A Memorial Mass is scheduled for Tuesday, May 14th at St. Rose of Lima Catholic Church in Dillon. A full obituary will follow tomorrow. Sybil Rebecca Barber Ibey

Sybil Rebecca Barber Ibey, 95 passed away on May 7, 2013. At the Discovery Care Centre in Hamilton, Montana.

She was born Dec. 6, 1917 in Brattleboro, VT, the second daughter of the late Scott Luther Barber and Christine Elizabeth Williams. Sybil spent her first 12 years in Vermont. She and her sister, Muriel, spent three years at the New England Kurn Hattin Homes. They both graduated from grade eight there. Muriel was eighteen months older. Sybil's first two years of high school were in Brattleboro. She moved to Enfield, NH where she spent the last two years of high school. Both girls worked their way through high school. After two years of nurses' training, Sybil married Daniel Putnam Ibey, who was a student and a friend at Enfield high school.

Dan was a carpenter. They had one child, Sylvia. In 1949 they went to Dillon, MT to visit Dan's three Aunts. Two of them had ranches in the Big Hole. They liked the country and decided to stay in Dillon. Dan started his own building construction business there. Sybil was active in the business and was the bookkeeper. Sylvia attended schools in Dillon. They were in business for 25 years.

In 1975 they were divorced. The business was sold. Sybil moved back to Enfield, NH. Sylvia remained in Dillon. Sylvia married a local boy, Dick Roberts. They had four children.

Sybil spent the next 25 years in Enfield, where she was active in political affairs while always pursuing her interests in music and painting, which she had inherited from her very talented Mother. She played the organ at a small church. In 1998 Sybil returned to Dillon, after having a small stroke. In Feb. of 2004 she moved to the Sapphire Homes in Hamilton, MT. She was very fond of Hamilton and also of the Sapphire Home.

Sybil was preceded in death by her parents, sister Muriel and half-sister Roene. Her first grandchild, Danny Roberts,

I'm Fine

Author Unknown

There's nothing whatever the matter with me.
I'm just as healthy as I can be,
I have arthritis in both my knees
And when I talk, I talk with a wheeze.
My pulse is weak and my blood is thin,
But I'm awfully well for the shape I'm in.
I think my liver is out of whack
And a terrible pain is in my back,
My hearing is poor, my sight is dim,
Most everything seems to be out of trim,
But I'm awfully well for the shape I'm in.
I have arch supports for both my feet,
Or I wouldn't be able to go on the street.
Sleeplessness I have night after night,
And in the morning I'm just a sight,
My memory is failing, my head's in a spin,
I'm peacefully living on aspirin.
But I'm awfully well for the shape I'm in.
The moral is, as this tale we unfold,
That for you and me who are growing old,
It's better to say, "I'm fine" with a grin
Than to let them know the shape we're in.

Letter to the Editor
Dillonite Daily

Do we really need Congress anymore? Did we ever need Congress? The present Congress is rated by the Gallup Poll the "worst" Congress ever. At the present time only 10% of Americans said this Congress is doing a good job. A skunk salesman is more popular then 10%. The Republicans and Democrats are distances apart in running this country. The mantra for the Republicans is, "repeal, repeal". The mantra for the Democrats is we are "weak". Congress has cut back on programs but we still have money for the super rich and the big corporations.

How much does it cost the tax payers for the Senate and the House of Representatives? The Senate costs $869.3 mill and the House of Representatives costs $1.2 billion a year. We have a group who makes good money, they have great health insurance and a pension that is way beyond your dreams. Not to mention perks from publishing books, television interviews and money from who knows where!!

What we get for all this money is thirty of America's large companies that paid no income tax last year. Plus many of the large corporations that pay no income tax get a refund from your money. What a great deal. So who really runs America? You already know the answer! Large Corporations, Banks, agro businesses, and lobbyists. So what does Congress do? Give these businesses more tax breaks, pass more tax loopholes so these companies can send jobs to foreign countries, so these companies can run their companies on foreign soil, so they can get richer while you pay the bills.

So why do we need the Senate and the House of Representatives?
Large Corporations already run America. We are paying twice. We would be better off not paying for all the people we send to Washington.

There was a revolution in America and the middle class lost. And then the politicians try to tell us it was the fault of the middle class and the poor. There is not much difference in running America and ruining America. It has been said we get what we deserve. This is not true. We deserve much better than the present Congress!
