## CEDAR RIDGE TO PERFORM AT BANNACK

Saturday June 1.... At 7pm in the Old Church at Bannack Cedar Ridge offers a Bitterroot Blend of Bluegrass, Country, Folk, and Contemporary music that features vocal and instrumental numbers. Cedar Ridge performs at many Western Montana venues including the Ravalli County Fair, Corvallis Memorial Day Celebration, Bannack Days, Hamilton's Apple Days as well as private venues in western Montana. This bluegrass/folk duo will entertain you with their unique style of music.

Rob Chapman started his musical career at age 8 with the violin, was classically trained; and then started playing the mandolin 16 years ago. He now plays the guitar and is taking up the harmonica. Rob never thought he could play and sing at the same time but he's even done an occasional vocal every so often. You can find Rob playing before a half dozen patrons in his restaurant in the Bitterroot or being part of a 100 piece symphony orchestra. Rob likes to have fun and that is why you might find him doubling as the groups clown! Don't be surprised to find him telling a tale or two like only Rob can tell!

Gary Bladen, a John Denver fan, plays a mean 12 string. He enjoys the open mike and has a wonderful voice for a variety of types and styles of music including folk, country, contemporary and others. Harmony and lead vocals are both a lot of fun for him. Gary, who has been playing guitar and singing for almost 40 years, played in a contemporary/folk band back east, but has also gotten into Bluegrass since moving to Montana 18 years ago. Gary's "real job" is being a Management Analyst at the federal Rocky Mountain Laboratories in Hamilton, MT .... a far cry from the fun of performing in Cedar Ridge.

All Saturday programs are free, out of state vehicles pay a \$5.00 park admission fee. Park hours are 8 a.m. to 9 p.m. every day. For more information call the park at 834-3413.

## Veterans

Veterans will meet on June 5th at the American Legion Building, 437 E Glendale, and Veterans of Foreign Wars (VFW) will meet on June 12th. Both meetings will be at 7:00 p.m.

**IRS**

By: MJ

The Internal Revenue Service (IRS) is the tax collection agency for the federal government. The IRS is a branch of the Department of the Treasury, and is under the immediate direction of the Commissioner of the Internal Revenue. Not only is the IRS responsible for collecting taxes, it is also interprets and has the power to enforce the Internal Revenue Code.

The first income tax was assessed in to collect funds to fund the Civil War. The tax was 3%. In today's world the IRS collects over \$2.4 trillion every year from approximately 234 million returns filed by companies and private citizens.

The 1980s saw a reorganization of the IRS. A bipartisan commission was created with several mandates. One of the mandates (requirements) was to increase customer service and improve collections.

Have you heard about the IRS scandals? We all know every coin has two sides. The IRS has its own interpretation of the mandate while others take a different view of the mandate. How much of this is Washington politics supporting the elected official and their constituents and supporters?

### VOLUNTEERS WANTED FOR DOME MOUNTAIN CLEAN-UP DAY

Fish, Wildlife and Parks is looking for volunteers for its annual  
Dome Mountain Clean-Up Day cosponsored by the Park County Rod  
and Gun Club on June 8. Volunteers will be cleaning up and removing  
remnants of old fencing that are dangerous to wildlife on this impor-  
tant elk winter range.

WHERE: Meet at Dailey Lake

DATE: June 8, 2013

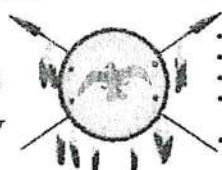

TIME: 10:00 a.m.

Volunteers should contact Laida Talcott prior to June 8 at lai-  
da1080@yahoo.com or (503) 449-1508. Fencing pliers and t-post  
pullers would be very helpful, as well as possibly additional ATV's.  
Volunteers who might have any of the items mentioned, and are will-  
ing to bring them along on June 8, should let Laida Talcott know. Free  
food and beverages will be provided.

The Dome Mountain Wildlife Management Area is over 4,500  
acres of public land, owned by Montana Fish, Wildlife and Parks. It  
was purchased in the late 1980's in order to preserve elk winter range  
and provide hunting and recreational opportunity for the public. Old  
fencing remains in some areas since prior to public acquisition, and  
each year causes injuries or death to elk and other wildlife that be-  
come entangled.

## Spillway Campground Closes for Safety

Due to the continued mortality of lodgepole pine from mountain pine beetle, Spillway Campground, located on the northwestern shore of East Fork Reservoir, will be closed for public safety. Spillway Campground will remain closed until the hazardous trees can be removed by professional sawyers. Spillway Campground is proposed to be included in a Beaverhead-Deerlodge National Forest hazard tree removal project, providing lumber to a local mill.

Visitors and campers are advised that camping in this area is not safe due to falling trees and are encouraged to use alternative campsites such as East Fork (below the reservoir), Flint Creek, Copper Creek, and Georgetown Lake campgrounds.

For more information contact the Pintler Ranger District in Philipsburg at (406) 859-3211.

## Red Light

By: MJ

If you are traveling to Tampa Bay, Florida you might want to pay close attention to the street lights. It been reported that the length of time a yellow traffic light is displayed has been reduced thus producing more revenue for the government. The intersection cameras do a great job of catching you red handed and reporting it to officials.

This reduction in time is less than the required federal recommendations. It was reported that the revenues from red light cameras in the state provided 100 million dollars last year.

## \*\*\*\* NEWS RELEASE \*\*\*\*

The Dream Is Now in DILLON on MAY 30, 2013

ST. ROSE OF LIMA PASTORAL CENTER, 226 SO. ATLANTIC

**THE DREAM IS NOW Documentary Coming to Dillon**  
Montana Organizations Endorse Common-Sense Immigration Reform

Press Contact: Elizabeth Marum, 406-570-1033; emarum@montanaorganizingproject.org

Dillon, MT - A moving documentary by Academy-Award winning director, Davis Guggenheim, *The Dream Is Now* shows the plight of four undocumented immigrant youth whose status has held them back. Like millions more, they consider themselves American having grown up in the US, the only country they know. The DREAM Act earns them the name, "Dreamers." The film goes beyond the personal. It places these stories in a larger context and explores the consequences of continuing our current policies and maintaining the status quo - consequences not just for these young people today, but for our country's future.

Discuss this timely issue in the context of the immigration reform bill before the Senate now, and decide for yourself what is fair and what is best for our nation. While some may not think that Montana has much at stake, we share a 544 mile border with Canada and many Montana companies rely upon immigrant labor.

National attention is on the issue now as bipartisan coalitions from Congress to business and merchants are committed to fix a broken immigration system. With 11.5 million undocumented immigrants nationally living in the shadows, the coalition has many reasons to back immigration reform:

- The US is a nation whose infrastructure was built by immigrants, and these are our ancestors - unless we are Native American
- Policies recently have made it nearly impossible for average immigrants to enter the US and stay here legally; there is no longer a swift, clear way to enter the US and work towards citizenship; there certainly is "no line" to join;
- The economic benefit would prosper the US economy bringing in \$1.5 Trillion to the GDP over 10 years, rather than cost an estimated \$2.6 T in strictly deportation expenditures; and
- Security at the borders has increased greatly in recent years, and illegal immigration is at a net zero.

In Montana, a diverse coalition of organizations believe that now is the time for reform including, the Montana Organizing Project, MT AFL-CIO, SEIU, MT Immigrant Justice Alliance, MT Human Rights Network, Montana Association of Churches, and Salud y Comunidad: Latinos en Montana in partnership with the Gallatin Valley Human Rights Task Force.

## LETTER TO THE EDITOR

**Who's trying to Take Away  
Our Constitutional Right?**

Montana's Constitution Article IX, Section 3 states "all waters are the property of the state for the use of it's people". The Montana Stream Access Law is based on this constitutional right and has been upheld by the Montana Supreme Court. James Cox Kennedy, the United Property Owners of Montana and PERC have intervened in the appeal to the Montana Supreme Court of the Seyler Lane access to the Ruby River. Kennedy, UPOM and PERC have elevated this case to overturning the Montana Stream Access Law. Who are they? James Cox Kennedy is chairman of Cox Enterprises. He owns several miles of the Ruby and Beaverhead Rivers. United Property Owners of Montana, UPOM, is a group that was formed in 2008 by an outfitter who wanted to overturn the limited archery elk permits. The group soon made overturning the stream access law an objective. Chuck Denowh is Policy Director and Lobbyist for UPOM. Chuck was Chief Advisor for Rick Hill, 2012 republican candidate for Montana governor and is Senator Debby Barrett's son in law. UPOM supported Jeff Welborn's HB 309 that would have closed many streams and rivers by changing the definition of a ditch in the Stream Access Law. And UPOM strongly opposed the Corner Crossing Bill. PERC, Property and Environmental Research Center, is based in Bozeman. The board of director's is made up of well known millionaires and CEOs, one of which is Leigh H. Perkins of the Orvis Fly Fishing Company. Leigh made his millions selling fly fishing equipment to fly fishermen and is now trying to kick them off the rivers and streams in Montana.
