Is This What's Next?

In other news, Lawmakers today banned the
entire State of Idaho, claiming that if you
laid it on its side that it resembled a gun. . .

Camping Season Begins Memorial Day Weekend on Beaverhead-Deerlodge NF

Memorial Day weekend marks the kickoff for out-
door summer recreation and camping season. The
Beaverhead-Deerlodge is the largest national forest in
Montana, and sprawls across 3.3 million acres in seven
counties of Southwest Montana and offers an abun-
dance of recreational opportunities for people to enjoy.

Visitors are encouraged to be prepared for changing weather con-
ditions and to bring potable drinking water, as temperatures at night
are still quite cool and some campground water systems have not been
opened yet. Visitors should contact their local Forest Service office to
find out if their favorite campsite is accessible before heading to the
outdoors.

Visitors are also reminded to stay away from soft and muddy roads,
as this is unsafe and can damage the roadbed, leading to expensive re-
pairs. Driving around snow drifts is unwise because of the damage it
causes to vegetation and soil. If you get stuck, help may not be avail-
able due to limited cell phone coverage in the back country. When
driving in the outdoors, visitors are encouraged to notify the Forest
Service of any flooding conditions, plugged culverts, downed trees or
road damage so that repairs can be made or trees removed.

Many trails may not be open at higher elevations or muddy. Please
stay on the trail and do not create new trails to get around hazards.
Trail users should expect many trails to be impassable from fallen
trees. The Forest Service will have minimal ability to clear trees this
year due to decreased budgets and the lack of seasonal trail crews.

Forest officials ask that you to be careful and to never to leave a campfire unattended, and make sure your coals are cool to the touch before you leave. Conditions are drying out quickly and visitors need to be fire safe.

Visitors are also asked to be careful when recreating in the forest due to the potential for trees to fall. Here are a couple of handy tips: Be aware of your surroundings and avoid dense patches of dead trees. Trees can fall without warning; place tents and park vehicles in areas where they will not be hit if a tree falls; Stay out of the forest when there are strong winds that could blow down trees. If you are already in the forest when winds kick up, head to a clearing out of reach of any potential falling trees.

In the **Butte-Whitehall Area**, Beaverdam, Lowland, Delmoe Lake, Whitehouse, Pigeon Creek, Mormon, Ladysmith and Toll Mountain Campgrounds will be open. Water will be available at Delmoe Lake and Whitehouse. Camping costs at Delmoe Lake are \$8 per site plus \$3 for each extra vehicle per night. Camping costs at Beaverdam and Lowland are \$5 per site per night. Homestake and Elkhorn picnic areas will be open as well.

Thompson Park is open daily from 8 a.m. until 9:00 pm daily. There are three picnic areas and two trailheads that access 25 miles of non-motorized trails, including the Milwaukee Rails to Trails. The park is co-managed with Butte-Silver Bow through October. Trail and disc golf brochures are available from the Butte Ranger District office. The Thompson Park disc golf course is the only legal course open to the public for use on the National Forest.

Sheepshead Recreation Area, north of Butte, offers fishing and picnicking for groups and will open June 15. The pavilions at Sheepshead and Freedom Point can be reserved for weddings, picnics, and other types of day-use activities.

Some trailheads are open; however trail access may be minimal due to high snow levels. Roads are muddy at mid to high elevations.

For updates on access to recreation sites, contact the Forest Service offices in Butte at (406) 494-2147 or in Whitehall at (406) 287-3223.

ley Philipsburg Bay Loop A and Piney Campground (The boat launch and Loop A only) are open. Lodgepole, Cable, Spring Hill, Flint Creek, will open by June 1. East Fork, Copper, Orofino and Racetrack should be open by June 7 and will have reduced services after September 20. Certain sites within these campgrounds may be closed as hazard tree removal continues, visitors are asked to respect those closures. Spillway will be closed for the season for safety reasons due to numerous standing beetle killed trees. Grassy Point and Red Bridge should also be available for use by Memorial Day along with the day use sites around Georgetown Lake. Trail crews will begin work in early June and will begin working on the highest use trails first.

Call Forest Service offices in Philipsburg, (406) 859-3211 or in Deer Lodge, (406) 846-1770 for more information.

Some of the Anaconda-Pintler Wilderness trailheads are accessible at this point, but not all. Visitors will likely encounter snow within a couple miles of trailheads, but most lakes are still snow covered. As a reminder, use of stock within the Anaconda-Pintler Wilderness is prohibited on the Pintler District April 1 through July 1. Check with Forest Service offices in Wise River, Philipsburg, Sula or Wisdom for details as you plan your wilderness trip.

In the Big Hole area, it is likely all the campgrounds will be available for use. Call the Wisdom Ranger District at (406) 689-3243, or Wise River Ranger District at

Seymour and Pintler campgrounds are clear of snow and available for use. Visitors are reminded to be cautious of hazard tree removal activities at both locations. Other Forest roads blocked by snow include the upper end of Thief Creek road, above the Birch Creek Center, and Upper Willow Creek. Travel may not be possible up-drainage to Gorge or Tendoy Lakes until mid-June.

All major access roads into the Lima Peaks, Tendoy, and Bloody Dick Range are open. Access to Reservoir Lake is open; however travel over the Big Hole Divide is closed. Lemhi Pass and the Sacajawea Memorial Camp are open. Browns Lake, out of Glen, along Interstate 90, on Rock Creek is open, but access further up the drainage is not possible or is limited. for the latest information on camping opportunities at these campgrounds.

Many roads in the Gravelly Range won't be open until July 2. This allows roads to dry before they get traffic.

In the Madison, Gravelly, Snowcrest, and Tobacco Root mountain ranges, there are special rules for storing of food and refuse at your campsite to avoid grizzly bear encounters. All food and refuse, including liquids other than water, must either be stored in a vehicle, an approved container, or hung 10 feet off the ground and four feet out from any tree or support pole. Free bear-proof containers are available for loan at the Forest Service offices in Sheridan and Ennis. For more information, call the Forest Service in Sheridan, at (406) 842-5432, or Ennis, at (406) 682-4253.

The Beaverhead-Deerlodge NF offers 25 back-country cabins for rent. You'll need to bring food and bedding, but most cabins come with firewood, beds, and utensils. To rent a cabin, call toll free, 1-877-444-6777 or go online to <http://www.recreation.gov/>.

Remember, too, that cross-country driving by motorcycles, all-terrain vehicles, pickups and other "motorized, wheeled vehicles" is prohibited in the National Forests of Montana. Vehicles must stay on existing roads and trails. In some places, vehicles can travel only on specially designated routes. The Forest Service has a brochure explaining the travel rules as well as travel maps to help travelers know which routes they may travel.

For more information contact your local Forest Service office or go online to www.fs.usda.gov/bdnf

Jaycee Auxiliary Seeking New Members

Are you looking to get involved in the community and meet a great group of women? The Jaycee Auxiliary is seeking new members. The group is comprised of young professional women working to improve the Dillon community and socialize and meet new people along the way. The Auxiliary puts on several events a year, including Brewfest and a local NCAA bracket tournament, and donates all proceeds back to the community. From Girls State to the seats of the Beyer Auditorium, the Auxiliary has supported many of our local community groups.

National EMS Week

May 19-25 is national National Emergency Medical Services week. The theme of the EMS is "One Mission. One Team". National Emergency Medical Services Week brings together local communities and medical personnel to publicize safety and honor the dedication of those who provide the day-to-day lifesaving services of medicine's "front line."

Beaverhead EMS members will be doing outreach at the local elementary and middle school this week, educating children about ambulances, EMTs, when to call 911 and what to do if someone is hurt or injured. They will also be addressing seatbelt safety, and distracted driving situations.

Beaverhead EMS volunteers include:
