SHERIFF'S OFFICE

Jay T. Hansen, Sheriff • William L. Knox, Undersheriff

The Montana Sheriffs & Peace Officers Association (MSPOA) of which I have been a member for 28 years, is committed to public safety. Each of our members has taken an oath to uphold and protect the Constitution of the State of Montana and the United States Constitution, including the Second Amendment.

The MSPOA and I believe in the Second Amendment of the United States Constitution, which guarantees the right of the people to keep and bear arms and that this right shall not be infringed. It is important to note that no legislation affecting this right has been introduced.

As our state and country continue to discuss and debate gun control legislation, the position of our association remains steadfast: MSPOA and I will not waver in our defense of the Constitution and will stand to preserve our constituents' right to possess firearms and the protections insured by the other nine amendments contained in the Bill of Rights. Further, MSPOA and I feel that any legislation that takes away constitutional protections, including gun rights, from law-abiding citizens will not alleviate or eliminate the threat from violent or mentally ill individuals. In fact, it would expose our law-abiding neighbors to violence with fewer resources to counter with.

Recently, America has endured violent assaults on children and adults at the hands of criminals who have used firearms as well as other weapons. MSPOA and I do not believe that the fault lies with the weapon, but often lies with the mentally disturbed individual who wields it. MSPOA and I have long supported the efforts of the mental health community and will continue to do so.

As professional peace officers, elected and sworn to uphold both the State and U.S. Constitutions, we additionally believe in the importance of the division of power and roles of each of the three branches of government, at both the state and federal level. We feel that now is the time to discuss violence in its totality not simply as an issue of "gun" violence. Violence is a result of a breakdown of the family, persistent gang and drug activity, lack of proper mental health treatment and the proliferation of violence in the media, just to name a few. The discussion must include stakeholders from all disciplines who are dedicated to and willing to address the myriad and complex issues related to the safety of our communities and our country.

I remain committed to the safety of the citizens of Beaverhead County and the State of Montana. Together with the MSPOA, we will dedicate efforts toward active participation in the legislative process and the protection of the rights of the people of our state. We welcome and encourage our neighbors' active participation in this process as well. As Congress and the Montana legislature debate issues surrounding violence, the Second Amendment, and gun rights, the MSPOA and I will insure that our voices will be heard.

Respectfully,

Jay T. Hansen, Sheriff

COUNTY LAW SUIT SETTLED

By: MJ

Beaverhead (BVHD) County entered into a contract with Coleman Construction Inc. August 25, 2009 resolving the Blacktail Deer Creek winter flooding problems.

At the commissioners meeting February 25, 2013 it was announced that the county has signed a Settlement Agreement and Mutual Release between Colman Construction, Inc., Beaverhead County, Robert Peccia & Association Inc. and OASIS Environmental, Inc.

The total fixed contract signed between BVHD County and Colman Construction Inc. was in the amount of \$1,563,549.98 including change orders. County paid \$1,255,569.63 to Coleman Construction, with a balance of \$307,979.95 withheld from payment pending the resolution of claims and disputes.

Reason disputes happen and' law suits' are filed might be because of problems that were not addressed in a contract, and or issues addressed in a contract that were not done in a timely & proper manner for some reason or another.

1. Colman Construction was asked to work in 10 times more water in the creek because the water could not be diverted into the Dillon Canal as contract indicated it could be. (Added cost and time)

2. Easements were not acquired as the contract stated. (Added cost and time)

Settlement Sum to be paid to Coleman Construction Inc.

Paid by County \$450,000.00

Paid by RPA (engineering firm) \$150,000

Paid by OASIS(engineering firm) \$100,000

If Colman's work was incomplete or poorly done then he would not get paid (as it should be). Would it be right for Coleman to pay for costs that were incurred do to mismanagement of others?

Every coin has two sides. A fair assessment is done when all data is out in the open. County closed the meeting last week to the public where discussions and decisions were made.

UMW BULLDOGS FINISH SECOND IN FRONTIER

University of Montana Western men's basketball team will head into the Frontier Conference playoffs on a five-game winning streak after hosting Montana Tech and Lewis-Clark State College on Thursday and Friday, Feb. 21 and 22.

On Thursday, the Bulldogs battled with rival Montana Tech for the full 40 minutes before holding on to a 59-58 win. Friday, in perhaps their best game of the year, the Bulldogs upset fifth-ranked Lewis-Clark State 74-58.

Jake Owsley put up 19 points and 12 rebounds for his eighth double-double of the season. Jordan Overstreet chipped in 14 followed by Gabe Rucker and Tyler Miller with nine apiece. Rucker also dished six assists and picked up three steals.

In their third straight week playing a ranked conference opponent, the Bulldogs were again able to get the upset, this time against fifth-ranked Lewis-Clark State in a 74-58 blowout.

The Bulldogs scored 14 unanswered points in the opening six minutes and led by as much as 20 points in the first half. Montana Western shot 53 percent (17-32) from the floor and 56 percent (5-9) behind the arc. Montana Western continued to add to their lead, going up by 29 at the 7:49 and 5:01 marks.

Tyler Miller led all scorers with 18 points followed by Jake Owsley with 13 and Jordan Overstreet with nine. Kris Castro pulled down eight rebounds while Maazin Butler dished four assists. Gabe Rucker had five assists to go along with his five steals.

The home finale was also a tribute to lone senior Vince Turk, who came off the bench for some valuable minutes. He contributed seven points, four rebounds, two assists, a block and a steal during his memorable senior night.

With the weekend sweep, Montana Western finished the regular season with a 21-8, 11-5 record and earned the second place spot in the Frontier Conference.

In the conference semi-finals on Saturday, March 2, top seeded Lewis-Clark State will host the lowest remaining seed and Montana Western will host the highest remaining seed. The semi-final winners will play for the championship at the highest remaining seed on Tuesday, March 5.

SPRING TURKEY PERMIT DEADLINE

Montana's spring male turkey hunting season begins April 13, and the deadline to apply for a Montana spring turkey permit, needed for some areas, is March 7.

Hunters need to apply for a special permit by March 7 to hunt turkeys in most of Region 3. Hunt areas needing a special permit fall within the counties of Broadwater, Lewis and Clark, Gallatin, Madison, Park, Beaverhead, Jefferson, and Silver Bow.

Resident and nonresident spring turkey permit applications are available on the FWP website at fwp.mt.gov. Go to the Hunting page, click "Licenses and Permits" then "Paper Applications." Applicants must have a 2013 conservation license to be eligible to apply. There is a \$5 application fee. Permits are also needed for Powell, Mineral and portions of Granite County in FWP's Regions 2, and in Cascade County in Region 4. Check the spring turkey permit application for details.

AMERICAN LEGION POST 20 PLANS MARCH 6, 2013 DINNER

for All Local Veterans with the

Montana Congressional Delegation's Veteran Liaisons

Thomas W. Straugh, CAPT USNR (ret)

Legion Post 20 Vice Commander

American Legion Post 20 (Dillon's own) has received commitments from Bruce Knutson, Johnathon Kenneway, and Denny Lenior to attend our second annual veteran's liaison dinner on March 6, 2013. They are the veteran's liaisons for Senator Tester, Senator Baucus, and Representative Daines. They will be here to present the legislative hopes of their bosses, to answer questions from veterans, and most importantly, to listen to veterans' issues.

Mike Hall, veteran and job service employee, will also be on hand to assist veterans with job listings and other on-line activity.

The meeting will be held at the Dillon National Guard Readiness Center on Highway 41 just north of Dillon. The agenda for the March 6 meeting is:

18:00-18:30 social half hour.

18:30-19:00 Legion Post business meeting (liaisons and veterans may withdraw to other spaces to continue or initiate individual issues plus Mike Hall will be there to help job search).

19:00 to 19:45 will be meal time (corned beef and cabbage is the menu)

19:45-21:00 will be a panel discussion...each liaison will be given 5 to 10 minutes to state the agenda for his boss followed by questions from the veterans with time for veterans to make statements.

All veterans are invited to attend this March 6 Legion meeting. Meal cost will be \$7.00. Please remember that we are meeting in a government's facility which means no alcohol or tobacco use in the building.

SHERIFF'S OFFICE

Jay T. Hansen, Sheriff • William L. Knox, Undersheriff

The Montana Sheriffs & Peace Officers Association (MSPOA) of which I have been a member for 28 years, is committed to public safety. Each of our members has taken an oath to uphold and protect the Constitution of the State of Montana and the United States Constitution, including the Second Amendment.

The MSPOA and I believe in the Second Amendment of the United States Constitution, which guarantees the right of the people to keep and bear arms and that this right shall not be infringed. It is important to note that no legislation affecting this right has been introduced.

As our state and country continue to discuss and debate gun control legislation, the position of our association remains steadfast: MSPOA and I will not waver in our defense of the Constitution and will stand to preserve our constituents' right to possess firearms and the protections insured by the other nine amendments contained in the Bill of Rights. Further, MSPOA and I feel that any legislation that takes away constitutional protections, including gun rights, from law-abiding citizens will not alleviate or eliminate the threat from violent or mentally ill individuals. In fact, it would expose our law-abiding neighbors to violence with fewer resources to counter with.

Recently, America has endured violent assaults on children and adults at the hands of criminals who have used firearms as well as other weapons. MSPOA and I do not believe that the fault lies with the weapon, but often lies with the mentally disturbed individual who wields it. MSPOA and I have long supported the efforts of the mental health community and will continue to do so.

As professional peace officers, elected and sworn to uphold both the State and U.S. Constitutions, we additionally believe in the importance of the division of power and roles of each of the three branches of government, at both the state and federal level. We feel that now is the time to discuss violence in its totality not simply as an issue of "gun" violence. Violence is a result of a breakdown of the family, persistent gang and drug activity, lack of proper mental health treatment and the proliferation of violence in the media, just to name a few. The discussion must include stakeholders from all disciplines who are dedicated to and willing to address the myriad and complex issues related to the safety of our communities and our country.
