GLOBAL WARMING & EARTHWORMS

By: MJ

Good and bad about an earthworm. Scientific studies have been done that show earthworms make a significant contribution to global warming. An earthworm's life is also very beneficial to the earth. They make the soil more porous while hiding carbon dioxide under the ground. The worm interacts with microbes that produce carbon dioxide.

A team of scientists from U.S. and other countries found that worms increase global-warming by as much as 16 percent.

Not to worry. Humans are still producing the most carbon dioxide emissions.

UMW SENIOR HAILEE PELLETIER TO PRESENT THESIS APRIL 8

University of Montana Western student Hailee Pelletier will present her senior thesis on April 8 at 7:30 p.m. in the Small Auditorium, Main Hall 314, on the Montana Western campus.

Pelletier, a Dillon, Mont. native, is majoring in literature/writing and drama. The thesis concerns the development of musical theatre with an emphasis on Andrew Lloyd Weber and "The Phantom of the Opera."

"I chose this topic because I love musical theatre more than any other form," Pelletier said. "The stories they tell are so real and emotionally charged that they can leave a person breathless with wonder."

The event is free and open to the public.

AMERICAN LEGION POST 20 MEETING

The American Legion Post 20 meeting will be held on Wednesday, April 3rd at the Legion Hall on 437 E. Glendale St. with a social hour from 6:15-7:00 followed by dinner at 7:00 pm and meeting at 8:00 pm. Chef Chuck Thompson will be cooking. Veterans and members are invited.

THINK FOR THEMSELVES

Lawmakers are changing how they think, or maybe just how they vote on issues of gay marriage. The shift goes along with the way one and seven American have changed they minds in support of gay marriage. Most say the change in Americans views are because they have friends, family or acquaintances who are gay or lesbian and they have become more tolerant and more aware.

Lawmakers are feeling safe in backing gay marriage - is it because they believe it is right or are they staying with voters for support so they are not the last one to say its ok.

★ ★A SPECIAL OFFER★★

Do you suffer from "Clutter Sickness"? Do you suffer from Cluttertis? Are most of your days in a clutter flutter? I have the answer for you! For just $19.95 I will send you my new book on "Clutter Therapy". This book is just for you, but wait there is more. For an additional $19.95, no strings attached I will send you a months supply of my safe, "clutter pills." These pills were tested in our own special laboratories or was it our own lavatories. I get those two places mixed up. These pills were not tested on live animals....we killed the animals first and then they were tested. There are a few side affects but nothing to worry about. The side effects include bleeding of the toe-nails, slurred speech, but this only happens on months that have thirty days. Drowsiness has been a factor but only when awake. In rare cases, only 97 percent, barking and snarling have replaced smiling and joy. For a complete list of side effects we will send you free of charge the 78 page of side effects. Just include $35 dollars for shipping and postage.

I know you will enjoy reading my new and improved book, "Clutter Therapy". Here is one testimonial given by a convicted murderer living in solitary confinement for the past thirty seven years. "After reading ,"Clutter Therapy", my mind has changed, my cell doesn't seem unsociable as in the past. I would recommend this book to any person that has a cluttered mind like mine." Another testimonial given by my own Mother, who you can trust with confidence. "Please send for this book, my son needs the money and he needs to repay me for excruciating years I have had to put up with him." "Thanks for your understanding."

I know you will feel better after reading this book that is jam packed with prevarication's and misrepresentation. This entire book, took me twenty seven years to compile and it is a complete pile. All sixteen pages, double spaced not to clutter the page will give you complete satisfaction and will leave you with that distraught feeling of awe.

So don't put off today and any other day, send for this book and a free sample of "clutter pills". The free sample, if you order this week is only $53.45 plus shipping and handing which will be added to the surcharge at no additional cost to you.

Enjoy this special offer and a Happy April Fools Day to Me.

GOVERNMENT SPENDING

By MJ

External appearance is not much of an indicator or predictor of what kind of person you are. It matters not what your skin looks like on the outside -- it does matter what the condition of your heart and mind are on the inside.

America has a rich diverse background. Many migrated to America to escape oppressive and unfair governmental systems, make a better life enriching them through hard work. PROBLEM IS: Along with success and riches come greed, avarice, want and need to process (materialism) and many other unethical behaviors.

Today America is facing crucial budget problems. Following are a couple ideas to cut the debt.

Examples: 1) Market Access Program (MAP) is a program aimed to help agricultural producers promote U.S. products overseas. MAP funnels millions of dollars to large, profitable corporations and could be titled "corporate welfare program." Elimination of MAP could mean a savings of 1± billion over 5 years. 2) Eliminate the sugar, dairy and peanut programs. Subsidies and price guarantees to producers of sugar will cost taxpayers about $6 billion over 5 years, subsidies for dairy products estimate is 5.7 billion over 5 years & government support for peanuts will cost about $275 million over five years.

Budgets have a history in U.S. of being a problem. Operating within a balanced budget program would restrain overspending. However; a budget would put parameters on Congress and President's spending policies. It appears that elected officials throughout governemnts are having a problem with creating the budget and or operating within it.

Take an interest in your government. Educated yourself by asking questions and giving suggestions to the elected officials. *Stop blaming and ridiculing the left, the right, the tree hugger, republican, democrat, liberal, Tea Party...*

Take a look at yourself and ask yourself; what you are doing to make sure your elected officials are spending your hard earned tax dollars efficiently. Do you vote, send a text, make a call, attend a town hall meeting or do you sit back and tell yourself that it makes no difference and sit around coffee table complaining because your favorite trail has been closed...

UMW FINE ARTS PRESENTS 'CANTERBURY TALES' APRIL 4, 5, 6 & 8

The University of Montana Western Fine Arts Department presents Geoffrey Chaucer's "Canterbury Tales" on April 4, 5, 6 and 8 in the Beier Auditorium on the Montana Western campus.

The production will be directed by UMW student Ryan Backus. Backus, a Dillon, Mont. native, is pursuing a secondary education, English degree with a minor in drama. "Canterbury Tales" is his second production for Montana Western.

"I plan to be a high school drama teacher, so directing these plays has been amazing experiential learning for me," Backus said.

Performances begin at 7:30 p.m. on April 4 through 6 and a 1:15 p.m. matinee will take place on Monday, April 8. Tickets will be available at the door and are $8 for adults and $5 for children and students.

PHOTO CAPTION: From left to right, business management and exploratory/liberal studies student Terra Van Overbeck; elementary education and literacy education student Erik Schwab; and elementary education and drama student Nicole Carpenter.

NEW FIREWOOD PERMITS AVAILABLE

New Forest Service firewood permits will be available for purchase at Forest Service offices beginning April 1. The annual permit allows firewood cutting through March 31, 2014.

The cost of a firewood permit from the Beaverhead-Deerlodge National Forest is $20 for a minimum purchase of four cords. Additional cords may be purchased for $5 per cord up to a total of 12 cords per individual per year.

A cord is the amount of tightly piled wood in a stack four feet high by four feet wide by eight feet long.

The permit allows woodcutters to remove downed timber or to cut down standing dead trees under most conditions in the national forests and grasslands in Montana, northern Idaho, and parts of North and South Dakota, and on lands administered by the Bureau of Land Management in Montana and northern Idaho.

Woodcutters are reminded to keep vehicles on designated roads and trails. Don't drive off designated roads.

For more information, check the firewood permit and the Forest Service's firewood handout available from agency offices and at www.fs.usda.gov/bdnf. Beaverhead-Deerlodge NF offices are located in Wise River, Wisdom, Philipsburg, Deer Lodge, Butte, Dillon, Whitehall, Ennis, or Sheridan. Permits may also be purchased from Bureau of Land Management offices in Butte and Dillon. Forest Service and BLM offices are open weekdays, from 8 a.m. to 4:30 p.m.

The BLM and the following businesses will have permits available to sell after April 5: Anaconda: Hardware Hank; Boulder: Ace Hardware; Wise River: Wise River Mercantile; Ennis: True Value Hardware; Sheridan: McLeod Mercantile; Butte: Bob Ward and Sons Sporting Goods; and Harrison: Wheat and Thistle General Store: and in Lima at Ralph's Exxon.
