SHERIFF'S OFFICE

Press Release
April 15, 2013

Nearly 20 percent of teens admit to abusing prescription drugs in the past year, according to the Substance Abuse and Mental Health Services Administration (SAMHSA). The Partnership for a Drug Free America reports that the majority of teens agree that prescription drugs are easier to get than other illicit drugs, including 63 percent who believe that prescription drugs are easy to get from their parents' medicine cabinet. Additionally, 70 percent of those who use prescription meds for non-medical purposes obtain those drugs from a friend or family member.

The Beaverhead County Sheriff's Office will once again coordinate its sixth collaborative effort with state and local law enforcement agencies, focused on removing potentially dangerous controlled substances and other medications from our community's medicine cabinets. If you are interested, please bring all of your unused medications and drugs to the Sheriff's Office and deposit them anonymously in the **Prescription Drug Drop Box** in the foyer of the Law Enforcement Annex of the Courthouse. The event will take place during the week of April 22, 2013.

For residents who would like to participate in this event please note the following information:

- Residents may bring expired or unwanted medications to be disposed of.
- Participants are encouraged to remove or blackout any personal information on the containers.
- Drop-offs are confidential and free of charge.
- The following items *cannot* be accepted: sharps/needles, chemo/radioactive drugs, liquids, or other, non-pharmaceutical waste.
