FERN ELIZABETH HILDRETH

Our sweet Fern Elizabeth Hildreth peacefully passed away on August 9th 2013 surrounded by those who loved her. Her amazing optimism, determination, and love for her family and friends helped her through her valiant fight with cancer. During treatments, Fernie's sense of humor delighted doctors, nurses, and therapists and other patients who surrounded her.

Fern was born 29th March 1956 to Raymond and Darlene (Goodfellow) Hildreth. In

her early years she lived in Armstead, and later was raised in Dillon until she graduated from Beaverhead County High School. She was a member of the Church of Jesus Christ of Latter-day Saints, and had a deep abiding love for the Savior and his unconditional love for her.

Fern had a contagious love for life, laughter, and holidays. Her spirit radiated sunshine to all the lives she touched. She loved being outside in just about any capacity from; gardening, horses, biking, swimming, tennis, to sleeping under the stars, and any family activity. She had a passion for crocheting afghans, and making quilts for all family members.

Throughout high school she stayed active in many clubs and was a cheerleader for the Beavers. She was Dillon's Jr. Miss for 1973-74. After High School, Fern married Brand Thornton, and together they had four wonderful children; Nick, Chad, Jesse, and Brandee. They moved to Colstrip, Mt. where they made their home and raised their family. They were divorced in 1992.

Fern worked for the school system and was in charge of the reprographics department. She drove bus for the school and all their different activities. She dearly loved the association and friendships with the children that she met along the way. She was always laughing at what the kids had to say. Fern also worked many years, as a part-time driver for Sarpi Transportation. She certified in Interior Design where she was able to express her artistic gifts. She was married to Arnold Garner for 20 years.

Fern's lifetime of unconditional love and goodness for everyone was returned to her tenfold during her illness by so many lifetime family and friends. At this time we want to ex-

Montana Fish, Wildlife & Parks

NEWS

ALERT: UPPER BIG HOLE TO CLOSE TO FISHING SUNDAY

Low stream flows and continued high water temperatures and have prompted Montana Fish, Wildlife & Parks officials to close the Upper Big Hole River from Rock Creek Bridge (5 miles upstream of Wisdom) to the mouth of the North Fork Big Hole (approximately 14 miles downstream from the Wisdom Bridge) to all fishing effective Sunday, August 11 until conditions improve.

Flows on the Upper Big Hole in the area noted above have dropped below 20 cubic feet per second (cfs) for three consecutive days. FWP's drought plan calls for angling closures to be imposed when this occurs. This closure will remain in effect until flows improve to at least 40 cfs for seven consecutive days with water temperatures less than 70 degrees for three consecutive days as well.

FWP biologists will continue to monitor all southwest Montana rivers to ensure the health of local fish populations. FWP appreciates the patience of the angling community.

For details on all emergency angling restrictions and other drought updates, go to the FWP home page at fwp.mt.gov and select Drought & Fire under the Hot Topics heading, or check the FWP online fishing guide.

PLEASE HELP ME FINE A 20 YEAR COLLECTION

A small plastic fly box about 4x5 inches was lost in the lowest section of the river by Barretts Park. If you have found it or find it out there, please call Womack's Printing & Photo Express or Frontier Anglers. The gentleman from out of town would really like to get it back, there are some very special memories to his collection.

Indian Creek Fire

Detected: August 8, 2013, caused by lightning is located 4 miles NE of Sheridan. Acres Burned: 118

Containment: 30%

Total Personnel: 80

Resources:

- 2 Handcrews (Flathead Hotshots and Beaverhead-Deerlodge NF Crew #9)
- 6 Engines
- Misc. Overhead
- 2 Helicopters
- 6 Smokejumpers

Summary: Firefighters continue to make good progress on the Indian Creek fire. As they work toward full suppression the plan is to continue to build and secure fireline and work on mopping up hot spots within the interior today.

The fire is burning grass and sage brush in steep terrain, and is moving towards the north and east. Local volunteer fire departments are providing structure protection and support on the fireline. Area residents and visitors are being advised to limit their travel on Wisconsin Creek and Indian Creek roads due to high fire traffic activity and firefighting equipment on these roads.

LAST CALL AUCTION FOR CADETS

Brad Day comes to Dillon to trap shoot from Idaho each year. He has been very impressed with the cadets from the Montana Youth Challenge Academy so he brought up a print called "Last Call" done by Dal-len Lambson and donated it with the proceeds going directly to the Challenge Foundation.

The print will be displayed at Murdocks this week. The final bid will be taken at the Beaverhead Gun Club Shoot, September 8, at the Trap Club. Stop, look and bid to support the cadets in this program.
