BARRETT HOSPITAL WALKING PATH

By: MJ

Driving by the new Barrett Hospital and Healthcare campus, you will see several large pieces of equipment creating a new walking path. The path travels the outer stretches of the property and will be handicap accessible.

A new path is being created where the old hospital existed also. It will run along the highway coming into Dillon from the south. Perhaps you have seen the flags that are marking the spot.

Both paths will have concrete sidewalks in the handicap area with 8 feet asphalt on the rest.

The existing irrigation system will be revamped after the paths are completed along with other dirt work and seeding. The project was funded by an in kind donation and is scheduled for completion by the later part of June 2013.

FREE FISHING

What a great way to spend fathers day for the grandpa's, dad's and kids!

Director of the Montana Fish, Wildlife & Parks says that you can fish without a license on June 15th and 16th for free, if you follow Montana's other fishing regulations.

So get out and enjoy the weekend with the men in your family and enjoy the great fishing we have in Beaverhead County.

Maybelle Arthur Memorial Tournament

The 24th annual Maybelle Arthur Memorial Tournament will be held starting today, June, 13th, and will run through this Saturday. The tournament will be held at Vigilante Park. The schedule is on the following page for the up coming games.

The Cubs have a raffle and the proceeds are to help purchase a new travel van for the team.

They will raffle off a Browning A Bolt Medallion Rifle 7mm-08 caliber, Lamb cut and wrapped, and a \$100 gas card.

The drawing will be October 1st. Tickets are \$10 each or 6 for \$50. Tickets can be bought from Cub players, parent's or at the games.

THE BOOKSTORE CORDIALLY INVITES YOU

To join us for a booksigning and reception featuring Dillon author and UM-Western Professor Alan Weltzien.

Alan Weltzien, longtime English professor at UMW, has just published "The Snowpeaks" (Foothills Publishing, 2013), his second book of poetry. The Bookstore will host a book launch Thursday, 13 June, 5:30 - 7:00 p.m. Light refreshments will be served.

"The Snowpeaks" includes poems Weltzien has written over the past three years, and the subjects range from close to home, to Yucatan, southwest France, and Japan. Longtime MSU English professor and poet, Greg Keeler, says of this new collection, "I'm always captivated by the elegant, unaffected diction of Alan Weltzien's poetry. Wherever his perspective may find itself, the imagery is fresh, the attitude is open and the language is uncluttered."

RHUBARB BLITZ

Rhubarb season is upon us with rhubarb crisp, rhubarb pie, rhubarb coffee cake as well as rhubarb and strawberry jam to enjoy. Rhubarb has some interesting properties. Don't eat the leaves. They are poisonous. Rhubarb juice is reported to be an excellent spot remover. Here is a favorite recipe from COOKS.COM.

1 Crust Custard Rhubarb Pie

- 1 egg, slightly beaten
- 1 c. sugar
- 3 tbsp. flour
- 1/2 to 1/4 c. water
- 1 tbsp. butter
- 3 c. rhubarb

Prepare a 9 inch pie shell, unbaked

Cut rhubarb into 1/2 inch pieces. Mix all ingredients except rhubarb. Place cut rhubarb into shell. Then pour mixture over rhubarb. Bake at 375 degrees for 45 minutes.

Time has been set aside at the end of that day, after 4:00 PM, for public comment.

A new video produced by WGF about the ongoing success of the Yellowstone Ecosystem Grizzly Recovery will be shown to the IGBC. At the public meeting portion, resource managers will discuss ongoing grizzly bear recovery work in the various ecosystems, as well as discussing plans for the upcoming year. On the second day the IGBC representatives will be learning more about bear conflict issues from WGF staff through a series of on-site visits.

The Interagency Grizzly Bear Committee was created in 1983 to lead the effort to recover the grizzly bear in the lower 48 states. The top leadership of state, federal, and Canadian resource management agencies makes up the IGBC.

Individuals with disabilities may request meeting accommodations by contacting Gregg Losinski at 208 -390-0635 or through the Idaho Relay Service at 1-800-377-3529 (TDD). The Summer 2013 IGBC Meeting agenda may be viewed by visiting the IGBC Website at: http://www.igbconline.org/images/Summer_Agenda_2013.pdf

My Thumb is Brown

My philodendron,
at the nursery green and strong,
resents the healthy soul wherein it lies,
and dies.

What can be wrong?

Chrysanthemums, once bronze,
feed vitamins, and sung to, too,
don't like my house, or hate the tune.

They swoon.

what can I do?

I've tried,

God knows I've really tried my best.

But things I touch turn crinkly brown,
or drown,

just like the rest.

I guess I'll quit.

I'm tired of leafy things that when,
not getting all that they desire,
expire.

I will not try again.

What's that I hear?

The mailman in his squeaky truck---
do you suppose he's got the seeds
my garden needs
to change my luck?
