Underhill Rose brings Heartfelt Country Soul to Montana Female trio's "Something Real" hits Americana Airplay top 40

Underhill Rose, the female trio known for soaring harmonies and an ability to blend bluegrass, Americana, country, blues and soul into its trademarked "heartfelt country soul" sound, will tour Montana from Thursday, July 25 to Sunday, August 4. The

group's first western trek will include stops in Dillon, White Sulphur Springs, Ennis, Bozeman, Coram, Whitefish, Missoula and Livingston. The trio recently launched its sophomore album "Something Real," which has risen to the top 40 on the Americana Airplay chart.

Underhill Rose has Montana ties. Bass player and newest band member Salley Williamson called the state home for 10 years. She earned degrees from Carroll College, Montana State University and the University of Montana during her stay.

"Something Real" is currently ranked #35 on the Americana Airplay chart, #10 on The Alternate Root "Roots 66" chart, #21 on the Freeform Americana Radio chart and #23 on the EuroAmericana chart. The band recorded "Something Real" using money raised through a successful crowd-funding campaign, which generated donations from more than 300 people.

Underhill Rose blends aspects of Americana, rhythm and blues, country and bluegrass into one harmony-laden melody. The trio's original songs are wrapped in three-part harmonies and packaged with an eye-catching stage presence. The smoky voice of Eleanor Underhill joined with the soaring vocals of Molly Rose and the country twang of Salley Williamson creates a sound that is self-described as "heartfelt country soul."

Since forming in Asheville, NC in 2009, Underhill Rose has played throughout the Southeast including appearances at the Bristol Rhythm and Roots Reunion and the Warren Haynes Christmas Jam.

Underhill Rose's tour in support of "Something Real" runs throughout 2013, with appearances spanning the country. For more information, please visit underhillrose.com or follow the band on Facebook, Twitter, Instagram and ReverbNation.

THE BOBBY JOE TURNEY MEMORIAL SCHOLARSHIP FUND

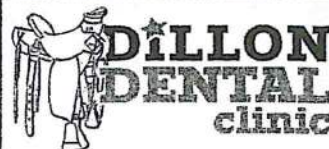

The winner of The Bobby Joe Turney Memorial Scholarship Fund for 2013 in the amount of \$500 is Austin Finch of Dillon. The fund was established in Bobby's name by his family to memorialize bobby in an honorable manner. Bobby was a positive influence and mentor in the community. He dedicated his entire life to his family and friends. He believed in working hard to achieve the success of owning and operating his family businesses. He also had a passion for fun. We want to ensure bob's name lives on and everyone remembers his bighearted love for life. The scholarship fund is a way to let his legacy live on.

These young people were graded by submitting a personal essay describing past or present community involvement, future goals, family values and ways that The Bobby Joe Turney Scholarship will assist in attaining these goals. In addition applicants must submit two letters of recommendation that address the candidate's personal and academic accomplishments.

Past winner are Reba Kluesner & Emily Paffhausen of Dillon.

Summer Reading Events

The Dillon Public Library will be hosting a variety of programs in the coming week for the Summer Reading Program, "Dig Into Reading." All programs are free and open to the public. Children 5 and under must be accompanied by a parent or caregiver.

Tuesday, July 23rd, 7 PM in the Library's backyard will be the final Pajamas in the Parks Program. Come in your pajamas and snuggle with your blanket to enjoy good stories. We will also sing lullabies and enjoy cookies & milk.

Wednesday, July 24th, 2-4 PM at the Old Depot Theater will be the final installment in the Movie Showcase of *Dirt: The Hobbit: An Unexpected Journey* (PG-13), based on *The Hobbit*, by J.R.R. Tolkien. A younger and more reluctant Hobbit, Bilbo Baggins, sets out on an "unexpected journey" to the Lonely Mountain with a spirited group of Dwarves to reclaim their stolen mountain home from a dragon named Smaug. Warning for parents: this movie contains material that may not be appropriate for all children.

CITY HAPPENINGS

By: Lynn Westad

City Council was called to order at 7:00 pm All council members present. There were four requests for street closures for events that are for the public to participate.

1. 7-26-13 Relay for Life
2. 8-2-13 Dillon Bar Appreciation Day
3. 8-30-13 Southwest Montana Arts Council
4. 9-26-13 Knotty Pine Tavern 2nd annual Brewfest

See You There

After one committee and one board report we moved on to a discussion on citizen complaints. There have been many citizen complaints about overgrown weeds in town. This being a very dry year the potential for fire is high. Many property owners will be sent letters putting them on notice to correct the problem. If not resolved the City will correct and a bill sent will be sent to the property owner. Please take care of the problem so you don't receive that letter or worse cost the city time and money to resolve. That being said the meeting was adjourned at 7:24 pm.

LOW, WARM WATER PROMPTS FISHING RESTRICTIONS; LOWER MADISON AND UPPER BIG HOLE AFFECTED

Consistent high water temperatures and low stream flows have prompted Montana Fish, Wildlife & Parks officials to close portions of two southwest Montana rivers to fishing from 2 p.m. to midnight daily beginning Monday, July 22 until conditions improve.

These "hoot-owl" closures have been issued for:

- Lower Madison River – from Ennis Dam (east of McAllister) to the Mouth
- Upper Big Hole River – from the headwaters (outside Jackson) to Dickey Bridge

In the area of concern, the water temperatures in the Lower Madison have exceeded 73 degrees for 18 of the past 22 days. Water temperatures in noted area of the Upper Big Hole River have exceeded 73 degrees for three consecutive days.

FWP's drought plan calls for angling restrictions to be imposed when maximum daily water temperatures equal or exceed 73 degrees for three consecutive days. The preferred water temperature for rainbow and brown trout is about 55-57 degrees. Brown trout, rainbow trout and mountain whitefish caught when water temperatures exceed 73 degrees exhibit an increased mortality rate (4% to 28%) due to the cumulative stress.

Anglers should also be aware that the Jefferson River may soon require similar restrictions. Current flows and temperatures are close to trigger thresholds identified in the Jefferson Watershed Councils Drought Management Plan developed in conjunction with FWP.

Biologists will continue to monitor the conditions on all southwest Montana rivers. If conditions deteriorate on the Lower Madison and Upper Big Hole, these rivers may be closed to all fishing all times of the day or the closures could be extended to larger reaches.

For details on all emergency angling restrictions and other drought updates, go to the FWP home page at fwp.mt.gov and select Drought & Fire under the Hot Topics heading, or check the FWP online fishing guide.

SHAKESPEARE IN THE PARKS IN DILLON WEDNESDAY, JULY 31

Montana Shakespeare in the Parks will open its 41st season of providing free professional theatre productions of the classics throughout Montana and four neighboring states in June 2013. On Wednesday, July 31, the traveling production will bring "Henry V" to Dillon's Jaycee Park at 6 p.m.

The summer season includes 75 performances in 60 communities prior to its conclusion on September 9.

Montana Shakespeare in the Parks (MSIP) brings professional productions at no cost to the public to communities throughout Montana, northern Wyoming, eastern Idaho, western North Dakota and eastern Washington. The company features 10 professional actors selected by national audition who tour without technical assistance to bring live theatre to communities primarily in rural areas.

"Henry V" will be directed by Artistic Director Joel Jahnke, who has been with the company since 1977. During his tenure, he has directed over 40 productions for MSIP including 19 of Shakespeare's plays. He has also directed for the Montana Repertory Theatre, Greasy Joan & Co. in Chicago and the Magic Circle Mime Company based in Seattle. This will be his second time directing "Henry V" for MSIP.

All MSIP performances are free and tickets are not needed for admission. Audiences are encouraged to show up prior to the appointed curtain time with blankets or chairs, a picnic supper and plenty of friends and family to enjoy the evening.

Montana Shakespeare in the Parks is an outreach program of Montana State University's College of Arts and Architecture. This summer, the entire summer season is sponsored by The Gianforte Family Foundation. Other major sponsors include Subaru, The National Endowment for the Arts, NorthWestern Energy, Barrick Gold Foundation, Montana Cultural Trust and the Montana Arts Council.

For more information on the plays and a complete tour schedule visit the company's website at shakespeareintheparks.org.
