HELP RAISE MUCH NEEDED FUNDS

Stan Smith, Past President of the Bannack association, is heading up a committee to help raise much needed funds and develop a master list of folks wanting to volunteer with their time, tools and talent in the aftermath of the flash flood that occurred in Bannack on July 17th. Mitch Staley has developed a donation site on line for those that desire to help with donations at <https://rally.org/rebuildbannack>. Wally Congdon, Norma Duffy and Smith have enlisted the talents of local musicians Jerry Burts, Ross Stocker, Annella Jo Perry, Lois Johnson & Friends as well as Sunday Best, Barb Wire, Gilmore City Council, Man Chapel Boys and cowboy poets Denise McRae and Stan Smith. Bannack Assoc. President. Otis Anderson will appear as Brother Van where he will hold an old fashion church service and the 4H children will perform "History Mysteries". There will be a silent auction of Bannack related items and art as well as a slide show of the flash flood, the aftermath and its cleanup progress. The Association will provide refreshments and collect donations and names of folks wanting to volunteer to help.

Letter to the Editor

Kudos to la Von...

By Chuck Dishno

Good job, to my friend LaVon Brillhart for pointing out to us, in last week's Dillonite, all the things we use that are outsourced to other countries.

I am as guilty as anyone of us who use these products and it need not be so. If we would only look for the products that say "Made in the USA" and refuse to purchase items from those countries that reap the harvest from our stupidity we could stop this nonsense. It may cost us a few cents more but in the long run we might bring back those products and give the work to our own citizens. We know we make a better product and would not be faced with calling India to learn how to set the timer on our video players.

I am ashamed to say that as I look around my own house how many things are made in foreign countries. Why should we patronize them?

I am proud to say that I own two American made Fords and my scooter was manufactured in Pennsylvania. I am also proud of the fact that my beautiful Chinese wife, Roz, was not made in China. She is a California born lady.

Let's all pull together and do our part in bring jobs back to the greatest country in the world, our own United States of America.

God Bless all of you and may God Bless America!

CEMETERY WALK

The third annual Cemetery Walk is slated for Tuesday August 20. Be at the Mountain View Cemetery in Dillon by 6:00 pm to begin the walk. This year William Orr, Mary Graeter, the Conrad Meine family, and Dr. R. H. Ryburn will be presented. Follow the balloons & arrows from one point to another.

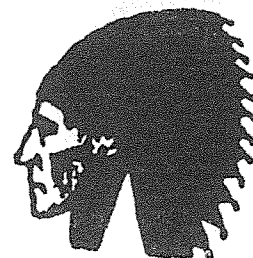

Bring a portable chair, if you would like, so you don't have to stand. You may want to bring bug spray or a jacket, depending on the weather. There will be punch & cookies afterward, with time for mingling. Invite family and friends so no one misses out on this once-only performance. The Beaver Head Hunters Genealogical Society is hosting the event.

LOOKING FOR VOLUNTEERS

The Chamber of Commerce is looking for a few volunteers from August 26th through August 30th to help out with the tourist information center for a couple of hours a day. If you are interested, please call Jamie Cottom @ 683-5511 or Wendy Alvarez @ 683-2800.

Born in 30's, 40's, 50's, 60's, 70's:

By: MJ

Congratulations: You had parents that set boundaries, rules and made sure you understood them. You survived without child proof bottle caps, slept on your tummies in your crib, had no locks on cabinets, no doggie doors on the stairs and you rode your bikes with baseball caps. You might of been able to ride in the back of the pick-up truck with your bike.

You shared one bottle of pop with your three friends, ate cupcakes, white bread, real butter and bacon... You drank Kool-aid with white sugar and you were not over-weight.

You survived without cell phones even though you left the house in the morning, played hard all day long. Oh Yes; you had better have been where you told your mother you were going as she would check you out. It was not a good thing if you were not where you were supposed to be.

You swam in privately owned ponds, jumped from a rope tied to a tree branch, built go-carts, fixed broken bikes, climbed and fell out of trees, broke bones, got cuts, broke teeth and there was no lawsuit filed.

You had friends you talked to, agreed and disagreed with. You did NOT have the technology available today where you would be sitting alone playing games or watching T.V. and eating all day long.

You had parents that when they wanted you out of their hair they would laid down rules, regulations and boundaries and told you to get your chores done and then go out and play. You had parents that expected you to go to school, follow the rules and respect the teachers. You had parents that expected you to be at the dinner table at 6:00 p.m., take your plate off the table, help with dishes or other chores and if time allowed you to go out a play.

TEMPORARY STREET CLOSURE

Please be advised that Cotton Drive will be closed through September 3, 2013 to all traffic due to street renovation in front of Parkview Elementary School and Dillon Middle School.

Sorry for any inconvenience the road construction and closure may cause. Thank you for your patience.
