Ellen Elaine Laknar

Ellen Elaine (Dumke) Laknar of Dillon, MT was born in Oshkosh, Wisconsin on September 3, 1927. Ellen passed from this life at home on the ranch on June 15, 2013. She was the Sixth of Sixteen children of Alvina Weiner Dumke, and Harvey Dumke. Ellen came to the Beaverhead Valley to live with her Aunt, Lil Freeman and attended grade school at the Nelson School on Anderson lane. She returned to Oshkosh for a time, continued

with school, and worked. She came back to Dillon to be with other family members who had moved there from Wisconsin. It was about this time when she obtained the nickname of "Eagle Eye Ellie". One way to pass the time and earn a little income was to hunt rattle snakes in the Hogback and Small-horn areas. "Eagle Eye" was pretty good at finding them, snaring them, and Ellen would then shoot them. There was bounty on the snake rattles at the time which gave her a little spending money.

She and George Laknar married on March 31, 1946 in Dillon at the St. Rose of Lima Church. George and Ellen had two children, Larry and Judy. Seven grandchildren and 12 great grandchildren call her Grandma Ellen.

George went to Toledo, Ohio, for butcher school and Ellen and the two kids went to Oshkosh and stayed at her mother's house. Ellen got a job working in a grocery store. When George completed the butcher schooling the family moved to Reno, NV in 1954. George worked as a butcher and Ellen worked at the JC Penney store in Reno.

The family returned to the ranch north of Dillon in 1958 where Ellen would spend the rest of her life. She worked with George making it work for that stability it meant. Pinochle was a passion, but you really did not want to try to keep up with her in tough game of "pounce".

There were always lots of out of town guests for her birthday and she always said the Labor Day activities were to help her celebrate. The usual celebration brought out of town relatives and guests stopping by to wish her happy birthday. Ellen is preceded in death by her parents, 14 of her brothers and sisters, her husband of 60 years George, one grandchild Seana McKelvey, daughter-in-law Margie Laknar, and numerous nieces and nephews. She is survived by her children

BARRETT
HOSPITAL & HEALTHCARE

Barrett Hospital & HealthCare was among 30 hospitals in the nation to be recognized for leading patient safety and quality improvement efforts that will decrease the risk of harm, improve patient outcomes, enhance the patient's experience, and ultimately lead to a reduction in healthcare costs.

Hospital acquired infections, falls, pressure ulcers, obstetrical harm, formation of blood clots, and adverse medication events are among the quality measures that hospitals monitor and report. Barrett Hospital & HealthCare has been analyzing data and taking steps to incorporate best practice standards of safety and quality into all aspects of patient care. In 2011 and 2013 Barrett Hospital & HealthCare was recognized as a "Top 100" critical access hospital, in part because of patient satisfaction, quality care, and safety. The hospital is embarking on a systematic process to further reduce and eliminate instances of preventable patient harm related to healthcare. Caregivers including physicians, nurses, technologists, therapists, nutrition staff, and social workers follow standardized protocols that have proven effective in reducing "harm events" and improving outcomes.

Ben Power, Quality Data Analyst for Barrett Hospital will be presenting the hospital's strategy and success stories at the Quality & Safety Roadmap Meeting, part of the 21st Annual Health Forum and American Hospital Association Leadership Summit, in San Diego, July 23-27. Barrett Hospital & HealthCare will be joining the nation's leading hospitals and health systems at this unique forum where health care leaders discuss the critical issues facing their organizations and network to find the solutions they need to be more successful.

By now you have heard that the 2013 gathering of "The Rainbow Family of Living Light" has chosen Beaverhead County as their site. Over the next few weeks there will be an influx of people in and around Beaverhead County, this includes Dillon. The Dillon Police Department cannot predict the impact on the Community. As a result of the amount of people that will be coming to Dillon, I would like to take this opportunity to ask the general public to follow these basic guidelines.

1. Remove any valuables that are currently stored in your vehicle, remove the keys and lock your vehicle.
2. Secure and lock all entrances to your residences, garages and out buildings.
3. Be aware of activity in your neighborhood.
4. Immediately report any suspicious activity to the Dispatch Center @ 683-3701.

As always, the Dillon Police Department will have units patrolling 24 hours of every day. If there are any questions or concerns that I can address for you, Please contact me at 683-3701.

PUBLIC INVITED TO BIRD BANDING EVENTS AT MT HAGGIN WMA

Mount Haggin Wildlife Management Area will host several opportunities for both kids and adults to observe bird banding while learning about the ecological effects of past mining activities and current restoration projects along the Clark Fork River. These events are part of the University of Montana's Avian Science Center's "Bird's-eye View Education Program" in cooperation with FWP. They are free and open to all.

Participants will:

- See birds "in the hand"
- Learn why biologists capture and band birds
- Find out what kind of data biologists collect.
- Gain bird ID skills and learn a few common bird songs
- Find out why riparian areas are so important to birds.
- Learn the history of mining activities in the Upper Clark Fork Basin and the effect those activities had on bird communities

lent (the mosquitoes can be quite numerous!) Bring binoculars if you have them and a camera if you'd like – this unique "bird-in-the-hand" situation creates nice photo opportunities. More information about this program at: http://avianscience.dbs.umt.edu/projects/bird_banding.php

Directions to Mt. Haggin

From Interstate I-90, take Exit 208 (Anaconda, Highway 1). Head west on Highway 1 toward Anaconda for approximately 3.5 miles. Turn south onto Highway 274/579 (Mill Creek Highway). There will be a sign for Wisdom at this turn. Go approximately 3.5 miles to the turn-off into Cabbage Gulch on the Mt. Haggin Wildlife Management Area. You'll be turning east onto a dirt road with a large brown wooden sign for Mt. Haggin WMA. Head approximately 1 mile up this dirt road, passing the shooting range on your left and going through a pipe gate. Once you near the banding station, there will be a few pull-outs along the road where other vehicles will be parked - you may park here. Someone will meet you there to guide you to the banding station.

Have you thought about giving back to your community?

Here's an opportunity for you to contribute and grow. The Women's Resource/Community Support Center is in need of Advocates who staff our hotline. Advocates must be at least 18 years old, male or female, must complete 18 hours of training, attend monthly meetings, and agree to work 4 shifts per month. Background checks are part of the screening process. Advocacy provides meaningful volunteer work that addresses healthy relationships in a vital way, providing growth opportunities for clients and volunteers alike. We will work with your individual schedules for training. Please call Connie @683-6106. Together we are "People Helping People".

More pets get lost on July 4th than any other day of the year.

Source: HomeAgain

Keep your dog safe this Independence Day.

Share these eight tips for enjoying the Fourth of July with your dog.

Be sure your dog is wearing an up-to-date and visible ID tag on her collar at all times.

Take a current photo of your dog, just in case.

Exercise your dog early in the day before parties begin.

During cookouts, ask guests to play with your dog away from the flames.

Keep charcoal, fireworks, sparklers and glow sticks far from curious canines.

Keep dog treats on hand for those who want to give your dog food.

Leave your dog at home with a frozen stuffed treat during the fireworks.

If your dog is afraid of loud noises, leave gentle music playing to cover the fireworks.
