It is time to file your 2013 Annual Report, if you haven't done so already.

Montana law requires every Corporation and Limited Liability Company (LLC) to file an Annual Report and pay the associated \$15 filing fee by 5 p.m. (MST) on April 15 in order to continue to do business in the state. Postmarks are not accepted.

NOTARY TRAINING

Applying for a Notary commission, or looking to refresh your skills? There will be a class for you! Live training in Billings, Missoula, Great Falls, and Helena.

Not only do our live and online classes fulfill the statutory requirement for new notaries, they are an excellent review for currently commissioned notaries looking to refresh their knowledge on best practices for protecting themselves, their employers and the public from fraud and forgery.

The Secretary of State's Office hosts both the in-person and eLearning training courses free of charge. All live classes have been approved for 3.5 CLE credits by the State Bar of Montana. The online program is broken into five, 20-30 minute modules which can be completed in intervals or all at once.

IN SEARCH OF EQUALITY EQUALITY

Last week, Rush Limbaugh said he thought the battle over marriage was lost as soon as rhetorical concessions such as "same-sex marriage" versus "traditional marriage" were made.

Objections have been raised that Limbaugh over-stated the importance of language control to winning this particular debate, but I don't think anyone truly doubts it's an important factor. In fact, it might now be impossible to win the debate over any issue - particularly social issues - without first controlling the language. Both the "pro-life" and "pro-choice" sides of the abortion debate have been contesting the language for decades.

If marriage is, by definition, the union of a man and a woman, there is no "equality" issue to be debated.

weightwatchers 360°

Weight Watchers 360° offers exclusive tools designed to help you make smart choices anytime, anywhere. The program is designed to help you stay in control no matter what the surroundings or the situation, and set you on a path for long-term success. Which tools have been working for you so far? Are there ways you could change in some areas? These questions will help you get a sense of where you've been successful, and where you could still use a little help.

Think of the Good Health Guidelines as a basic roadmap to frame healthier eating habits.

Planning your activity in advance means you're more likely to follow through and stick with it.

Willpower alone just doesn't cut it. Stop by the meeting tonight at the Assembly of God Church 6:00 pm.

USED & BROKEN CELL PHONES

The Women's Resource/Community Support Center NEEDS YOUR HELP! As many of you already know the Resource Center collects used & broken cell phones. When we have collected at least ten cell phones we send them into Shelter Alliance. They then recycle the cell phone parts, helping to promote reuse, reduce, and recycle. The Resource Center has been invited to participate in a fundraising opportunity through the Shelter Alliance program. Until June 30, 2013, for every 10 phones collected, Shelter Alliance will enter our organization into a \$600 drawing The Resource Center, if selected, will use the money to take our Middle School Girls Group, on a terrific adventure! Please help us reach our goal. You can drop your used or broken cell phone off @ the office M-F, 9-5. We appreciate all the help we can get!! Together we are "People Helping People".

I do not hate the Democrats...

By Chuck Dishno 3/31/13

About 70 years ago when I was a wee lad, growing up in Oregon, I made the mistake of using the word hate. My mother and grandmother immediately jumped on me telling me never to use that word again for anything. They said it was the worst word in the English language. I have tried to follow their advice and not use it.

I may dislike, broccoli, beets and Brussels sprouts but I certainly don't hate them just. There are other things I dislike in life, colonoscopies topping the list but never say I hate them.

In a recent letter to the editor in both the Dillon Tribune and the Dillonite Daily, the author stated how much the Republicans hated President Obama and the Democrats.

I take exception to this and don't think it is true. They certainly dislike him and his bunch of cronies but do not hate him; after all he is the President of the greatest country in the world.

They dislike the way he is leading us down a path of un-recoverable destruction with his impending taxes,

They dislike the way he has added almost 6 trillion dollars in new debts since taking office a mere 4 years ago, and much more to come if allowed to continue in the way it is. This will saddle or grandchildren and perhaps their children if it is not stopped.

They dislike Obamacare and how it was passed with people like Nancy Pelosi saying "we must pass it to find out what's in it." It will continue to increase, driving up health costs until no one can afford to even have a cold.

They dislike how he is holding back progress by taxing the rich and industry. Not giving them incentive to build on the future as we have done in the past. Give these people tax breaks and you will see a financial boom the likes not seen since the 1920's.

They dislike the way he is sitting on the greatest oil reserves in the world and not allowing us to tap it.

I am not a very intelligent person but I have the ability to think and act for myself and not be bamboozled by greed and power just by following party lines. We, as country must "hoist ourselves by our own bootstraps" and not be led by someone who seems to have no vision except to see himself as the greatest president ever.

We cannot tax our selves into prosperity as other countries have tried to do. It just doesn't work. We must give the little guy a break and he will see us thru.

No we do not hate President Obama or the Democrats but we do dislike them and their blind policies.

Sexual Assault Awareness Month

The month of April is National Sexual Assault Awareness Month (SAAM) and also Child Abuse Prevention Month. The national motto is "It's Time to Talk About It". The Women's Resource Center promotes that parents start talking with their children about healthy childhood development to prevent child sexual abuse through talking and supporting one another.

The Women's Resource Center is sponsoring "Flamingo Flocking" to bring these two serious matters to light and start conversations about sexual assault and child abuse. You can "flock" your friends and neighbors for a small fee and help our cause. We can set up 12, 24, or 36 flamingos in your friend's yards during the evening hours and when your friends wake up in the morning, they find out that they have been "flocked". The cost for 12 birds is \$10.00, 24 is \$15.00 and 36 birds is \$20.00. Members of the community can also contact us, and for a minimum fee of \$10.00, will put you on our "Anti-flocking" list, so if a friend wants to have you "flocked", you will not find pink flamingos in your yard. The WRC will conduct this fundraiser for the entire month of April to promote the end of sexual assault and child abuse both within our own communities and nationwide. To bring these two serious matters to the public's attention, the Women's Resource Center of Dillon is sponsoring a fundraiser. All proceeds will go towards the upkeep and maintenance of the Safe House in Dillon. The Safe House is utilized by both Beaverhead and Madison counties, for survivors of sexual abuse and domestic violence.

DILLON WIC OFFICE CHANGES HOURS

As of Monday, April 1st, the Dillon WIC office will only be open and seeing clients on Mondays from 10-12 and 1-5. If you need to make an appointment, please call 683-9811 and leave a message or call 406 563-7863.

We are restructuring the Dillon WIC office and we thank you for your patience.

Letter to the Editor:

I Question Senator Debby Barrett

Senator Barrett, in your Dillon Tribune article of 3/27/2013 you stated "SB249 is just good sound management of wildlife". This is misleading. SB249 is your HB42, sunset in 2009, resurrected. HB42 mandated FWP to reduce elk populations to, or below management objectives. HB42 forced FWP to have 5 weeks of either sex elk seasons, and 3 weeks of extended either sex elk seasons. This mandate devastated elk numbers on public lands, where elk were accessible, and contributed to an explosion of elk numbers on private lands, closed to the public hunting. SB249 is titled "Policy for management of large predators", but it also includes the same language as HB 42, "Shall maintain elk, deer and antelope populations at or below population estimates", with the mandate, "the commission shall comply with, adopt policies that comply with, and ensure the department implements in each region the provisions of state wildlife management plans".

And your statement, "in SD36, agriculture is the industry that supports the tax base. That means that the taxes farmers and ranchers pay each year funds the greatest portion of the revenue to educate our children, maintain roads, and provide vital services". I support agriculture, but your statement is not accurate. From the Montana Department of Revenue Biennial Report, in Beaverhead County, for 2012: the total taxes paid for Class 3 Agricultural Land plus Class 8 Farm Implement Equipment was \$2,248,512; Class 4 non agriculture land taxes was \$7,929,504; 3.5: 1.
