Cowboy Music and Poetry at the Depot Theater

Patty Clayton and Sam DeLeeuw will be in performance on Sunday, June 30th, with Cowboy Music and Poetry at the Depot Theater in Dillon beginning at 3:00 p.m. The Beaverhead County Museum Association and Board of Trustees will provide pie and drinks for this Sunday afternoon matinee. Tickets will be available at the door.

Patty Clayton is a performing songwriter whose original ballads and borrowed songs celebrate the present and yester-years of the West. She knows her subject well; she was raised in the West in a family rich with ranching history dating back to the late 1800's. Sam DeLeeuw's honors and awards are too numerous to mention, but they include multiple-year nominations for Female Cowboy Poet of the Year from the Western Music Association. Sam's also the recipient of the 2008 Will Rogers Award for Humorist of the Year from the Academy of Western Artists.

Patty's pure vocals have delighted Western and folk audiences in a career that has spanned several decades, both as a solo artist, and accompanied on occasion by her band Cimarron Wind. She has been eagerly sought to share her instrumental talents and wonderful sense of harmony by groups Jill Jones & the Lone Star Chorale from Texas, and Denver based duet Liz Masterson and Sean Blackburn. Colorado's own Gary McMahan and multi-award winning vocalist Juni Fisher from Tennessee both wrangled Patty into the studio for harmony vocals on their respective recording projects. She has also been the featured opening act for Baxter Black, Don Edwards, and Ian Tyson at various gatherings throughout the Western United States.

Patty has garnered nominations annually for her vocal talents and was presented with a Western Swing Album of the Year Award by the Western Music Association for her most recent project 'Dancin' In Denver'. The Sunset Network Information Services Western Music Number 1 Rating for her release 'Astraddle A Saddle' also proves that Patty's recordings perform as well as she does. The Western Music Association named her Female Performer of the Year, and she was also presented with the Will Rogers Award for Western Music Female Vocalist of the Year by the Academy of Western Artists assuring her a spotlight amongst the West's best performers.

Make no mistake, Sam DeLeeuw knows what she's talking about. Twenty-plus years a rancher's wife, she's herded horses, cows, sheep and daughters. In college, she was the only girl in the LIVESTOCK SELECTIONS and FEEDS AND FEEDING curriculum, and was everybody's "favorite date" because she'd help with the spring branding. She can construct a perfect stack of hay, keep a calf warm on the floor of her truck or the floor of

her kitchen, and keep the scour medicine in her fridge separate from the salad dressing she made for last night's supper.

Beside all the gatherings she attends, the shows, fairs and festivals, trips to schools to talk with kids about Cowboy Poetry, Sam has, for many years, has been chosen as one of the judges for the annual National Cowboy Poetry Rodeo competitions.

Sam's background gives her all the ideas for her often humorous, but sometimes tear-evoking, stories. Much of her original poetry is taken from her own family's genealogy, happenings from day to day life, from people she's met and the places she's been. Raised in eastern (Blackfoot) Idaho, Sam now makes her home just outside of Ogden, (Roy) Utah.

Dillon Public Library Happenings!

The first of a series of four Tuesday night "Pajamas in the Parks" programs is scheduled for July 2nd at 7:00 p.m. in the Library's back yard. Get the kids ready for bed, bring the blankies and join us for bed time stories. After the stories we'll sing some lullabies, have cookies and milk, and then it's home to bed for the little ones. This is a quick and fun family event, and as always it is free and open to the public. In case of inclement weather, the program will be in the Library's basement programming room.

The library will be closed over the 4th of July weekend for some building maintenance and repair. There will be an early closure on Wednesday, July 3rd at 3:00 p.m., and the Library will remain closed through Sunday and reopen at 11:00 a.m. on Monday, July 8th.

VFW MEETING will be July 10th in the American Legion hall on Glendale Street at 7:00 p.m.

JAWBONE RAILROAD TO PLAY AT BANNACK

Saturday, June 29 at 7pm Jawbone Railroad will bring their great old time music to the old church at Bannack. In the early days of radio, before the big war, stringbands of all colors and styles roamed rural regions of the United States entertaining crowds of various sizes and reputation. Today, Jawbone Railroad stands as one of the only ones remaining. Singing songs of lost love, lost fortunes and lost virtues, Jawbone Railroad keeps the sounds of pre-war Americana alive—from low-down Delta blues to the rollicking fiddle tunes of Appalachia. With Jody Engstrom on bass, Blaise Arsenault on banjo and guitar, and Walt Burns on mandolin and guitar, they have been hailed as Southwest Montana's Favorite Old-Time Stringband Trio. This talented trio draws on an eclectic mix of fiddle tunes, mountain music and blues of the 1920-30s both classic and obscure. Sponsored by Stockman Bank.

Bannack State Park is located 25 miles southwest of Dillon, just

4 miles off Highway 278. All Saturday programs are free, out of state vehicles pay a \$5.00 park admission fee. Park hours are 8 am to 9 pm every day. For more information call the park at 834-3413.

YELLOWSTONE RIVER TO REOPEN IN LIVINGSTON AREA SATURDAY

Saturday, Montana Fish, Wildlife and Parks will re-open the Yellowstone River in the Livingston area to all recreation. A popular area for anglers, the closed stretch runs from Mayor's Landing fishing access site to 1000 feet below a construction site at the Park Avenue Bridge.

An emergency closure was put in place in December (and amended in April) to address safety concerns associated with the direction and force of the Yellowstone's current caused by a temporary work bridge at the construction site. Two boats were damaged when they collided with that temporary bridge.

FWP Commissioner Dan Vermillion says, "We are happy to be able to restore access to this important and especially popular reach of the Yellowstone. Thanks to all the anglers and other recreationists for their patience while we ensured it was once again safe for use."

INCREASE IN EMERGENCY DEPARTMENT VISITS

With any large event, hospital emergency rooms can expect to see an increase in the number of patients and visits. With the anticipated arrival of some 20,000 members of the 2013 Rainbow Family Gathering, 1000 plus visitors for the upcoming RATPOD along with the usual influx of summer tourists, the Hospital reports that things have been busy. Given that the attendance at the Rainbow Family Gathering will peak from June 29th - July 4th, Hospital officials anticipate busier days ahead.

According to Dr. Greg Moore, Emergency Physician at Barrett Hospital, "Holidays are always a busy time for the Hospital. People are outside, camping, boating and enjoying fireworks. We naturally see more people in the Emergency Department on holiday weekends than other times of the year. With so many people camping out in Skinner Meadows, and others riding the roads through the Pioneers, we can expect to see many outdoor related injuries and illnesses. I would expect to see injuries sustained in bike accidents, falls, dehydration, and other heat related injuries – not to mention injuries sustained in automobile and firework accidents or whatever else campers may encounter. We also are already seeing illnesses related to contaminated water, food contamination and poor hygiene associated with large group gatherings. Although we always hope for the best, we must be prepared for the worst."

The Hospital will pay particular attention to staffing during the next couple of weeks, and will work closely with partners such as the US Forest Service, Community Health Center, Beaverhead Ambulance, law enforcement and others.

For information, please call Barrett Hospital & HealthCare at 683-3000.
