LORETTA CATHRINE SPEHAR, 95

Loretta Cathrine Spehar passed away peacefully in her sleep at the age of 95 on July 11, 2013. Loretta was born in Bismark, ND, on January 8, 1918. She was the first of two daughters born to Jay and Christine Grills. She grew up with her younger sister, Gladys (Olson), in North Dakota and Miles

City, Montana, where she graduated from Custer County High School.

Loretta Spehar attended the Montana State Normal School in Dillon and graduated in 1938. She taught "country" school and drove the school buses at the Jackson and Reichle schools. Loretta married Bill Spehar in 1941. They made their home first in Glen and later in Dillon, where Loretta worked at the Dillon Tribune and kept books for the family auto repair business. Bill and Loretta raised their family in Dillon and called it home for the rest of their lives.

Loretta was a long time member of St. Rose of Lima Catholic Church where she taught catechism for many years. She was active in many community projects and was especially fond of her work with God's Kitchen and the halfway house. She also spent many years working with the museum, youth and school groups, and the University of Montana Western alumni and support groups.

Loretta was preceded in death by her husband Bill Spehar; her parents, Jay and Christine Grills; her sister and brother in law, Gladys and James Olson; and her grandson Michael Huffman. Loretta is survived by her children, Tona Lawson (Allen) of Dillon, Jay Spehar (Teresa) of Globe, AZ, and David Spehar of Dillon, and five grandchildren, nine great grandchildren, one great-great grandchild and numerous nieces and nephews.

Services will be held at St. Rose of Lima Catholic Church at 12:10 PM on July 16. The family extends a special thanks to Dr. Weed and the Barrett Hospital Home Health & Hospice programs. In lieu of flowers, donations may be made to these programs. A guestbook is available on-line at www.brunnagefuneralhome.com.

UMW'S CURIOUS MINDS HAS OPENINGS FOR CHILDREN 3 TO 8.

Curious Minds, the University of Montana Western's early childhood education center, has immediate openings for children three to eight years of age.

The center, conveniently located on the Montana Western campus, offers discovery-based learning for area children and hands-on training for the university's early childhood education students.

Center Director Jeff Jensen said openings are available for both full and half day, morning and afternoon. Parents are encouraged to call the center at (406) 683-7320 or (406) 560-8313 to schedule a tour and learn more.

Curious Minds is a fully accredited program staffed by early childhood education certified lead teachers and by UMW student teachers in training.

Jensen said Curious Minds helps nurture a love of learning by organizing projects and curriculum around child-initiated topics and interests. "Our goal is to facilitate active engagement and joy in learning through collaboration among the educators and children," Jensen said.

Parents are encouraged to become involved in the program through field trips and special events and by serving on parent advisory committees assisting with curriculum ideas and materials.

Curious Minds is open to community members and their children.

Forest Service Rainbow Wrap Up

On Wednesday, July 10, 2013, Patty Bass made a wrap up presentation concerning the Rainbow Gathering according to the Forest Service. The presentation was made to the Dillon Rotary Club.

She made many observations and revealed how the forest service interacts with the group. It includes the legality of the gathering as well as some historical and perspective.

Give the video a look. What it lacks in cinematic quality, it makes up for in good, interesting information. The members of the Rotary added to it with their questions. You can see the video at www.Today-InDillon.com or go direct to at <http://bit.ly/12rXOW>.**THE STORAGE PLACE**

Logging Traffic Alert in the North Fork of the Big Hole

Logging operations and log truck traffic will begin this week and run weekdays through Sept. 30 in the Pintler Creek drainage and along Forest Roads #185 and #1278. Recreationists seeking to access the Anaconda-Pintler wilderness via the trailhead above Pintler Lake or via the Mystic Lake portal are urged to watch for truck traffic on the lower North Fork road, & along Hwy 43 on the Wisdom Ranger District.

If you are travelling in that area during the work week, expect to encounter minor delays due to logging operations, as roadside hazard trees are being removed to enhance public safety.

Contact the Wisdom Ranger District at 689-3243 for traffic updates.

TRUCK STOLEN

On Thursday night a 1999 Red Dodge pickup truck was parked by the Taco Bus on Montana Street. The following morning when the owner came to work, the truck was gone. There was a large water supply container in the back of the truck along with a box for a microwave. If you know anything about this missing truck, please call 970-389-3677.

Myers Leaving the Beaverhead-Deerlodge NF

Change is in the wind for the Beaverhead Deerlodge National Forest as Supervisor Dave Myers is leaving Montana to become the Forest Supervisor of the Shasta Trinity National Forest in Redding California beginning July 29. "I've really enjoyed my time in SW Montana as well as working with all the great people throughout the area," said Myers. "Dillon has been a wonderful community to live in and everyone is friendly and very welcoming."

The Forest Service has begun outreach to fill behind Myers. Tim Garcia will be temporarily filling in behind Myers until the new Forest Supervisor arrives. Garcia currently works in legislative affairs in the Forest Service's Washington D.C. office, but has come up through the ranks of the Forest Service as a district ranger and has worked for the State of Utah as Deputy State Forester. Garcia will take over the reins in mid-August.

BUNDNER JUGENDCHOR TONIGHT

The Dillon community will have an opportunity to hear the Bundner Jugendchor on Monday, July 15, at 7:30 p.m. in the Beaverhead County High School auditorium.

The Choir is from the Graubunden state in Switzerland and is performing in both the Rexburg, Idaho, and the Missoula International Choral Festivals. It is through the Missoula Festival that Dillon is receiving this as an "outreach" concert. The festivals promote friendship and music between peoples of different cultures.

Singers are young men and women from 16-28 years of age. Founded in 2004 the choir meets in August to learn new repertoire and perform. They have participated in festivals and competitions, including the "Europa cantat" in Utrecht, Netherlands, the "European Youth Choir Festival" in Basel, Switzerland and "International Choir Competition" in Bad Ischl, Austria, where the choir won first place in the youth choir category in 2011.

Selections will be varied in style and language including Latin, French, English, Spanish and Swiss Folk. The concert will conclude with "Ewigi Liabi" (Everlasting Love) composed by choir member Simon Buhler.

Martin Zimmermann founded the group and has been its conductor since its inception. He was born in Wiesen, Graubunden, and graduated as a primary teacher before continuing studies as a professional musician at the academy of music in Zurich. His main instrument is the clarinet, but he also teaches saxophone, several choirs and orchestra at the school in Graubunden and is the president of the music commission in Graubunden.

The public is cordially invited to attend this free public concert and visit with the musicians at the reception following the performance. For information or questions call Laurie Hagenbarth (683-5050).
