Margaret J. Ryan Salvo, 76

Longtime Dillon Resident, Margaret "Peggy" Ryan Salvo, passed away peacefully in her home on July 11, 2013 after a brief battle with lung cancer.

Peggy was born in Deer Lodge, MT on November 9, 1936. She was the first of three daughters born to Pat and Margaret Ryan. She attended St. Mary's Academy and graduated from Powell County High School in 1954. She went on to attend Carroll College where she achieved a nursing degree and completed her nurses training at St. James Community Hospital in Butte, MT.

In November 1961, Peggy married Alfred M. Holm in Laurin, MT and they made their home in Butte. In 1962, Peggy and Al moved to Dillon shortly before the birth of their first child. They had four children together before Al's sudden death on January 13, 1973. Several years later, Peggy met Joseph Salvo of Dillon, MT and they married in Idaho Falls, ID on December 12, 1996.

Peggy dedicated her professional life to the care of the sick and disabled. She began her career first as a nurse and later became Director of Nursing at Barrett Community Hospital in Dillon. She then accepted a position with the Montana - Wyoming Foundation for Medical Care where she visited care facilities in the region helping to develop and improve nursing programs in community hospitals and convalescent homes. She ultimately returned to employment in Dillon where she served as Director of Nursing at the Parkview Acres Convalescent Center for over 20 years.

For over five decades, Peggy was a fixture in the Dillon community. She was a longtime member of St. Rose of Lima Catholic Church and for years was active in the Beaverhead County Democratic Party. She developed a true passion for square dancing in the 1980s and she and her husband Joseph would travel locally and around the country to perform in square dance events and festivals. Peggy not only enjoyed dancing but she loved music in general and could often be found at the piano in her living room playing Irish songs. She loved to tell stories about her years growing up on family ranches in Deer Lodge and in Madison County and would always get a laugh as she recalled her adventures in specific detail. Peggy also was a member at the YMCA in Dillon and over the past several years, looked forward to regularly attending her water aerobic classes.

Sienna Mark & Jennifer Womack in white shirts receiving gold medals

FCCLA GIRLS BRING HOME GOLD

For the past several months, Jennifer Womack and Sienna Mark have been working on a project in FCCLA (Family Career and Community Leaders of America) about distracted driving. Work included organizing an all school assembly and a pledge drive. After taking first place in Montana, they won the chance to compete at Nationals in Nashville.

On Monday July 8, they competed down in Music City, along with 3600 other Star Event Participants in 31 different competitive events. After waiting an agonizing 3 days to find out the results, Jennifer and Sienna were awarded the highest category gold medal. They were 2 of 28 golds for Montana FCCLA. There were also 33 silver and 3 bronze awarded to the great state of Montana .

Jade D 'Esposito also attended to take part in the FCCLA Leadership Academy to expand her leadership skills.

The girls took in what Nashville had to offer: touring the Wild Horse Saloon and learning line dancing, being a part of the live radio broadcast from the historical Grand Ole Opry with The Band Perry and Carrie Underwood, and cruising the inland river (which includes water from our own Fish Trap Creek) at the Opryland Hotel, as well

PUBLIC ASKED TO WEIGH IN ON ENVIRONMENTAL ASSESSMENT OF YEAR-ROUND HABITAT FOR BISON

Montana Fish, Wildlife and Parks and the Montana Department of Livestock are seeking public comment on a draft environmental assessment (EA) reviewing the potential for bison to occupy public lands adjacent to Yellowstone National Park year-round. A digital copy of the document can be downloaded at http://fwp.mt.gov/news/publicNotices/. Hard copies may be obtained at FWP Region 3 Headquarters in Bozeman (1400 S. 19th Ave).

The draft EA evaluates several options, or "alternatives," allowing for increased tolerance of bison in the Hebgen and Gardiner Basins. It also includes a "No Action" alternative which would result in no changes to current bison tolerance zones defined by the Interagency Bison Management Plan (IBMP). Prompting for the environment assessment came in part from the Citizens Working Group on Yellowstone Bison which formally recommended expanded tolerance for bison to the IBMP partners citing a shortage of habitat for bison given current populations within Yellowstone.

The alternative widest in geographic scope (Alternative B) would allow for bison to roam year-round in portions of the Gallatin National Forest near West Yellowstone north through the Taylor Fork drainage, and for bull bison to use areas north of Yellowstone National Park's boundary in the Gardiner Basin year-round. Other alternatives focus on smaller geographic areas on Yellowstone's western boundary or focus solely on the Gardiner Basin.

The draft EA will be available for public comment through 5:00 p.m. on August 13, 2013.

Comments can be emailed to YearRoundBison-EA@mt.gov, or mailed to:

MEMORIAL AND TRIBUTE FUND PURCHASE NEW VEHICLE FOR BARRETT HOSPITAL HOME HEALTH & HOSPICE PROGRAM

Many generous donors have given memorial or tribute gifts to Barrett Hospital & HealthCare's Home Health and Hospice Program. For many people, this is a way to honor a loved one who experienced an illness or passed away under the care and direction of one of the very special nurses from the Home Health and Hospice Program.

Barrett Hospital Foundation purchased a 2013 Chevrolet Equinox from Beaverhead Motors for the Home Health and Hospice program with these tribute and memorial funds.

Nurses travel ten's-of-thousands of miles each year, seeing patients in their homes. It's not uncommon for them to see someone in Monida, then travel to the Big Hole or over to Sheridan. They currently have a fleet of 4 two-wheel drive vehicles, including a vehicle donated by Pioneer Federal Savings & Loan. With six nurses and only 4 vehicles, a nurse may have to use their own vehicle.

According to Home Health and Hospice Director, Marie Holt, "Our patients don't have the luxury of "snow days." When they need care, we go. We've bummed rides from other hospital staff and I've even had to take George's truck on really bad weather days. With the new Equinox it gives us another option. We really appreciate the community for supporting our program."

In many cases, the seriousness of the patient's condition may warrant several visits per day. Some patients may require special care following their hospital stay. While they may not be fully recovered, the care and treatment they need differs from what they may be able to receive in the hospital. For many patients, the prospect of being home is a goal in and of itself, and our special care staff can facilitate their transition home. Home Health and Hospice nurses may administer medication, check wounds and monitor the patient's condition, change dressings, and counsel members of the family.

For more information on Barrett Hospital's Home Health & Hospice Program, call (406)683-6737.
