MONTANA CHAMBER CHOICES

Know Your Numbers!

September is recognized as National Cholesterol Education Awareness Month. Having high cholesterol puts you at risk for heart disease, the leading cause of death in the U.S. According to the Centers for Disease Control (CDC) nearly one in six adults in the U.S. has high cholesterol.

People diagnosed with high cholesterol are also at a higher risk of developing heart disease. While "cholesterol" can often have a negative connotation attached to it, it is important to understand that there are two different types of cholesterol. First your LDL meaning low-density lipoproteins makes up the majority of the cholesterol in the body. The second type of cholesterol is HDL meaning high-density lipoproteins, which is considered to be the "good" cholesterol. High levels of HDL's can help reduce the risk of heart disease and stroke. (www.cdc.gov)

Healthy behaviors are a key player in keeping high cholesterol at bay. But if your healthy behaviors are lacking you could be putting yourself at a higher risk. Diet is one of those behaviors that is very important. Certain foods can raise your cholesterol levels. Weight is also a major player in the cholesterol game. Last but not least, physical activity is a very important behavior. Not getting enough physical activity can make you gain weight which in turn leads to higher cholesterol levels.

Knowing your numbers is important! If you have high cholesterol typically you will not show any signs or symptoms. The best way to prevent high cholesterol is to get a blood test. Wellness screenings are an easy way to get these tests done. As a Chamber Choices customer these are included in your added benefits. Over the last few months Chamber Choices has hosted several wellness screenings across the state. This month there are screenings scheduled for Libby on 9/4, West Yellowstone 9/4, Dillon 9/6 and Ronan 9/6.

Wellness and prevention have always been very important in the Montana Chamber Choices Health Insurance program. Prevention is extremely important for early detection and treatment for a number of illnesses/diseases. There are many preventative benefits available through our plan options. We encourage you to become more familiar with your numbers and get your blood tested. For more information on Chamber Choices please go to www.ChamberChoices.com.

DILLON MIDDLE SCHOOL 2013-2014 BACK TO SCHOOL NEWS

Dillon Middle School looks forward to another great school year in 2013-2014! Cottom street out front is nearly finished and we are excited to get started. This year school will start on Tuesday, September 3rd. DMS welcomes back all returning 7th and 8th graders and welcomes the incoming 6th graders, as well as any new students to the Dillon community.

DMS will hold its annual student/parent orientation and "Taking Care of DMS Business" Night for incoming 6th graders and all new students on Monday, August 26th at 7:00 p.m. in the DMS gym. For all returning 7th and 8th grade students, orientation night is scheduled for Tuesday, August 27th also at 7:00 p.m. in the DMS gym. All parents/guardians are expected to attend with their sons/daughters and at this time you may pre-pay for lunches, yearbooks, planners and lock deposits as well as get many of your questions answered. Additionally, class schedules will be handed out.

DILLON MIDDLE SCHOOL FALL SPORTS BEGIN. Football will begin practice on Thursday, August 22nd at 9:00 a.m. to hand out gear. Volleyball will begin practice on the 22nd at 4:00 p.m. Finally Cross Country will begin practices on Monday, August 26th at 4:00 p.m. Volleyball and Cross Country are open to any middle school student while football is open only to 7th and 8th graders. All students involved in activities at DMS must be in good academic and behavioral standing to be able to participate. Additionally, all participants must have a completed sport physical, a signed parent permission form, a concussion statement acknowledge form, and an acknowledgement of risk form on file in the office before they may participate in practices. The entire packet is available in the DMS office or you can download it from our website by going to www.dillonschools.org.

Please feel free to stop by and visit with our new and returning staff members. We welcome you to DMS anytime and only ask that you check in at the office and get a visitors pass. A big thank you is extended in advance to all staff members, parents and community members for working as partners in making Dillon Middle School a great place to be and to learn. We look forward to your continued support and a great school year in 2013-2014! If you have any questions, please contact the DMS office at 683-2368.

Sincerely, Randy Shipman

BARRETT HOSPITAL & HEALTHCARE

BARRETT HOSPITAL OFFERS EKG SCREENINGS FOR HIGH SCHOOL ATHLETES

For those high school students who plan to go out for sports any time during the school year, Barrett Hospital & HealthCare is offering EKG screening clinics Monday, August 26, Tuesday, August 27, and Wednesday, August 28. These clinics will take place from 7:00 PM – 9:00 PM each evening and check-in is at the Diagnostic Imaging desk in the Hospital. Barrett Hospital Clinic providers will interpret the screens. All freshmen and first-time high-school athletes are encouraged to take advantage of this opportunity. Only one screen is necessary during the course of high school so if your student athlete had an EKG last year it does not need to be repeated. For more information about the EKG screening opportunities, please contact Kayla Schmid at (406) 683-3291.
