MICHAEL RALPH VALDEZ

Michael Ralph Valdez, beloved Husband, Father, Papa, Brother, Uncle and Friend, passed away Tuesday, July 23, 2013 after a courageous battle with pancreatic cancer at Barretts Hospital in Dillon, Montana surrounded by his family.

Mike was born November 12, 1947 to Santos L. and Isabel Valdez in Ogden, Utah

Mike enlisted in the United States Army in 1967. After his enlistment ended, he started his career at Hill Air Force Base, Utah and retired after 30 years. He was currently employed at University of Montana Western as a Janitorial Supervisor.

In 1984, Mike met his soul mate and lifelong partner, Nora. They were married November 7, 1986.

Mike was an amazing man with a heart of gold. He never met a stranger and always made everyone feel like they were someone special. He loved spending time with his grandkids, camping, fishing, golf and finding lost treasures with his metal detector.

Mike had his lifelong dream come true in April 2013 of fishing in Alaska, made possible by generous donations from his coworkers at University of Montana Western.

He is survived by his loving wife Nora; his children, Nicole (Daniel) McMillen, Farr West, Ut.; Jake (Kelci) Hales, Dillon; Josh Hales, Dillon; Jon (Jolene) Hales, Dillon. His Grandchildren, Nick, Preston, Austin, MaCaila, Kamberlee Jo, Callie, Grace and Shiloe. Brothers; Vic (Carmen) Valdez, LaVerkin; John, Ogden; Sisters, MaryAnn (Rudy) Herrera, El Paso, TX.; Jenny (Joe) Hernandez, Washington Terrace, Aunts, Mabel and Cecilia, many nieces and nephews, and lifelong friends Mike and Joy Marston.

He was preceded in death by his parents and his son, Michael Jr.

Services will be held Saturday July 27, 2013 at Brundage Funeral Home 300 S. Atlantic St., Dillon, Mt. at 10am. Visitation will be Friday, July 26, 2013 from 6-8pm and a half hour prior to services on Saturday. Graveside services will immediately follow at Mountain View Cemetery in Dillon.

The family wishes to sincerely express their gratitude of services to Hospice of Dillon, The staff at Barretts Hospital, Dr.Tom Murray, Dr. Karen Weed and The VA Hospital in Helena, MT.

Underhill Rose moves up on charts

Underhill Rose, the female trio known for soaring harmonies and an ability to blend bluegrass, Americana, country, blues and soul into its trademarked "heartfelt country soul" sound, will tour Montana from Thursday, July 25 to Sunday, August 4. The group's first western trek will include stops in Dillon, White Sulphur Springs, Ennis, Bozeman, Coram, Whitefish, Missoula and Livingston. The trio recently launched its sophomore album "Something Real," which has risen to the top 40 on the Americana Airplay chart.

Underhill Rose has Montana ties. Bass player and newest band member Salley Williamson called the state home for 10 years. She earned degrees from Carroll College, Montana State University and the University of Montana during her stay.

"Something Real" is currently ranked #21 on the Americana Airplay chart, #4 on The Alternate Root "Roots 66" chart, #21 on the Freeform Americana Radio chart and #23 on the EuroAmericana chart. The band recorded "Something Real" using money raised through a successful crowdfunding campaign, which generated donations from more than 300 people.

Since forming in Asheville, NC in 2009, Underhill Rose has played throughout the Southeast including appearances at the Bristol Rhythm and Roots Reunion and the Warren Haynes Christmas Jam.

Underhill Rose's tour in support of "Something Real" runs throughout 2013, with appearances spanning the country. For more information, please visit underhillrose.com or follow the band on Facebook, Twitter, Instagram and ReverbNation.

What's in YOUR bag?

Stylish new Dillon Farmers' Market Shopping Bags are available at the market on Saturdays from 9 am to 1 pm, in the Wells Fargo Parking Lot in downtown Dillon. The bright yellow bags cost $5.00 for the first one, and $2.00 for each additional bag. Proceeds from the bags support the Dillon Farmers' Market in all the ways that matter. For example, there's a lovely new handicap-accessible portable toilet open to the public at the market this year.

In the past four weeks, the Dillon Farmers' Market averaged 20 vendors on site, from among a total of 34 member-vendors. In addition to the vendors, a number of supporters in the community have joined the market this year. The $5.00 general membership fee not only helps the market, but members receive a complementary shopping bag and have the opportunity to become involved in the future of the Dillon Farmers' Market.

INTERESTING SAYINGS:

Is America repeating history? Is this the propaganda that we are hearing today from politicians?

1. "This year will go down in history. For the first time a civilized nation has full gun registration. Our streets will be safer, our police more efficient, and the world will follow our lead in the future". Adolf Hitler, 1935

2. When government fears the people there will be liberty. When the people fear the government there will be tyranny.

Montana Fish, Wildlife & Parks NEWS

"HOOT OWL" CLOSURES EXTEND TO JEFFERSON AND LOWER BIG HOLE

In addition to the fishing restrictions announced earlier this week on the Lower Madison and Upper Big Hole Rivers, Montana Fish, Wildlife and Parks will also be imposing the following fishing closures from 2 p.m. to midnight daily beginning Thursday, July 25 until conditions improve:

- Jefferson River – entire river
- Big Hole River – Notch Bottom Fishing Access Site (southeast of Glen) to the mouth

Water temperatures in Jefferson and in the noted portion of the Big Hole have exceeded 73 degrees for a week. Flows have also dropped, reaching the triggers identified for fishing restrictions in respective watershed drought management plans.

FWP's drought policy calls for angling restrictions to be imposed when maximum daily water temperatures equal or exceed 73 degrees for three consecutive days. The preferred water temperature for rainbow and brown trout is about 55-57 degrees. Brown trout, rainbow trout and mountain whitefish caught when water temperatures exceed 73 degrees exhibit an increased mortality rate (4% to 28%) due to the cumulative stress.

Biologists will continue to monitor the conditions on all southwest Montana rivers.

For details on all emergency angling restrictions and other drought updates, go to the FWP home page at fwp.mt.gov and select Drought & Fire under the Hot Topics heading, or check the FWP online fishing guide.
