Hjalmar "Hal" Stefan Amundson

The world has lost a wonderfully talented, good-hearted person and musician. Hjalmar "Hal" Stefan Amundson, 56, passed away at the Benefis Hospital in Great Falls on May 6th, 2013 of heart-related complications and is now at peaceful rest in Heaven.

Hal was born in Hamilton, MT on December 30th, 1956 to Marvin and Selma (Rud) Amundson. He was raised and educated in Dillon, MT where he enjoyed the outdoors with his family. In his childhood days, he loved joining the family in hiking, fishing, camping, and hunting. He was a practical joker and had a wonderful sense of humor. He was very kind to animals. Hal could come up with the neatest names for the family pets, such as a short-haired dog he named Cuter; two cats named Peter & Paul; a rabbit named Maureen (for a girl he liked in school); and numerous pigeons he kept in an old shed behind the house. He was also very adept at handling falcons and tried to make his pet falcon a 'messenger' to see if the bird would come back…the falcon is still out there …somewhere with a note tied to its talon. Hal was an entertainer in many ways. He had nicknames for his siblings and in turn, they gave him one. He'll always be known as their dear 'Brother Fidget'!

In other fields of talent, Hal became very proficient in playing the piano and the fiddle. He is a self-taught fiddler and was immediately passionate about playing it. By age 21, he became the Montana State Open Champion Fiddler and went on to win that same title 3 more years in a row. He could've won for a fifth time, but contestants could only win four times. He and his brother Eric traveled to Germany to perform on an invitation. Hal continued his fiddling expertise by teaching children of all ages, thus starting the Dillon Junior Fiddlers, which continues to this day.

Hal went on to earn his teaching degree from Western Montana College and taught music in Cul-de-Sac and Lapwai, Idaho, as well as White Sulphur Springs, Montana. Hal always had a gentle way with giving to others through teaching. In recent years he taught many adults and children the fiddle, guitar and mandolin from the Townsend and Three forks areas. At this time he worked for Townsend School District followed by Walmart where he loved to go to work every day. He was always so thankful for working with such a wonderful and caring group of people.

On June 20th, 1992 Hal married Carla Jo Hustad of Billings. They became the proud parents of two children and later ad-

It's never to early to plan for graduation.

There is good news and bad news from the BOA. Recently our members purchased materials and put together five new picnic tables at the Blacktail Meadows Kid's Fish Pond. This addition provided more space and or choices of location for picnicing groups. Other improvements at the pond are planned for later this summer.

The bad news is that we have lost a long-time supporter for providing prizes for our Kid's Fish Day, which will be June 15th. We will be losing between 3-$500. that we counted on for several years. There is no fault on the part of the BOA nor the doner, and we do appreciate their generous assistance in past years. The BOA spends approximately $1000. each year in prizes, with these donations covering half of those expenses. Prizes are in the form of fishing tackle or other outdoor camping gear that is purchased locally. If there is a business or individual out there who is willing and able to support this project please contact me. The BOA is a 501-C3 non-profit organization that will gladly provide reciepts for tax deductable donations.

The BOA also provides hamburgers, hotdogs, pop, and all the trimmings each year for this event at no cost to those participating. Those kids who have participated for years will remember this event for the rest of their lives. We appreciate the city, county, and residents for their past support in making the fish pond available to our kids.

J. Darrell Johnson, pres. BOA 683-4745

Jo-Jo Butte is a Winner

Parkview Elementary student Halee-Joe "Joe-Joe" Butte was invited to attend the Visually Impaired Games at the school for deaf and blind students in Great Falls. She was the only student in Southwestern Montana to attend the games.

Jo-Joe participated in Bowling, Track and Field, Gymnastics/Dance and 3 different swimming events winning enough blue, red and white ribbons to receive the second place over- all medal for the 6-9 age division. She also sold the most tickets for the fund-raising raffle to raise money for the games. She returned the majority of raffle prizes won to Dillon where she sold her tickets.

The games were a great learning experience for Joe-Joe as she was able to meet kids her own age with life changing disabiliities similar to hers. She would like to thank the community for supporting and caring about her. Haylee-Joe is the daughter of Jake and Brit Butte of Dillon.

Range Management Solutions

We've all seen the dust clouds rolling in the valley lately. Will we be riding tumbleweeds out of town in this drought? The Beaverhead Conservation District is hosting a "Range Management Solutions for Dry Times" workshop on May 22, 2013 at the UM Western Lewis and Clark Room, from 10 am to 3 pm. Everyone with an interest in the health and productivity of our rangelands is welcome. The program and discussion led by Guy Glosson, a Texas rancher, range management consultant and trainer, is guaranteed to get you thinking. We can't control the weather, so let's think about how to weather the drought.

Registration is just $10, which includes lunch at the cafeteria. For information and registration, call the Conservation District at 406-683-3803.
