**"Phishing" email Targeting Employers
Makes Second Round in Montana**

The Montana Department of Labor and Industry is warning Montana employers of a "phishing" email that asks for information regarding former employees' wage and separation information. "This is the second time within a few months that this e-mail has hit Montana", said Labor Commissioner Pam Bucy. "We are alerting employers about the scam, so they don't unknowingly give information to a potential identity thief."

The email references the Division of Unemployment Assistance (DUA) and the need for former employees' information in relation to a claim that has been filed. The Montana agency responsible for unemployment insurance is the Montana Unemployment Insurance Division (UID).

The Department of Labor and Industry's Unemployment Insurance Division's business practice is to make requests for confidential employee information by telephone, USPS mail, fax or the secure file transfer system for Montana, ePass. Montana UID staff do some non-confidential exchange of information via email, in which case the email includes the staff person's name, position, phone number and the "mt.gov" extension in the "From" email address.

Bucy recommends that any Montana employer receiving this fraudulent email not reply with any information and delete the email.

Should employers have questions concerning emails that purport to be from the Montana Unemployment Insurance Division, contact the Montana UID fraud investigator at (406) 444-1709 or email dliuidci@mt.gov.

with the Montana Congressional Delegation's Veteran Liaisons**

Thomas W. Straugh, CAPT USNR (ret)

Legion Post 20 Vice Commander

American Legion Post 20 (Dillon's own) has received commitments from Bruce Knutson, Johnathon Kenneway, and Denny Lenior to attend our second annual veteran's liaison dinner. They are the veteran's liaisons for Senator Tester, Senator Baucus, and Representative Daines. They will be here to present the legislative hopes of their bosses, to answer questions from veterans, and most importantly, to listen to veterans' issues.

Mike Hall, veteran and job service employee, will also be on hand to assist veterans with job listings and other on-line activity.

The meeting will be held at the Dillon National Guard Readiness Center on Highway 41 just north of Dillon. The agenda is 18:00-18:30 social half hour. 18:30-19:00 Legion Post business meeting (liaisons and veterans may withdraw to other spaces to continue or initiate individual issues plus Mike Hall will be there to help job search). 19:00 to 19:45 will be meal time (corned beef and cabbage is the menu) 19:45-21:00 will be a panel discussion...each liaison will be given 5 to 10 minutes to state the agenda for his boss followed by questions from the veterans with time for veterans to make statements.

All veterans are invited to attend this Legion meeting. Meal cost will be \$7.00. Please remember that we are meeting in a governments facility which means no alcohol or tobacco use in the building.

LETTER TO THE EDITOR

Jeff, I want to set the record straight on the "Corner Crossing Bill"

Jeff, the Montana Supreme Court has not ruled on corner crossing. You must be referring to other Supreme Court cases that pertain to "air space" and assuming that they would apply to the corner crossing case. The Goetz Law Firm is the premier access law firm in Montana. They defended the Stream Access Law in the Montana Supreme Court. The Goetz Law firm prepared a legal opinion stating "HB 235 aims to decriminalize corner crossing on public land, and does not constitute a taking under either Article II, Section 29, of the Montana Constitution, or the Fifth Amendment of the U.S. Constitution". You are misleading people saying the Supreme Court has already ruled on corner crossing. And:

HB 440 eliminates the ability of FWP to use Habitat Montana funds to acquire any additional lands for 2 years. Only easements can be purchased. But purchasing and easement assumes there is a willing grantor.

HB 404 diverts Habitat Montana funds to Block Management. Block Management is having financial difficulties because of your HB 607, allowing non residents to return elk licenses if not successful in a limited elk permit drawing. So, if Habitat Montana funds are reduced, where will FWP get the funds to purchase easements, as you suggested.

HB 444 is a good bill but, you left out a critical part. This bill allows a tax credit for granting access to STATE LAND. This does nothing to open up Federal lands. And federal lands make up most of the 860,000 acres of public land that the corner crossing bill would provide access to. The federal lands are part of the checker board, rail road sections.

HB 235, the corner crossing bill, is important because it would provide access to over 860,000 acres of public lands.

And further, SB 250, SB 155 and SB 237 restrict Fish, Wildlife and Parks from acquiring additional lands for recreation or fishing access.

In the 2013 Legislative Session, republicans have sponsored and passed several bills that restrict Fish, Wildlife and Parks from acquiring additional land. FWP lands are PUBLIC LANDS. Is it FWP, or the public that you don't want to have additional land, or additional access?
