DOLLIE WOULD LIKE TO SAY GOODBYE

Minerva (Dollie) Miskowic will be leaving soon to be with her Lord and Savior in her heavenly home.

Dollie would like to say goodbye and Thanks to all her wonderful friends and family before she departs on her Journey. She enjoyed meeting everyone and would like you to know she will be looking out for you from

above. Dollie prays for God to send special blessings for you.

Dollie welcomes all your thoughts and prayers on her behalf. If you would like to come by or call to say goodbye in person please feel free to do so at 10 Hughes Lane, Dillon MT. 406-683-8112.

Dollie's tip for cane users: Take an address label, Write your phone number on it and stick it on your cane. (The label may need to be trimmed to fit.) They are small, easy to read, and stay on well.

Rosa Lee Thurman, 71

Rosa Lee Thurman, 71 of Dillon, Montana passed away at Barrett Hospital and Healthcare on March 20, 2013. There is a memorial service scheduled for Tuesday, March 26th at Brundage Funeral Home at 3 PM with a pot luck reception following in the Bicentennial Day Room. A full obituary will follow on Monday.

WWII Pilot, Joe Carroll, Authors Book

Joe Carroll of Dillon has penned a memoir, "A While in the Wild Blue", about his life as a pilot during World War II. Joe grew up in Beaverhead County and graduated from BCHS in 1940. After hearing that Pearl Harbor had been bombed Joe enlisted in the U.S. Army Corps as an aviation cadet for Pilot, Bombardier or navigation training. This book is a first hand account as seen through the eyes of a young man from Montana. His exploits took him from Dillon to Texas, Iceland, England, Germany, France and many places in between.

Joe's tells his story (and the story of many others) with a combination of pride, humor and seriousness. "A While in the Wild Blue" is filled with photographs of his family and of people that shared this time in history with him. There will be a reception honoring Joe at The Bookstore on Saturday from 1:00-3:00 pm. Get your copy signed and hear a story or two.

Eminent Domain Legislative Hearing SB 180

By: MJ

Hearing to be held Friday, March 22, 2013 @ 3:00 pm.
If you are interested in commenting please call, email, or
attend the hearing

CALL 406-444-4800 -- leave a message for the Federal
Relations, Energy and Telecommunications Committee.
SEND MESSAGE ONLINE:

<http://leg.mt.gov/css/Sessions/63rd/legwebmessage.asp>

FAX a letter: 406-444-4875

Talking Points:

SB 180 repeals the power of eminent domain to a per-
son issued a permit by the Montana Department of Environ-
mental Quality (MDEQ) under the Major Facility Siting Act
(MFSA) codified at §75-20-113, MCA.

Why SB 180 being introduced?

- To return to a more equitable balance between landowner and condemnor.
- MFSA was not designed to address the taking of private property.
- MFSA permitting does not necessitate a public use requirement for approval.
- Currently, the landowner is deprived constitutional protections for private property.

What Happens If SB 180 Passes As Amended?

- Development in Montana will not come to a screeching halt if SB 180 passes.
- Utilities such as Northwestern Energy and the Rural Electric cooperatives can still build distribution power lines.
- Common carrier pipelines will still have the state's power of eminent domain.
- The power of federal eminent domain will still apply to railroads.
- Montana landowners will not be deprived the current procedural and constitutional protections for private property.
