Proclamation

Whereas the Women's Basketball Coaches Association began the WBCA PINK Zone in 2007 as an initiative to raise awareness in women's basketball on campuses and in communities.

Whereas the late Kay Yow, former North Carolina State University head women's basketball coach, served as a catalyst for the initiative after her third recurrence of breast cancer in 2006. UM-Western Women's Basketball program started their PINK Zone efforts that year-small scale and added Catholic Campus Ministry in 2008, making donations each year to the SWMT Mammography Program.

Whereas the each year the event has grown and in 2012 community organizations, businesses and individuals joined forces to raise \$6500 donated. The SW MT Mammography Program helps women who are uninsured and underinsured obtain mammograms thus saving lives.

Therefore, by the power and authority vested in me as the Mayor of the City of Dillon, I do hereby proclaim Saturday, February 16th, 2013 as

Pink Day in Dillon, Montana

Join us Saturday, February 16th, 2013 to raise awareness for breast cancer. Please wear PINK in honor or memory of someone you know who has been affected by this disease. Each year as we grow our event we save lives and the best thing about PINK Zone is ALL money raised stays local!!!

SIGNED this 12th day of February 2013

WINTER RECREATION ABOUNDS IN THE BEAVERHEAD-DEERLODGE NATIONAL FOREST

When the snow flies and it's time to get out the cross-country skis or crank up the snowmobile, southwestern Montana offers a paradise of breath-taking vistas, glorious solitude, and pure challenge.

Downhill skiers will find two ski areas in the Beaverhead-Deerlodge National Forest: Discovery Basin, just west of Anaconda, and Maverick Mountain, northwest of Dillon. Both are independently owned and operated, so contact the ski area for season and rate information.

For cross-country skiers, the National Forest offers both untracked powder for you to pioneer and groomed trails for you to follow. At Chief Joseph Pass, west of Wisdom on Highway 43, there's a 27-kilometer system of groomed trails. Volunteers from the Bitterroot Cross-Country Ski Club groom the Chief Joseph trails every Friday through the season.

At Wade and Cliff lakes, 50 miles south of Ennis, cross-country enthusiasts will find another network of groomed ski trails. The Wade Lake Resort is also open in the winter.

There's 22-kilometers worth of tracked cross-country ski trail loops near Elkhorn Hot Springs, and a five-kilometer marked loop trail at Birch Creek. Neither trail system is groomed.

At Georgetown Lake, you'll find a network of cross-country skiing trails as well as nearly 100 miles of marked and groomed snowmobile trails in the mountains around the lake. Stop in at the Philipsburg Ranger Station for a free map.

The Pioneer Mountains National Snowmobile Trail runs from Wise River to Elkhorn Hot Springs. You can also enjoy high-altitude snowmobiling in the Gravelly Range, south of Ennis, running along at 8,000 feet for 50 miles, while the view sweeps on forever.

Right off of Interstate 15, at either the Elk Park, Bernice or Basin exits, snowmobilers can find 117 miles of marked and groomed trails in the upper Boulder River, Lowlands and Cottonwood Creek areas of Jefferson County. This same set of trails can also be reached from the Deer Lodge exit on I-90. Maps of this trail system are available at Forest Service offices in Butte, Whitehall, Deer Lodge, and Philipsburg.

Maps are available for over snow vehicles (OSV) in the Pioneer Mountains. Pick up a map for the part of the Beaverhead-Deerlodge National Forest that interests you, to find out which routes are open to snowmobiles. Three maps cover the entire 3.3-million-acre National Forest and cost \$10 each.

As you make your plans for this winter, remember the Forest Service offers places to stay when you're way out in the middle of nowhere. You can rent backcountry cabins in the Beaverhead-Deerlodge National Forest, some of which can be reached only by ski or snowmobile. For a complete list of these cabins, visit the forest's website, <http://www.fs.usda/bdnf/recreation>. All cabins have basic amenities: beds, tables, chairs, wood stoves, and a supply of firewood. You must usually bring your own drinking water, bedding, towels, and food. Plan ahead, as many cabins get booked quickly for winter weekends. Rental rates are generally between \$20 and \$40 per night. To make reservations and to find out more information, call 1-877-444-6777 or go to <http://www.recreation.gov/>

LETTER TO THE EDITOR

BAD BILLS FOR SPORTSMEN

- HB 235, Corner Crossing Bill, would open access to 886,000 acres of public land. Allows a person to step diagonally from public land to public land. Defeated in the House Judiciary Committee, republicans voting against it. The sponsor will try to blast the bill out of committee on Monday, Feb. 18th, President's Day. Sportsmen are planning a rally. Sportsmen will wear hunter orange and rally in the capital gallery.
 - HB 147 Trespass Bill, co-sponsor Jeff Welborn. This bill sets the fines for trespassing, first offence \$135, second offense \$500. The offender may be subject to losing hunting, fishing, or trapping license for 3 years. And this bill requires restitution to the property owner for damages.
 - SB 249, sponsor Debby Barrett. This bill revises management of wolves which is OK, but this bill also revises management of elk, deer and antelope. FWP would be required to consult with county and tribal governments for any change in predator and big game management, and manage elk, deer, and antelope to populations at or below population objectives. This severely ties FWP hands when developing elk management plans and regulations.
 - SB 151, This bill takes away limited archery elk permits in the Missouri Breaks and other 22 hunt districts. The limited archery elk permits limit nonresidents to 10% of the number of permits. The limited archery elk permits are a great deal for residents, with 99% chance of drawing a trophy archery elk permit. Outfitters claim they are losing money.
 - SB 178, co-sponsored by Jeff Welborn. This bill will help correct the loss of funding to FWP and funding for block management, because of returned nonresident elk license (HB 607 by Jeff Welborn).
 - SB 250, SB 155 and SB 237 restrict Fish, Wildlife and Parks from acquiring additional lands for recreation or fishing access.
 - HB 274, Licensing of Outfitters and Guides. This bill removes requirements for outfitters to keep records and report to the Montana Board of Outfitters.
- Only HB 235 and SB 178 are good for Montana Sportsmen. The remaining bills are very bad for Montana Sportsmen.

Debby Barrett is on the Senate Fish and Game Committee. Jeff Welborn is on the House Fish, Wildlife and Parks Committee.

ALARMING NEWS

Did you know that 23% of adolescents (grades 8, 10 and 12) are either overweight or obese?

A few reasons why obesity rates are skyrocketing:

- Consumption of too many sugary drinks
- Limited access to healthy - affordable foods
- Unhealthy food choices
- Lack of regular exercise
- Increased portion sizes
- Technology: children ages 8-18 spend an average of 7.5 hours a day using computers, TV, video games, cell phones and watching movies. This sedentary time leads to snacking and overeating.

According to kidshealth.org, some of the lasting effects of childhood obesity are type 2 Diabetes, low self-esteem, depression, substance abuse, breathing problems (asthma, sleep apnea) liver and gall bladder disease, high blood pressure and high cholesterol. These issues may lead to heart disease, heart failure, and stroke as adults.

This information was gleaned from the Center for Disease Control.

WASHINGTON DOES NOT HAVE A SPENDING PROBLEM

Yes, that's right. The headline says it all. Nancy Pelosi said in an interview that Washington does NOT have a spending problem. In each of the past four years, the budget was over \$1 trillion out of balance, and \$6 trillion has been added during Barack Obama's tenure. But there's not a spending problem???
