Black Bear Spotted

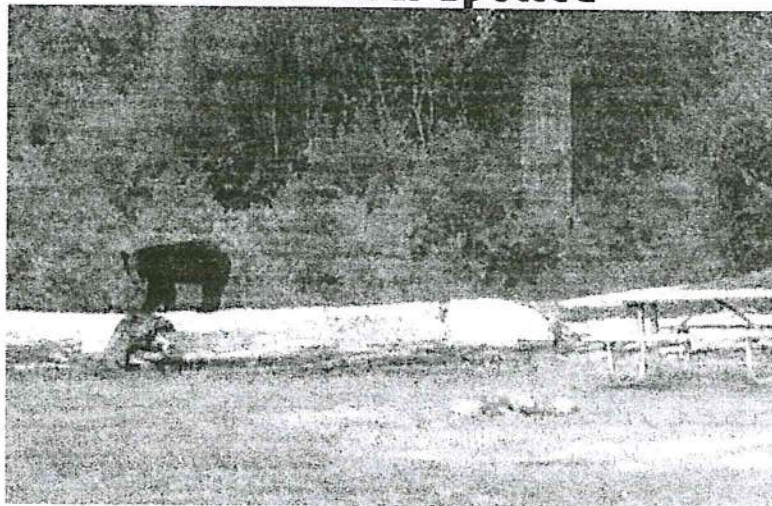

**Photo and story submitted
by Alan Blakley Of Utah**

A juvenile black bear was spotted Wednesday evening about 7:00 pm at the Salmon Fly campground and boat launch in Melrose. The bear invaded several camp sites and destroyed at least one camper's tent in its search for food. The campers attempted to scare the bear from the area but the bear was unaffected and continued to dig through garbage cans and abandoned camp equipment as campers looked on. The bear was last seen carrying a sack of trash into the trees surrounding the campground. Montana wildlife officials closed the Salmon Fly Campground in Melrose on Thursday and have set up a trap to capture the bear and remove it from the area. A wildlife officer has been assigned to monitor the area pending the capture of the bear.

SATURDAY PROGRAMS AT BANNACK STATE PARK CANCELLED

Clean up work at Bannack State park is continuing after a devastating flash flood that occurred on July 17. Clean up crews are busy removing debris, drying buildings and removing hazards at the park. At this time we have not determined a reopening date and the park is closed to the public. The barn dance scheduled for this Saturday evening at 6pm has been cancelled. The raptors of the Rockies program scheduled for Saturday August 10th has also been cancelled. We hope to continue with the remaining schedule of Saturday programs when the park reopens. We will post updates as to the reopening date of Bannack when we have a better idea of when it will be safe for visitors to return to the park. Please check this site for the latest information on the reopening date: <http://stateparks.mt.gov/bannack/>

Dillon Farmers' Market Going Green

The Dillon Farmers' Market is starting to "green up" as local gardens come into production. Last week we saw Flathead Cherries as well as local lettuce, tomatoes, swiss chard, zucchini, peppers, rhubarb, turnips, and garlic tops. An array of beautiful living plants was a pleasure to walk through, set out for sale by Southwest Montana Native Landscapes.

There was an outstanding variety of fresh baked goods, and Montana Morning Coffee was also offering a salsa spice mix from an original family recipe. G.O.'s Jerky barn was on hand with their popular meat and cheese products. Looking through the tables, we saw photos and note cards, soap and lotion, jewelry, items knitted, crocheted, embroidered, and sewn, and wood carvings all displayed for sale by their makers. The Campus Community Garden was on hand with an activity for children. Last but not least, the Bannack Association displayed photos and shared information about the flood damage at Bannack, and did a brisk business in gift shop items.

The bright yellow Farmers' Market shopping bags are in style – a great way to brighten your day and support the Dillon Farmers' Market for just \$5.00 for the first bag, and \$2.00 for each additional bag. To get your bag, and find ways to fill it (it is the exact size needed to carry a pie, for example), come to the Farmers' Market on Saturday, from 9 am to 1 pm in the Wells Fargo parking lot on Montana Street.

**Donors Needed to Replenish Late
Summer Blood Supply**

The American Red Cross Blood Services, Lewis and Clark Region is urging blood donors to take time out of their busy schedules to roll up their sleeves and donate blood. The Red Cross would like to strengthen blood inventories to be prepared to meet any additional blood needs over the final holiday weekend of the summer.

With only a few weeks before the start of the school season, the Red Cross urges all current and eligible new donors who have not given blood this summer to help combat the Region's shortage by donating blood.

Blood products are routinely transfused to those with cancer and other diseases, premature babies, organ transplant recipients, and accident and trauma victims. Volunteer blood donors are the primary source of blood used for transfusions, and the blood must be there before it is needed in order to save lives.

Any healthy person age 18 (or age 16 & 17 with signed parental consent) or older and weighing at least 110 pounds may be eligible to donate blood. Valid identification is required for all blood donations.

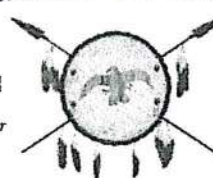

All eligible donors are asked to donate at the Dillon Community Blood Drive on Monday August 12th at Our Savior Lutheran Church from 2:00 PM to 6:00 PM. To make an appointments, call Ruth at (406) 683-6357 or go online at redcrossblood.org. Walk-ins are welcome but donors with appointments will receive priority.

About the American Red Cross: The American Red Cross provides relief to victims of disasters at home and abroad, collects and distributes nearly half of the nation's blood supply, teaches lifesaving skills, and supports military members and families. The American Red Cross, a charity and not a government agency, depends on voluntary contributions of time, money and blood to perform its humanitarian mission.

STORM CAUSES MAJOR DAMAGE

The storm that blew through Thursday afternoon cause major damage in Southwest Montana. There is crop damage in the area from Jackson to Manhattan and Churchill. The reports are that up to 90% of crops in some of those areas are destroyed. The picture of hail shown here is from Jackson after the storm plowed through. There were wind gust of 67 miles per hour in Jackson, and 70 in Polaris. The wind gusts however, reached 90 miles per hour in Twin Bridges.

The most damage seems to be in Twin Bridges where the Madison County Sheriff's Office Public Information Officer Steve DiGiovanna says he saw a video that was taken and it appears that a funnel cloud touched down. The down town, with several historical buildings, seems to have been hit the hardest. The Historical Society museum has much damage to the roof and front of it. The car wash roof was blown off, there are over 100 trees down with many more branches down and roots pulled out and power lines down in many locations. Disaster and emergency services are working on getting power to the area as well as to over 1100 Butte area people who are also without power. The power last night was out at the hospital in Butte and the KXLF TV station.

They were just a couple of the places running on generators in Butte & Twin.

There were six 50 KV main line power poles that went down near the airport in Twin. That will cause the town to be without power for 24 hrs to three days.

The Veterinary clinic outside of town had the roof blown off. There was a trailer crushed by a falling tree, a grandstand at the Madison County Fairgrounds was destroyed, there was a truck in Sheridan that was reported to be crushed by a tree also.

Phony scandals? How about a phony president?

By Chuck Dishno

How dare President Obama call Fast and Furious, Benghazi, The IRS fiasco and any other thing that seems to get in their way of his agenda to transform America? How dumb does Obama and the majority of his party think we are?

Hey guys, I know we are smarter than that and see through all this stalling by trying to take pressure of what is really happening. I do give them three degrees though, BS, MS and PhD. We all know what BS is... MS is more of the same and PhD is piled higher and deeper.

How much more of this crap do we have to take before someone wakes up and stop this idiotic nonsense? It must be stopped before our beautiful America goes down in flames. I am glad that I am 79 years old and may not live to see this happening but I fear for my children who won't know America as you and I knew it.

Soon Obamacare will kick in big time and we will all be suffering the consequences, Democrats, Republicans and Independents alike. It must be stopped now before it is too late. The only ones who seem to be protected from this scourge are Obama's cronies who backed him in his re-election. But even some of them are backing out as they see what an impact his ideas will make on the country. Just ask yourself why members of congress are exempting themselves from Obamacare.

I invite all you liberals to come back in a few months and tell me you are happy with your new health care premiums and reduced coverage by your doctor and hospital. I think you will have a different opinion than you do now.

Ben Franklin said, in 1789, "Nothing is sure but death and taxes." Now there is Obamacare.

We must stop this administration's radical agenda before it is too late. Let's all get together and bring back the America that we grew up with. Most of us are living on the edge now and cannot afford any more taxes. It has been proven in country after country that you cannot tax yourself into prosperity. It takes hard work and growth in the private sector. Then and only then will we be a productive nation and continue to be a leader in the world.

May God Bless America and God bless all of you who think and feel as I do. We are not a bunch of phonies.

My name is Chuck Dishno and I approve of this message.

Letter to the Editor
Dillonite Daily
LaVon D. Brillhart

He's back in the news. You know! Mr. Hot Dog or his other name is Anthony Weiner. Mr. Weiner former Congressman who got into trouble for sending lewd pictures of himself on his phone and computer.

Now Mr. Weiner is in trouble again for the same sexting scandal. But now Mr. Weiner wants to be Mayor of New York City in spite of a new scandal.

Let's look into Mr. Weiner what causes him to do these brainless things. We all know that a weiner is also a "frankfurter". The first part of "frankfurter", is frank. And frank is to be candid and open. Yes, Mr. Weiner has been very candid, they have the pictures to prove this fact. So what's the big deal?

To be candid is to be straightforward, open and free. Can't comment on straightforward but in regards to free he might be free from running for the office of Mayor.

He was open, yes to certain people. Open means to be exposed and uncovered. Apparently he was exposed and uncovered. The pictures prove that.

And to expose is to reveal, show or to uncover. He did that, he followed his course of action.

So what's all this fuss about? He didn't torture anyone. Oh, his wife is in torture and possibly Mr. Hot Dog is in some form of torture to himself.

Mr. Weiner resigned from Congress because of his wrong doings. But Mr. Hot Dog, I mean Mr. Weiner did not learn from his past mistakes. Now let's be frank about his whole deal. He will make great Mayor for New York City. You can drink all the large soft drinks your want. Hot dogs for all citizens. And what is one more rat in New York City? It will be a great deal. Maybe it will be a nude deal, no sorry a "new deal."
