FIGHTING FOR OUR CIVIL LIBERTIES

I vote against reauthorizing the Patriot Act every time it comes up in the U.S. Senate. I also fight to prevent the U.S. Government from eavesdropping on phone conversations between law-abiding American citizens and foreign citizens without a warrant.

That's because - like most Montanans - I firmly believe in the fundamental importance of our Constitutional rights, our civil liberties and our right to privacy.

Folks sometimes ask me why I continue to fight so hard against the Patriot Act. Well, the news about the National Security Agency collecting phone records of law-abiding Americans is 'Example A' for what happens when the government ignores the very Constitutional rights that make our nation great and respected around the world.

America is respected because other countries admire our rule of law. So while we must keep our families safe, we must do it in a way that preserves the principles that set our nation apart and lives up to the ideals set forth by our Founding Fathers.

The recent news shows us once again that we must remain vigilant in the fight for our civil liberties as we work to return our country to a course that properly balances our Constitutional rights with our national security.

As your Senator, I will keep fighting for our right to privacy and against the kind of government overreach that we've seen last week.

It's an honor to serve you in the U.S. Senate.

Be well, and keep in touch.

SOROPTIMIST CONVENTION

Two members of the Dillon Soroptimist Club went to the Northwestern Region Ninety-Fifth Region Conference. It was a cruise sailing from Seattle to Alaska with the theme "Discovering the Treasures Within."

Carol Malesich and Letha Kivinen along with their families went to the conference where they learned more about Soroptimist and the scholarships that the Region honored women in our region with. The Northwestern Region awarded \$39,000 in scholarship to many well deserved women to better themselves and their families lives.

**Dillon City Library to hold
Summer Reading Event**

The Dillon City Library's Summer Reading Program, "Dig Into Reading," will be hosting the Squidbelly Puppet Show June 20, 2013. The show will be held at the Old Depot Theater 10:00-11:00 AM.

This action packed adventure centers on a small fishing village called Chowder Bay. Unbeknownst to the townsfolk, a ravenous sea monster named Squidbelly is responsible for the disappearance of the large schools of fish the town depends upon. It is up to a young boy named Gumeris to use a magic book to unlock the mystery and save the town from the snapping beak of Squidbelly!

All programs are free and open to the public. Children 5 years and under must be accompanied by a parent or caregiver. See you there!

America's Worst Charities. By: MJ

The center for Investigative Reporting & Tampa Bay Times identified 50 worst charities in America; (organization that claim to help the needy but devote pennies on the dollar to the causes).

Identified below are ten charities and the percentage of dollars they collect that are given the charity.

% of direct cash aid.

- 0 -- American Foundation for Children with Aids
- 0 -- National Narcotic Officer Associations Coalition
- 0 -- Operation Lookout National Center for Missing Youth
- 0 -- Roger Wyburn-Mason & Jack M Blount Foundation for Eradication of Rheumatoid Disease
- 0 -- Project Cure (Bradenton, FL)
- 0 -- Survivors and Victims' Empowered
- .1 -- American Association of the Deaf and Blind
- .1 -- Disable Diabetes Foundations
- .1 -- Disabled Police Officers Counseling Center
- .4 -- Woman To Woman Breast Cancer Foundations
- .5 -- Hope Cancer Fund
- .5 -- International Union of Police Associations
- .5 -- Police Protective Fund

When you are donating ask how much of the dollar you give actually goes to the charity - what the website address of the charity is - does the caller work for a paid fundraiser, and if any local programs will directly benefit?
