## Prisoner Of War Recognition Day

This day is usually held the 9th of April of each year.

On April 9th 1942 Bataan Falls to the Japanese. This date was to become a day that we would Recognition the Living Prisoner Of War for ALL Former Prisoners of War. It is now 2013 and there are not too many still living of whom have been held Prisoner Of War by a hostile force. Due to the lack of Funds, We now wait until sometime around the 17th of September to remember those of whom were POW/MIA. Please take the time to remember the families that had and or have a member that was a Former Prisoner Of War.

## SEQUESTER SURVIVAL PACK

*Submitted by Chuck Dishno*

Just wanted to let you know - today I received my Sequester Survival Pack from the White House.

It contained an 'Obama Hope & Change' bumper sticker, a 'Bush's Fault' poster, a 'Blame Boehner' poster, a 'Tax the Rich' poster, an application for unemployment, an application for food stamps, a prayer rug, a letter of assignment of debt to my grandchildren and a machine to blow smoke up my ass.

All directions were in Spanish.

Keep an eye out. Yours should arrive soon.

## HEADLINES DON'T SAY IT ALL

The Montana Stanard and many other papers are saying the GOP leaders acted legally which lead to a temper tantrum from the Democrats last week on the state Senate floor.

The Republicans were trying to get some referendum bills to be sent to the House and the deadline was Friday.

The Democrats tried a call of the Senate which prevents action on those bills until all senators are present or two-thirds of the senators vote to life the call.

Senator Shannon Augare, democrate from Browning was absent for some unknown reason.

The Republicans pressed to move on and the democrats stood in protest, banged on their desk to try and stop the action, and now say they will sue to get the votes on the bills to not count.

The Senate Rules Committee upheld the votes to be legal.

The problem now seems to be - WHAT - what are a bunch of grown people doing that we send to represent us. The business needs to get done. If you are to be there to do you job, be there. If you know that it is an important day to conduct business, if you have to be gone, life does go on, and should. Lets tell both sides (Republicans) and (Democrats) to focus on getting the job done we sent them to do. Conduct as much business as possible and represent (WELL) the people who sent you there.

If our children or students acked like that when we sent them to respresent our schools they would all suffer some form of suspension, detention, wright ups, something.

Act like children and maybe that is what we should do. Take all of them and put them in time-out. (NO PAY) Or if our businesses were run like that we would not get the job done and the business close or the employees gone.

Grow up and get on with the business we sent you there to do on our behalf. Both sides of the isle need to work for us and do their jobs. If we, who send them to Helena don't like the job they do, we can change who is up there next time. That is how the system works. There is a lot of work to do in the last of the session so get on with it.
