Grand American Trap Shooting Tournament

15 year old Dale Royer attended his first Grand American Trap Shooting Tournament world championship with many countries represented. The event took place in Sparta, Illinois at the World Recreation Sporting Complex.

Dale said he was disappointed on his performance and he didn't bring home a trophy. However, he did take top

All Around shooter out of the Montana contestants.

He competes in the Sub Junior division which is shooters 15 and under. In the Sub Junior category he was 8th in high over all and 9th in All Around. All of the shooters ahead of him are all on the All American Team and in the National Ranking. Dale has 8,100 targets shot in his short career. Some of the shooters he was competing against have shot over 27,000 targets. Dale may qualify with his 2013 points for the All American team in the 2014 season.

The Grand American Shot had over 2,300 shooters. They have 116 traps, while the home trap club has 5 traps. The trap line there stretches out for 3½ miles.

Dale said he did notice that at the lower elevation and much high humidity the targets react a little different.

Dale comes from a family of accomplished shooters. His grandfather Dale Strodtman along with his mother Frances Strodtman Royer were both World Champion shooters. Frances won the World Championship title for the USA in 1995.

Dale was shooting in the Champion of Champions with his grandfathers rifle. It is a 12 gauge TMI Perrazi that is over 40 years old. It is not like the new rifles. It doesn't have any of the auto adjustments and bells and whistles that the newer guns have. In the championship his trigger broke and the gun malfunctioned. The gun did not go off when he pulled and he had to pull again. When the round was over he had to have the gun fixed before the next round.

Dale is currently in the running for High All Around average leader. That is the average of each event combined, singles, doubles and handicap. He is in the top two in the nation

at this time with a 94.77 average. Last years winner only had an average of 93.85. Despite his disappointment he has much to hold his head high about. The community is very lucky to have such a dedicated young man represent us.

Dale is headed for the International Shooting Fall Selection match in October. This is to help him get more experience in the International competitions.

He did not qualify for the US Shooting team this year because he was haying and did not attend one of the National Shoots. However, every event he competes in is preparing him for the ultimate goal of an Olympic Birth. If he is on the fast tract it could happen in 2016, but the sights are on the 2020 Olympics USA team for this local young man to compete.

HABITUATED COLLARED WOLF
SHOT IN JARDINE AREA

A female collared wolf was shot by a private citizen in the Jardine area Saturday after displaying clear signs of escalating habituation. This wolf had recently come in close proximity to a number of homes, killed a cat as well as several chickens.

Over the last few months, this wolf displayed unusually bold behavior as attempts were made by FWP and members of the public to haze the animal away from properties.

Until the spring of this year, this wolf lived primarily in Yellowstone National Park as a member of the Lamar Canyon pack. It dispersed from the pack and has lived in the Jardine area since that time.

Bannack Fair

Bannack Fair was a great success. The Bannack Association fundraiser, held at the Beaverhead County Museum complex on August 14th had a BBQ, music, cowboy poetry, silent auction and Brother Van held church services in the Old Depot Theatre.

The Association and Bannack State Park also showed a 30 min. slide show and video of the flash flood that damaged Bannack July 17th. During the event the Park honored the Belfor restoration for doing such a fantastic job cleaning up and making Bannack safe once again.

Several hundred folks enjoyed cowboy poetry performed by Denise McRae and Stan Smith and bluegrass performed by Barb Wire,

Sunday Best, Gilmore City Council, Lois Johnson and Friends, Man Chapel Boys, Annella Jo Perry, Stan Smith, Jerry Burts and Ross Stocker. Both the BBQ and silent auction raised much needed funds and the event helped to raise awareness of the progress made so far in rebuilding Bannack. A data base of

volunteers was established for future clean up and a quilt raffle was started to raise more funds.

The Bannack Association wishes to thank the Beaverhead Co. Museum for hosting this important event and helping to make it such a great success.

Workplace deaths in Montana decreased by 15 in 2012, with a total of 34 work-related fatalities, according to the Census of Fatal Occupational Injuries (CFOI) study report released today by the Montana Department of Labor and Industry's Research and Analysis Bureau. "This is good news for Montana's workers and employers. It is also a reminder that no matter how safe we think our workplaces are, whether it's in the office or on the road, we must remain vigilant and watch out for one another", said Labor Commissioner Pam Bucy.

Transportation incidents remained the most frequent type of fatal work related event and accounted for 13 (38 %) of the 34 fatal occupational injuries to Montana workers during 2012.

Contact with objects and equipment resulted in seven fatalities, as did falls; each category accounting for 21% of the 2012 fatalities.

Exposure to harmful substances or environments caused three fatalities, or 9%.

Assaults & violent acts accounted for two fatalities, 6% of the total. 18 (53%) of the employees fatally injured worked for others, earning wages or salaries; 16 (47%) were self-employed workers -- including farmers and paid and unpaid family workers.

Goods-producing industries accounted for 21 (62%) of the fatal work injuries in 2012, with Service-producing industries accounting for ten (29%) and Government accounting for three (9%).

The age category with highest number of workplace fatalities was the 45-54 years category with 14 deaths (41 %), followed by the 55-64 years category with seven deaths (21 %).

The CFOI study includes data for all fatal work injuries, whether they are covered by the Occupational Safety and Health Act or other federal or state agency regulations, or are outside the scope of regulatory coverage.

The fatality census, conducted throughout the nation, is part of a U.S. Bureau of Labor Statistics, Occupational Safety and Health Statistics program that provides a complete count of fatal work injuries in all 50 states and the District of Columbia. Fatality statistics are used to fulfill a commitment to increasing safety in the workplace.

Information on work-related illnesses is excluded from this census because of the latency period of many occupational illnesses and the resulting difficulties associated with linking illnesses to work.

For additional information, or a copy of the report, contact Peggy Coggeshall at the Department of Labor and Industry, Research and Analysis Bureau, 406-444-2430 or pcoggeshall@mt.gov.

Red Cross Blood Drive Coming To Dillon

The American Red Cross will be in Dillon to collect blood on Thursday August 29th. The blood drive will be held at Barrett Hospital and HealthCare 10:30 AM to 3:30 PM.

According to Thomas Hensley, Donor recruitment Representative for Beaverhead County, "In Montana someone needs blood every 27 minutes. The American Red Cross serves over 30 Montana hospitals, including the Barrett Hospitals and HealthCare and must collect about 155 units of blood every day to meet the demand."

There is no substitute for blood, it can only be collected from voluntary donors and the demand is constant. Thomas Hensley explained that an accident can require anywhere from 4 - 40 units of blood, cancer treatments take 2 - 6 units and even a premature baby birth can use 1 - 4 units of blood.

To make appointment for Barrett Hospital and HealthCare blood drive, call Victoria at (406) 683-3036. You may also call 1-800-Red-Cross (733-2767) or go to redcrossblood.org. Walk-ins are welcome but donors with appointments will receive priority.

Individuals unable to donate blood can still make a contribution by organizing a Red Cross blood drive or volunteering. To find the nearest blood drive to you at other times call 1-800-REDCROSS or visit redcrossblood.org.

the one. He is ready to work for you.

Tyke is a 2 year-old, neutered, Terrier, Blue Heeler
cross. Is he the buddy for you? You can find out at the
Beaverhead Animal Shelter.

To get more information about these great pets or any of
the other wonderful animals at the BVHD Animal Shelter
call 683-8119 or stop in to visit at 80 Lagoon Lane. The shelter is
open Monday, Tuesday, and Thursday, Friday, & Saturday. We are
closed on Wednesday and Sunday.

Please support your local Animal Shelter; every little bit helps.
