back and enjoy your supreme status.

Are your elected leaders sitting back enjoying their positions and enriching themselves or are they doing the hard work it takes for the betterment of America and citizens? Are they going to raise the "debt limit" or are they going to do the hard work it will take to cut government spending?

The median household income in Washington D.C. from 2007-2011 was \$61,835±, and the USA was \$52,762±. Dillon's median household income in 2009 was \$39,165±.

The dollars that federal, local and state governments spend is acquired by extracting it from your family's income in the form of taxes.

LETTER TO THE EDITOR A SAD DAY IN DILLON...

By Chuck Dishno

Today marks one of the saddest days in Dillon that I have experienced since moving here almost 24 years ago, the closing of our beloved IGA store. They say it is progress due to the new IGA to be opening soon but I have my misgivings.

Granted, the current employees of our IGA have been promised a job in the new store but I personally think we will miss the close contact we have all experienced with the likes of manager Jim and employees Mary and Rich to name a few. Their friendliness and smiling faces not be there when we stop in for a quick loaf of bread, cut of meat or fresh produce. I hope I am wrong but sometimes I wonder at what is gained by "progress".

In 1972 when Roz and I first started coming to Dillon, we marveled at the quaint town with its friendly people. At that time Dillon had a J.C. Penny store, Sears store, D.I. Implementation, Coast To Coast, Eliel's Department Store to name a few. Now we are losing our only downtown grocery store.

What will be next now that we have another anchor store at one end of Dillon? Will it be a discount bookstore, discount furniture and appliance store, discount jeweler and host of fast food restaurants? Maybe even a Wal-Mart, heaven forbid!

I am not one to stand in the way of progress, I just wanted to point out that our "skyline" is changing and maybe not for the good.

I take this opportunity to thank those faithful employees of our personal IGA and wish them well. You will be missed downtown but we hope you will carry on that good old Dillon tradition at the new store.

The YMCA is teaming up with Lady Bulldog Basketball and other community entities to raise funds for Breast Cancer Screening. From Feb. 1-15, when you come to do your workout, bring in some spare change and drop it in our container

located at the front desk. If you drop change in the container, take a pink ribbon to wear while you do your workout. When you have finished your workout give the ribbon to the trainer, group exercise instructor, or lifeguard and they will give you a ticket. Put your name and phone number on the ticket and drop it in the drawing container located in your workout area. On Saturday, Feb. 16 we will donate all funds collected to the UM Western Pink Zone Event which raises fund to help offset the cost of mammograms. Also on this date we will draw one lucky winner from our drawing boxes that will receive an original work of art by a local artist.

WHAT'S HAPPENING AT THE ELKS??

Thursday night is Family Night
with dinner at 6 pm and Bingo at 7 pm

TO OUR PIZZA HUT FAMILY OF DILLON

We regret to inform everyone that Pizza Hut will be closing on Tuesday, February 5th to complete our full store remodel. We do not have a date set to re-open and will remain closed for a period of 3-6 weeks. We must close the entire store to finish the inside more quickly; this includes moving the entire kitchen back and re-doing all of the dine-in room.

We do apologize for any inconvenience this might cause you and your families, but when we are done your Pizza Hut will have a New Look, New Taste, and a New Menu.

If any dates are set your local manager, Christopher Puckett will notify the public, whether through ads or radio ads.

As always, thanks for your patience and cooperation during this remodeling phase.

ALWAYS ASK. NEVER ASSUME!!

His request approved, the CNN News photographer quickly used a cell phone to call the local airport to charter a flight. He was told a twin-engine plane would be waiting for him at the airport. Arriving at the airfield, he spotted a plane warming up outside a hanger. He jumped in with his bag, slammed the door shut, and shouted, "Let's go."

The pilot taxied out, swung the plane into the wind and took off. Once in the air, the photographer instructed the pilot, "Fly over the valley and make low passes so I can take pictures of the fires on the hillsides."

"Why?" asked the pilot.

"Because I'm the photographer for CNN" he responded, and I need to get some close up shots."

The pilot was strangely silent for a moment, finally he stammered, "So, what you're telling me, is . . . You're NOT my flight instructor?" Life is short. Drink the good wine first.
