Montana Fish, Wildlife & Parks

NEWS

LOWER BIG HOLE TO CLOSE TO FISHING ENTIRELY WEDNESDAY

Fish, Wildlife and Parks will now be imposing a full closure to fishing effective Wednesday, July 31, on the Lower Big Hole River, from Notch Bottom Fishing Access Site (south-east of Glen) to the mouth, until conditions improve. Flows have continued to drop on this stretch of the Big Hole already under daily restrictions limiting fishing to the morning hours.

Along with continued high temperatures, flows on the Lower Big Hole have dropped below 100 cubic feet per second – the point at which the Big Hole Drought Management Plan calls for a full closure to fishing.

Biologists will continue to monitor the conditions on the Big Hole and all southwest Montana rivers. It may be necessary to implement further restrictions and closures as the summer progresses.

Outfitters and anglers can stay up to date on all emergency angling restrictions by going to the FWP home page at fwp.mt.gov and selecting Drought & Fire under the Hot Topics heading.

MONTANA HEADLINES LOOK LIKE BIG CITIES

The Montana headlines are filled with crimes from drive-by shooting, vehicle hitting pedestrian, driver dragging a person, fires, lightening and more and more crimes. There seems to be plenty of crime no matter how small the Montana cities are. There is much that goes on even in Dillon that we know little about.

I showed up at work not long ago and my door would not unlock. Looking closer I saw that the door had been pried on. Someone had tried to put a crow bar (the marks were in the door) to the top of the door to get it open. The attempt had failed, but the door needed a little twisting to get back in shape. It appears as if we should all be more aware of what is going on around us and keep our eyes open a little wider.

We have heard stories of people cutting screens and going into houses in the night. This time of year, people like to have a little evening air, however, please keep in mind your own safety. When you go to bed, lock your doors, not just the screen. Keep your vehicles locked when parked on the street, put stuff out of site in the vehicles or in your garage with the door closed, help yourself from being the victim.

MOOSE MEADOWS FIRE

The fire is at 3,000 acres with 30 structures threatened and the strategy is for full suppression. Today's Activity: Slightly cooler temperatures aided by cloud cover allowed crews to increase containment to 10%. Aircraft continued to provide support with water and retardant drops plus logistical support for spike camps. The structure protection group continued installing hose lays and sprinklers near structures threatened by the fire. Crews and helicopters are working closely to keep the fire west of Roads 5106 and 80 and east of Road 5107.

Current Resources: The number of firefighters on the incident is 488. Resources assigned include fourteen crews, five helicopters, fifteen engines, three water tenders, two dozers, four skidgines, four feller bunchers, and support personnel.

Planned Actions: The weather forecast for Wednesday calls for increased cloud cover as some moist fronts move through the area. These fronts are expected to bring unstable air, minimal moisture, possibility of lightning, and gusts of wind up to 45 mph. These weather conditions could slow firefighters' progress. Crews will continue fireline construction along the northwest and southwest flanks. While aircraft continues its aerial assault. Structure protection will patrol for spot fires along Roads 5106 and 80.

Special Messages/Closures: The Evacuation Order issued on July 28th by the Granite County Sheriff is still in effect. The Evacuation Order affects the Middle Fork Road, south of the junction with Forest Service Road 5130. Displaced Evacuees may call the Department of Emergency Services at (406) 360-1626. An evacuation shelter has been established at Granite High School in Philipsburg.

Jeff and Kim Mikunda came to Montana from Wisconsin. They have been in Montana for fourteen years and they have one daughter, Kaycie.

Jeff was diagnosed with pancreatic cancer on May 13, 2013. Jeff works at Murdoch's and is well known for his ready smile and lively banter while he helps customers find what they need. He also works for MT Fish, Wildlife & Parks in the Fisheries Department taking care of the fishing access sites in the Beaverhead County area.

Jeff and his family are facing many trips to the doctors and the financial worries that go along with treatment. Although they won't ask for help, we would like to ask for your help.

The benefit dinner at the Elks is for friends and acquaintances to gather together to bid on the auction items or to donate cash. If you don't feel able to do that and would like to help, we could use help putting the dinner together. We need people to set up, organize auction items, cook or serve food, collect donations, clean up or just be there to fill in where we need you. We would like to thank you in advance for helping the Mikunda family.

The dinner will be at the Elks Club on

Saturday, August 3rd, 2013, from 6 p.m. to 9 p.m. \$10 at the door.

Music at Benefit: Cowboy & the Lady Bill & Cheryl Johnson

RELAY FOR LIFE PLANNING NEXT YEAR

Diana Brown has been working on the Relay for Life since 2008 and says she is making notes for next year. She was this year's chair person and head ring leader. Diana wanted to be sure to thank EVERYONE, that came to participate, businesses that donated, the community, volunteers, people that give money and time, and the family of the volunteers that have to do without while they plan the Relay for Life, again THANK YOU!

This year they have raised \$31,126 so far, the goal was \$32,000 and there has been a little money still coming in. There were 229 participants signed up for the event.

Diana said that of the money raised, 47¢ of each dollar stays in Montana and 33¢ goes for research. For her, she says, the most rewarding part is honoring and celebrating with the survivors. The longest survivor, Maxine, is a 26 year survivor and the newest is her daughter Jennifer at 3 months out. We hope to bless them with strength and courage, love and support.

Her committee was made up of 14 other people and if you would like to join the committee or would like more information or to donate, call Diana at 683-5466.
