## *STEFANI HICSWA NAMED NORTHWEST COLLEGE PRESIDENT*

POWELL, WY - Miles Community College President Stefani Hicswa, 44, will be the next president of Northwest College, according to an announcement by the college's board of trustees. Hicswa is expected to assume her new duties July 15.

She will replace Paul Prestwich whose resignation is effective June 30, after five years in the position.

"Dr. Hicswa has proven presidential experience and a familiarity with many of the same issues Northwest College is grappling with," said Mark Westerhold of Cody, chair of the NWC Board of Trustees. Westerhold added that Hicswa's approachable manner was well received by NWC students, employees and trustees alike. "We believe she'll bring new energy and new ideas to steer Northwest in a positive, forward direction."

Under Hicswa's six-and-a-half years at the helm of Miles Community College, the institution bumped its graduation rates to first among all post-secondary institutions in Montana and among the top community colleges in the nation. MCC's progress in academic and workforce outcomes during this period earned it two consecutive nominations for the Aspen Prize for Community College Excellence.

"I am thrilled to be offered the presidency at Northwest College," Hicswa said. "It will be an honor to serve the college and community. The community support for Northwest College is beyond anything I have seen in the 22 years I

have worked in community colleges.

"My first priorities are to get to know students and listen to the needs of faculty and staff. I will spend much of the first year learning about NWC and gaining insight from the incredible institutional memory of many long-standing employees."

Hicswa also said she will wear Trapper red proudly. "You make different decisions when you commit to leading a college for the long term. I am committed to NWC, the community and the state of Wyoming for the long term."

Among her primary duties when she arrives in Powell will be to help NWC reach its strategic goals for the upcoming years, which include improving completion rates while students are at NWC and their performance rates after they leave. She'll also be charged with improving college morale, supporting NWC's diversity initiatives, attracting a higher enrollment of local high school students, as well as increasing workforce development enrollment.

Hicswa has signed a two-year contract.

Hicswa earned a doctorate in educational administration from the University of Texas at Austin. The focus of her dissertation research was the role of community college presidents in rural community development. She holds a master's in adult, community and higher education from Montana State University in Bozeman and a bachelor's in organizational communication from the University of Montana in Missoula.

She and her husband, Scott, have two sons, Kalin, 8, and Keegan, 7. Stefani is the daughter of Dillon resident, Vicki Anderson who works at State Bank.

## BEAVERS FRIDAY NIGHT BASKETBALL

The Beavers boys and girls basketball team had a great night Friday with both teams coming out on the winning end of the court. Boys 70-44 and girls 52 to 43 over Corvallis Blue Devils.

Ben Folsom and Troy Scott were close with Troy putting in 18 points and Ben adding 17 for the night to lead the Beavers scoring. The third quarter stats had the Beavers with a 21-5 run that kept that game off balance in favor of Dillon. Boyd Jenne also added 15 in the nets on the night score board.

The Dillon girls were led by Alex Rouse with 18, and Courtney Linder with 12, while Cierra Lamey put in 9 and Audrey Schurg contributed another 8 points on the road.

## BEAVERS BOTH LOSE SATURDAY

The Beavers didn't fare as well Saturday as both teams lost their games. The boys fell hard to Stevensville 75-45. Each team had one loss, so Stevensville will take top spot and Dillon with No. 2. The Beavers struggled with shooting from the field. Boyd Jenne led the team with 16, Ben Folsom 9, Austin Carver 5 and Troy Scott and Trae Williams each had 4.

The girls also lost to the Stevensville Yellowjackets 41-32, in the last regular game of the season. Cierra Lamey came out with 12 points on the boards and Alex Rouse added 8 while Audrey Schurg put down 6.

## HISTORY REPEATING

***By: MJ***

TURN IN YOUR GUNS and the government will take care of you. Is this what the Indians were told just before they lost their freedom? Ask yourself why it is so important to the government to take the guns? Killings are done with; clubs, bats, hands, feet, fists, knives...

The government seems to be more worried about banning guns then they are about passing a budget and debt "Bill" to solve the economic problems. A budget would require the politicians to be accountable to the people for their spending. Is your elected representatives' spending your tax dollars for the betterment of America or their best interest?

The President and Congressman are all saying we need more laws to control the use of guns. They do not tell you about the National Firearms Act (1934), The Gun Control Act (1968), Firearm Owners Protection Act (1986), Brady Handgun Violence Act (1993), Assault Weapons Ban (1994), and Gun Free School Zones Act (1995). Your elected officials are playing on your emotions and not facts. Look the above acts and decide for yourself if there are adequate regulations already in place.

Lincoln said: "We the people are the rightful masters of both Congress and the Courts, not to overthrow the Constitution but to overthrow the men who would pervert the Constitution.
