Friends: By MJ

If you looked back on the last ten years of your life and do an honest assessment would it be the life you predicted you would have? While traveling through the last ten years you have encountered joys, sadness, and had to make decisions you never thought you would have to make. Friends are the assets that get us through life.

Do you have a friend sitting across the table or on the couch with you that you can freely communicate with; a friend that you can and are willing to tell anything to; a person that interacts with you, knows you well, will be honest with you and overlooks your imperfections? Someone you can share you tears, fears and laughter with? Do you have a friend that is willing to share knowledge and support without judgment? Friends are an invaluable in our lives and we tend to push them aside or do without them. Are you willing to have and share with a friend in your life?

Humans will close themselves off and forget that communication is a great source for solving problems and healing hearts. A friend that we can share the true reality of our life with is an invaluable asset.

Having that friend is not easy. It takes a deep commitment on your part to let someone into your life and share with them honestly. True friendship has two sides and you are one of the sides.

10th Annual Father's Day Fly-in

Ruby Valley Aviation
 in Twin Bridges, MT
 presents the 10th Annual
 Father's Day Fly-in
 on June 15, 2013.
 They will be bringing
 to you Craig "Brute"
 Teft with Absolute
 Aerobatics. Craig has

been flying since the age of 16. Prior to his aerobatics career he served in the Air Force. This year Craig will be performing in a Nanchang CJ-6. The new act will "blur the line" between the hardcore acro nuts and the typical war-bird fare. This promises to be a performance you won't want to miss. In addition to aerobatics we will have Young Eagle rides. This opportunity provides free airplane rides to kids 8-17. Kids who have never flown before will be given rides first and if time allows all other kids will be given the opportunity. Watch as ping pong balls are dropped from an airplane and dozens of kids collect the balls for prizes. We will have pancake breakfast, concessions, a free potluck BBQ dinner, games for pilots, static display, live music and dance, and so much more. Mark your calendar for June 15 and plan to spend the day with us. All events take place at the Twin Bridges, Madison county airport. Admission is free however there is a fee for concessions and the pancake breakfast.

For more information visit www.rubyvalleyaviation.com or call 406-684-5335.

Classic Country

Montana State Parks (stateparks.mt.gov) announced today:

Local Dillon musicians Jerry Burts, Ross Stocker, and friends will be bringing their wonderful old-time music to Bannack State Park. The program starts at 7:00 pm Saturday, June 15 in the Old Church at Bannack. Jerry has played with many local musical groups including; Good Old Country Music, The Sweetwater Band, The Old Time Idaho Fiddlers and High Country Harmony. Coming from a very musical family, self-taught guitarist Burts will be playing with Dillon native Ross Stocker of Laurin. Ross is an accomplished musician who plays the guitar, sings and writes songs. Ross is a self-taught musician noted for his yodeling and says his ancestors are from Switzerland so his talent must be part of his heritage. Lois Johnson and Sandy Jennings add their wonderful singing voices to the group. Many of you know Lois and Sandy for their beautiful vocals with the group "4 in - A - Chord." Kim Bojkowsky plays the piano and has a wonderful singing voice. Classic Country is always a crowd pleaser and will entertain you with classic country western, gospel and cowboy tunes. Be sure to come early for a good seat and a great evening of entertainment. Sponsored by Murdoch's Ranch and Home Supply.
