Minerva Elvira "Dollie" Miskowic

Minerva Elvira "Dollie" Miskowic, 77 of Dillon, Montana passed away surrounded by her family on April 11th, 2013. She was born on February 14th, 1936 in Leadville, Colorado to John and Viola Luoma. Dollie traveled all over the United States attending family reunions and visiting friends and family. Dollie had the opportunity to live in Germany for three years and visited Switzerland and Belgium. Dollie

was always up for an adventure and exploring the areas that she visited. She began Volks Marching while in Germany and continued the tradition upon returning to the United States. She enjoyed outings with the Senior Center in Leavenworth, exercising with the residents of the Legacy, water aerobics and spinning at the YMCA. She enjoyed playing the odds at the casinos and sharing a good toddy with friends and family. She loved making people smile and laugh and had a wonderful loving spirit.

She is preceded in death by husband, Gerald Miskowic, brothers; Frank, Fred and Herb Luoma. She is survived by brothers and sisters; Robert Luoma of Bend, Oregon, Vern Luoma, of Golden, Colorado, Jack Luoma of Littleton, Colorado, Viola Weldon, of Thorton, Colorado, children; Gerald Miskowic of Lansing, Kansas, Lawrence Miskowic of Olathe, Kansas, Cheryl Miskowic of Dillon, Montana, grandchildren; Jessica Herren of Dillon, Montana, Samantha Guisbert of Dillon, Montana, Stephen Miskowic of Abilene, Texas, Daniel Miskowic of Lansing, Kansas, Jack, Miskowic of Beaver Falls, Pennsylvania, great grandchildren; Harper Felo, Elizabeth Herren, and Savannah Herren of Dillon.

Although we will miss her presence we will rest in the knowledge that she has gone to join her Father in Heaven and is reunited with family and friends that have preceded her in death. Rest assured that she will be watching over us from above and will surely find ways to make us laugh and smile still.

A memorial service is scheduled for Friday, April 19th at 4:00 pm at the family residence, 10 Hughes Lane.

BCHS JV SOFTBALL

Thursday nights home game was versus Butte Central. We were down 5-8 going into the top of the 5th.. and ended up losing 7-14.

"It was a hard fought battle and I am extremely proud of how the girls played tonight," said coach Andrea Schurg.

We outhit the competition with a total of 15 hits, while they had 11. Defensively, we had only 4 errors in the field and the girls made some amazing plays. Addie Hansen and Kenzie Stanchfield both displayed their speed and good gloves in the outfield while robbing the Maroons of several hits. Taylor Chase displayed some flexibility at first while stretching into the splits for a couple of put outs; and Kansis Stoddard, Kayla Meine, Shaylee Erickson and Brandi Lovaas all made great defensive plays in the infield.

The difference in the game was pitching (which is improving every day) with a total of 13 walks compared to BC's 1 walk. Freshman, Lauren Holten, started on the mound and made it through 5 1/2 innings, followed by Halie Montgomery and Brandi Lovaas who once again was our closer.

While almost every player got at least one hit, Brandi and Kimee Hristco-Murray led the offensive attack with 3 hits a piece. Brandi ripped a single and 2 doubles while Kimee had 2 singles and a triple.

The scholarship is given every year to a young Montana fiddle player and takes care of tuition, board and room at the Montana Old Time Fiddler's annual camp in June.

SENATORS OFFER TO PAY TO FIX DESKS

Senate democrats are offering to pay for the damage caused when they pounded mugs on their desks during last week's attempt to drown out a floor session at the capital. The scratches and ring marks should be easy to fix when the session is over. (As my kids may say - Dah!)

Yellowstone Ecosystem Subcommittee

The Yellowstone Ecosystem Subcommittee (YES) of the Interagency Grizzly Bear Committee (IGBC) will hold its spring meeting at the Wort Hotel in Jackson, Wyoming on April 17 and 18, 2013, and invites the public to attend. The spring meeting has a full agenda with reports on the estimation of the Greater Yellowstone Ecosystem grizzly bear population and issues relating to future management.

Of special interest will be updates on projects underway in the ecosystem. Recovery Leader Chris Servheen of the USFWS will discuss new demographic measuring criteria and the current public comment process. Frank van Manen, leader of the USGS Interagency Grizzly Bear Study Team will provide updates on the ongoing GYE grizzly bear foods synthesis project and the mark-resight population size estimator work. The meeting will also feature the premiere of a film produced by the Wyoming Game and Fish Dept. called Yellowstone Grizzly Bears: A Success Story.

The meeting will take place at the Wort Hotel in Jackson, Wyoming. The Wort Hotel is located in downtown Jackson, Wyoming at 50 N Glenwood Street. The meeting will begin at 1:00 p.m. on Wednesday, April 17, 2013, and end at 5:00 p.m. Proceedings will resume at 8:00 a.m. on Thursday, April 18, and conclude before noon. The public is welcome to attend all sessions and time for public comments will be included.

The Yellowstone ecosystem grizzly bear recovery area includes all of Yellowstone & Grand Teton National Parks, as well as portions of northwest Wyoming, eastern Idaho, and southwest Montana. Other federal lands include the Beaverhead-Deerlodge National Forests (NF), The Bridger-Teton NF, Caribou-Targhee NF, and the Custer, Gallatin and Shoshone National Forests. Federally-managed lands make up 97.9 percent of the recovery area's 9,209 square miles.

A multiagency organization charged with recovery of the grizzly in the Yellowstone ecosystem, YES is part of the IGBC, which is responsible for grizzly bear recovery in the contiguous United States and adjoining Canadian Provinces. YES is made up of federal, state, county, and tribal agency partners.

Individuals requiring special assistance can contact Kate Wilmot at katharine_wilmot@nps.gov or (307) 739-3673. A copy of the meeting agenda is available at the YES portion of the Interagency Grizzly Bear Committee website at www.igbconline.org.
