Summer Reading Events

The Dillon Public Library will be hosting a variety of programs in the coming week for the Summer Reading Program, "Dig Into Reading." All programs are free and open to the public. Children 5 and under must be accompanied by a parent or caregiver.

Wednesday, July 24th, 2-4 PM at the Old Depot Theater will be the final installment in the Movie Showcase of *Dirt: The Hobbit: An Unexpected Journey* (PG-13), based on *The Hobbit*, by J.R.R. Tolkien. A younger and more reluctant Hobbit, Bilbo Baggins, sets out on an "unexpected journey" to the Lonely Mountain with a spirited group of Dwarves to reclaim their stolen mountain home from a dragon named Smaug. Warning for parents: this movie contains material that may not be appropriate for all children.

DAILEY LAKE FISHING ACCESS SITE IN USE BY FIRE PERSONNEL

Montana Fish, Wildlife and Parks is alerting the public to the closure of the west shore access road at Dailey Lake. At this time, the US Forest Service has requested the temporary closure in order to provide a safe place to station helicopters as well as an incident base camp for personnel fighting the Emigrant Fire.

This closure impacts two campsites along the west shore access road. The remaining campsites on the north and east shores of the lake remain open to the public.

Montana Fish, Wildlife and Parks will announce when the site is completely reopened.

Rainbow -Strangers in town

By: MJ

In the last month the county has temporally doubled $\pm$ the population. The Rainbow gathering came to town. This kind of increase to the population will bring problems that will require solutions.

I read in a newspaper where some Rainbow attendees were interviewed about the impacts to the land from such a large group of people. The people that were interviewed did not think that there were any adverse impacts. They did not use their real names when interviewed. Why did they use a fictitious name? Is it because they do not want to be held accountable? If you have a camping permit or grazing permit you must record a contact person or persons by their authentic name. If damages come about those people named on the permit will be sited and pay or suffer consequences.

Call and ask the forest service personnel how much the Rainbow organization pays for damages that might of happened, what their permit cost, if they had chemically treated toilets to dispose of their body wastes, garbage receptacles, how and who will reclaim the walking trails and etc?

Gather the facts on expenses by asking the mayor and commissioners to print a news article on the added expenses the Rainbow gathering has cost the tax payers. Remember the county has already added a tax to help pay for some of the expenses incurred by the Rainbows. Ask some of your business owners if their profit margins increased enough to over ride the extra cost?

Rainbows have experienced their fantasy and are on their way home, back to their world. They will never read or be told what the cost of the aftermath is. You, as a local tax payer, will notice when you get your next tax statement. As tax payers the people have a right to know what they are paying for.

TEMPORARY STREET CLOSURE

Please be advised that Cotton Drive will be closed through September 3, 2013 to all traffic due to street renovation in front of Parkview Elementary School and Dillon Middle School.

Sorry for any inconvenience the road construction and closure may cause. Thank you for your patience.
