Welborn's Weekly Legislative Review

As the the 63rd Legislative session came to a close last week, we were able to accomplish the work needed to address long term issues and create a strong foundation for Montanans to prosper and our businesses to thrive. Let's look back on the 90 day session and what shaped our policy making. This session started with a large cash balance and lots of unpaid bills left on the proverbial kitchen counter. A veto from last session left an unpaid bill for \$118 million, and due to poor economic conditions in the previous few sessions many of the State employees had gone without raises for over half of a decade and our pension plans took big hits to their earnings.

It's never to
early to plan
for
graduation.

With the economy showing signs of improvement, this was the session to set Montana on a course to become a powerhouse. With that said, a core group of both Republican and Democrat legislators worked together across party lines for the good of our State. We invested in our people, our infrastructure and our industries. Our main focus was to prepare a firm foundation for success. Does it take a coalition sometimes to get things done? absolutely. I'm willing to build those relationships with fellow Republicans, or with Democrats across the aisle, whatever it takes to get the results that Move our State forward.

I proudly voted for one of our group's priority tasks of funding public education in a responsible and sustainable manner. In this regard, we gave our schools the tools to recover from the Great Recession; we empowered local trustees with more responsibility for decisions; we gave new tools to teachers and parents to help individualize instruction for student; we stood firm that everyone, from the remedial to the gifted, be given more opportunity to achieve.

We rallied behind pay raises to those state employees who haven't seen one in six years. Our employees have shared in the economic struggles of Montana. Those that provide services we all use such as the snow plow drivers, nurses at State run hospitals and juvenile probation officers just to name a few, all deserve to be treated fairly. They didn't get everything that had been negotiated with the past governor, as our pay plan was 40% lower than that, but we ensured our employees are paid fairly and the state will be able to recruit the quality employees that serve all of us. We were also able to eliminate 430 positions in government through attrition, thus making good on the promise to shrink the size of government.

We addressed Montana's long term and unfunded pen-

sion liability by spreading the burden across all players, protecting as much of the promise to retirees as possible, protecting the taxpayer both today and tomorrow, and doing the job we all swore to do, even though it would have been much easier to "kick the can" down the road. Montana was walking down the path of bankruptcy due to pension liabilities. The last couple sessions the Legislature ignored the problem, as the unfunded liability continued to grow. There were those in our midst that wished to do that again, but we were able to find enough votes with members of both parties, to not keep ignoring the problem. Responsible Republicans and Democrats alike, said "Not this time, not on our watch." We provided a real solution for a very real problem in spite of angry resistance by certain legislators.

Montana is the treasure state, and therefore I continue to support the wise use of our natural resources, whether its coal, gas & oil, water, timber or agriculture. We pushed for, and supported a strike force effort with the Governor to maintain Montana management of the sage grouse and avoid an Endangered Species listing, so as to support the continued developed of our coal, mineral and agricultural activities that finance our social programs through the taxes that these activities generate. We continued work on the management of large predators and made efforts to better the relations between landowners and sportsmen.

We simplified our Montana income tax structure to make it fair and flat. Many loopholes and tax credits were closed. Everyone participates in lower rates by closing these loopholes. The Montana tax form will be simplified due to these changes too. Business investment was encouraged by continuing to lower the business equipment tax. New pollution control equipment, which companies are required to install, won't add to their tax bill as we move forward.

In addition to making these investments in Montana, we made sure there was money in the budget to be invested in infrastructure and job creation by funding regional water systems, sewer projects, roads, and colleges and libraries. Old Main on the Campus of Montana - Western gained phase 3 funding as one of these projects. We also helped neighbors to the east with funding for vital services for the areas impacted by the oil boom. Despite the huge expenditures form

State workers pay increases, shoring up the failing retirement system and the total rewrite of education funding we were still able to leave some money in the bank and currently have a structurally balanced budget.

My personal legislative goals are always about ensuring a smart and well run government; one that does not only what is required, but stays out the way of it's people whenever possible. I feel we were able to address today's problems and invest for a strong future. Our State is open for business, our bills are paid in a responsible manner, we invested wisely in education and infrastructure projects, that coupled with substantial balance in the State's checkbook makes for a for a bright future for all Montanans.

Thanks once again for putting your trust in me to serve as your Representative from here in Montana's 72nd legislative District. Please know I take every vote I make in consideration of how it will benefit the most people in my district and also with the most positive impact for all of Montana.

I want to close by saying that we all have a unique perspective and bring unique expertise to this process. It takes all 150 members to make this process work, and I'm proud of the work we were able to accomplish this session.

"PINK ZONE ACTIVITIES RAISE \$7,500 FOR BARRETT HOSPITAL & HEALTHCARE MAMMOGRAPHY PROGRAM"

Dozens of community partners again raised funds for Pink Zone, with events that began February 8, 2013 and concluded February 28, 2013. The Pink Zone Committee's efforts, along with help from the UMW Lady Bulldogs, the BCHS Lady Beavers, and numerous other community partners, raised a total of \$7,500 for the Southwestern Montana Mammography Program.

Fundraising activities included the first-ever "Bras for the Cause & Pink Zone Wine Tasting", T-Shirt sales at Lady Bulldogs and Lady Beavers basketball games, a bake sale, and a bazaar. Many local businesses and members of the community sponsored these events and generously gave to raise money for the Southwestern Montana Mammography Program at Barrett Hospital & HealthCare.

The Southwestern Montana Mammography Program offers free breast-health services to underinsured and uninsured women under the age of 50 in southwestern Montana. For more information, please call Barrett Hospital & HealthCare at 683-3000.

RED HAT SOCIETY NEWS

The April activity for the Red Hat Belles was held at the remod-
eled Pizza Hut. Several ladies had not been there yet, so the experi-
ence was new to them. It was Nona Lemieux's birthday. She was
greeted with a song and wishes of "Happy Birthday".

News has reached us that Harriett Chamber's son had a heart at-
tack so a "Thinking of You" card was passed around.

Marjorie Nelson and Diana Carroll received door prizes.

Many thanks to our co-hostesses, "Mac" Kailey and Betty Lou
Nakano for an enjoyable afternoon. Of course, thank you to the Pizza
Hut. We were very impressed with your staff and delicious food.

NOT SO CONTROLLED BURN

DVFD was called to 5500 Blacktail Road for a controlled burn that got out of control. The fire burned about 2 acres and was a threat to some homes. Remember, even with a burn permit you can be held accountable for your actions!

We got cleaned up and full of water and were called to a vehicle fire on Highway 41 and Stone Creek Road. The vehicle was not at that location, but found further out on 41. The fire had been put out by the owner.

GIVE THE CAR THE DAY OFF

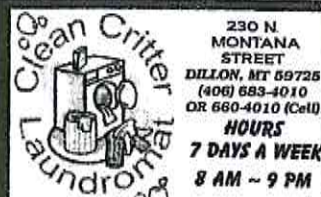

Consider walking to work. If your commute is too long, you might try biking, in-line skating, or jogging. Whatever method you choose, you can't go wrong. They're all great cardio workouts, and help reduce blood pressure, improve circulation, mobility, and, of course, burn calories.

THOMPSON PARK OPENS

Thompson Park is now open for the summer and fall. The 3,500 acre park, managed by the Forest Service and City-County of Butte-Silverbow, is open daily from 8 a.m. to 9 p.m. through Labor Day and then through October from 8 a.m. to 6 p.m.

The Park has four day-use picnic areas: Nine Mile, Sagebrush Flats, Lower Eagles Nest and Lions Den. Eagles Nest trailhead and Blacktail trailhead provide access to over 25 miles of non-motorized trails. These trails offer hikers, mountain bikers, and horseback riders connections to the Continental Divide National Scenic Trail and the Milwaukee Railroad. Herman Gulch trail provides a connection into the Highland Mountains area and other motorized trails.

Thompson Park also has a disc golf (folf) course in which members of the Mining City Folf Club have been making improvements. The course is the only authorized folf course in the park and surrounding National Forest. Shooting is prohibited within the park boundary. For more information or to obtain a park brochure contact the Butte Ranger District at 494-2147, or the Butte-Silver Bow Parks and Recreation Department at 497-6408.
