HARRY WILLIAM GROSE, 87

Harry was born June 11, 1925 in Dillon, MT and died May 1, 2013 at the ranch at Twin Bridges. He was born the younger son of William Garnet Grose and Nellie Louise (Beall) Grose and grew up on the family ranch on Cherry Creek at Melrose, MT. On Dec 5, 1961 Harry married Shirley Ann (Bacon) Grose and they raised four sons Richard, Bill, Gary, and Jim upon moving to the ranch at Twin Bridges.

Harry went to school through the tenth grade at Melrose. When Harry was twenty-one his mother died and he stayed on to ranch with his dad on Cherry Creek. While searching for a good rake horse in the Big Hole he met a young school teacher, Shirley Bacon. He soon married her and adopted her infant son, Richard from her previous marriage. Then the other sons were born into the family. Harry lived at the ranch on Cherry Creek until 1970 when they purchased the Matt Telin ranch at Twin Bridges so that it would be easier for the kids to go to school. Harry experienced severe grief when Shirley passed in 1989 and lived alone for next twenty-two years. After a particularly difficult hospital stay he moved in with his son and daughter-in-law, Bill and Jimilea where he stayed for two years until his death.

He was a rancher his whole life and enjoyed all aspects of that life. He lived for riding the range, irrigating, haying and calving. He especially enjoyed seeing baby calves with their mothers and hay growing in the field. Harry provided for several relatives to gain formative life experience by working on the ranch with him. He passed on his work ethic to his children. He loved to tell stories about life growing up and seemed to have an encyclopedic knowledge of many old timers in Beaverhead County. He looked forward to seeing his children and grandchildren as he dearly loved them, despite his tough disposition and his failing health in his later years. Harry's joys included calling and talking to many relatives and friends on a daily basis to share the news and weather. He thrived on friendly banter and joking with folks, but he had a softer side too. He will be remembered as a good friend and dependable alarm clock to many. Of course he could be difficult if his ways were crossed, but he was generous with folks if he thought they could use the help or money. He will be dearly missed by all, especially those who received calls from him on a regular basis – you know who you are.

He was preceded in death by his loving wife Shirley

THINGS YOU MAY NOT KNOW

Did you know listen and silent use the same letters?

Do you also know that the words race car spelled backwards still spells race car?

And that eat is the only word that if you take the first letter and move it to the last, it spells its past tense ate?

The Verse

By Chuck Dishno

How many of you know the verse to God Bless America or even if there was a verse?

If not it is worth reading. It was written by Irving Berlin in 1938 and made popular by Kate Smith.

"While the storm clouds gather far across the sea,
Let us swear allegiance to a land that's free,
Let us all be grateful for a land so fair,
As we raise our voices in a solemn prayer. "

It then continues with the song we all love and sing; "God Bless America, land that I love".

Too often we forget that we are in a "storm" and that the clouds are gathering across the sea. We live in the most beautiful and free country that ever existed and unless we stop and recognize that there are people out there that want to see us wiped off the map, those storm clouds will soon reach us. It behooves this administration to admit that those people are terrorists and they are out to get us. For some reason Obama refuses to say the word and the main stream media is leaving lip prints on his backside.

We must continue believing that God has blessed America or else we will lose it. Teddy Roosevelt said, "Patriotism means to stand by the country. It does not mean to stand by the president or any other public official."

GRADUATE JOINS FLORIDA GATORS

Jeff Choate has been hired as a special-teams coordinator and outside linebacker coach for the Florida Gators. The 42 year old Choate played at Montana-Western and started his coaching career in Idaho. He started coaching on the college level in 1991 at Utah State, then at Eastern Illinois, six years with Boise State, and last year at Washington State. Getting an opportunity to coach in the SEC conference was one Choate decided he couldn't pass up despite being recently hired at the University of Texas El Paso.

His wife, the former Janet Jones of Dillon, and their two children will join him in Gainesville, Florida in June.
