Relay For Life

There was a great crowd on hand to watch the opening ceremonies and take part in the opening dance performed by the Relay Committee and others in honor of the survivors.

The wind had caused some damage to the stand in the center along with blowing the luminaries over, and over again. That wouldn't stop the events from moving forward. The rainbow appeared and the walk for a cure was on. There were many contest and events that took place throughout the evening. One contest was the most decorative campsite and that went to BHH Rays campsite as pictured below.

Beside the good food and great cause, one of the most popular events was the dunk tank. There were many famous people who hit the water to help earn a little extra for the cause. Lee Pelletier, news & sports director at KDBM/KBEV, and the Pink Zone game warden Rick Schmauch, along with several officers wearing shirts that said Dunk a Cop, not a donut were among the crowd brave enough to get in the tank with the sharks.

It appeared that there was maybe defective equipment, because even when some of the young throwers missed the target, somehow the seat dump the men.

LAST CALL AUCTION FOR CADETS

Brad Day comes to Dillon to trap shoot from Idaho each year. He has been very impressed with the cadets from the Montana Youth Challenge Academy so he brought up a print called "Last Call" done by Dallen Lambson and donated it with the proceeds going directly to the Challenge Foundation.

The print will be displayed at PIONEER FEDERAL SAVINGS & LOAN this week. The final bid will be taken at the Beaverhead Gun Club Shoot, September 8, at the Trap Club. Stop, look and bid to support the cadets in this program.

Dillon Public Library Holds Final Summer Reading Events

This week, the Dillon Public Library will be wrapping up their Summer Reading Program, "Dig Into Reading." All programs are free and open to the public. Children 5 and under must be accompanied by a parent or caregiver.

Tuesday evening, July 30th, 7 PM in the Library's backyard will be the final Pajamas in the Parks Program. Come in your pajamas and snuggle with your blanket to enjoy good stories. We will also sing lullabies and enjoy cookies & milk.

Wednesday, July 31st, is the last day to vote in the Rock Shape Contest in the Library. This display of rock shapes is delightful, so we decided to open the voting to the public. Come in and pick up your ballot. The winner of the contest will be announced at the Grand Finale.

Wednesday, July 31st, is also the last day for children to cash in their reading hours at the Library for "Dirt Dollars." No "Dirt Dollars" will be distributed the day of the Grand Finale.

Thursday, August 1st, 9:45 AM - NOON will be the Summer Reading Grand Finale. The event will begin with a parade from the Alco parking lot, down Idaho Street to the Library. The parade begins at 9:45 am. Children can dress in costumes for the parade, and a prize will be awarded for the best costume. Children who participate in the parade will be admitted to the toy store first. The Library's yard will be full of games, food, face painting and fun. There will be a toy store in the Library basement. Children will use their hard earned "Dirt Dollars" to buy food and toys and participate in the carnival games. The winners of the summer reading grand prizes will be drawn at noon. Prizes for the Rock Shape Contest and Best "Dig Into Reading" costume in the parade will also be awarded at noon. Come enjoy your hard work and "Dig Into Reading."

Volunteers are needed for this event! We will need help in the Toy Store, help at the food booth and help running the carnival games. If you are interested, come to the Library and sign up! This is a great family and community event whereby we can recognize and reward our children for not letting their minds go on vacation just because school is out! Please join us.

Moose Meadows Fire

The Sunday morning report is on the the Moose Meadows Fire is that it is a Wildland fire, lightning-caused, reported on July 25, 2013, 18 miles southeast of Philipsburg, MT. It is in the Beaverhead Deerlodge National Forest. The current size of the fire is 1400 and Containment: 0%.

Saturday's Activity: Helicopters and retardant planes were heavily used to prevent the fire from moving to the southeast. Winds in the late afternoon resulted in substantial fire growth and smoke columns. As conditions allowed, personnel directly attacked the fire. Current Resources: The number of firefighters on the incident is 250. Resources assigned include six crews, five helicopters and support personnel.

Sunday at 6:00 a.m., management of the fire transferred from local resources to Shawn Pearson's Northern Rockies Type II Incident Management Team (IMT). Crews Sunday morning directly attacked the fire on the western edge near Whetstone Ridge. Field observers reported that the fire is continuing to burn in heavy beetle killed timber that is predominantly lodgepole with some subalpine fir. Throughout the day, live embers were blowing ahead of the fire and creating new starts. Additional firefighters have been ordered to respond to changing conditions and continue to make gains on securing the perimeter of the fire.
