KAYDEE JO COON, 20

We lost our darling Kaydee Jo on
Aug. 24, 2013.

Kaydee came into our lives June 15, 1993. She was born in Missoula to her ecstatic parents, Gerri and Dan Coon. They soon brought her home and settled down to family life on a ranch near Wisdom. She quickly dominated the scene. Needles, the cat, soon became her cat, and they were inseparable for years.

When she was 3, her parents moved to a ranch closer to Wisdom. Kaydee loved the horses, cattle, dogs, cats and other animals around the place. She spent the summers haying, riding, branding, and working cattle with her parents. There was always a bum calf or two or three around to feed. In the winter time, she went skiing and played hockey at her uncle's rink.

She and her parents liked to play together and against each other. Timber, a special friend and a horse that belonged to Kaydee's mom, taught Kaydee to ride.

When Kaydee was 6, we were blessed with Brianne, a sister, who completed the family. Kaydee went to grade school in Wisdom. She loved the small school and had many friends. Kaydee was an excellent student and excelled academically. She loved going to the spelling bee where she was usually placed first or second.

Kaydee was a fast sprinter and won many ribbons at the spring rural track meet. She also recited poetry in the spring talent show, both from poets like Robert Service and poems that her Grandma Weaver had written.

Kaydee always had a great time at Halloween, wearing costumes made by her Grandma Coon. She usually gave her dad the main share of her candy.

Kaydee belonged to the Valley Victors 4-H club and exhibited many steers at the fair. She also showed various horses and her beautiful leather work. She and her favorite horse, Draco, competed in pole bending, and barrel racing, along with breakaway roping, and goat tying in the 4-H rodeo. She was a kind-hearted girl who wanted to include everyone. Kaydee went to high school in Dillon. She participated in track and belonged to the rodeo club.

In high school she rode Friday, a mistrusting horse, who learned to love and trust her. They competed in team roping, breakaway roping and goat tying.

Kaydee maintained a high grade point average during high school. She graduated from Beaverhead County High School in May 2011, and attended UM in Missoula for a short time

OVER THE TOP

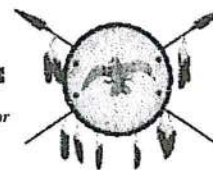

Kyle Fadness and his grandfather Wade Hansen continue their annual tradition of climbing mountains, all over 10,000 feet in elevation. Kyle is 16 years old and has been climbing mountains with his grandfather since age 5.

This year they climbed 2 mountains in one day: Alturas One and Alturas Two. The photo of Kyle was taken on top of Alturas Two with Torrey and Tweedy in the background. The Phtoto of Wade was taken on top of Alturas One.

Their route started at Minneopa Lake, then went past Tent Lake and Lower Twin Lake. They climbed up and over Alturas Two and then up Alturas One. The return route took them down to Estler Lake, to Boatman Lake and back to Minneopa Lake. It was a beautiful day to take a 14 hour hike.

LET'S TALK ABOUT IT: MUSLIM JOURNEYS

Humanities Montana has received a grant from the National Endowment for the Humanities (NEH) and the American Library Association (ALA) to host a five-part reading and discussion series. Missoula Public Library and Dillon Public Library were selected as partners for this series of programs, entitled "Let's Talk About It: Muslim Journeys." The goal of the grant is to familiarize public audiences in the U.S. with the people, places, history, faith and cultures of Muslims in the U.S. and around the world. Scholars Owen Sirrs and Samir Bitar from the University of Montana, Missoula will lead the discussions. The Dillon programs will be held in the Old Depot Theatre at 6:00 pm. The dates and books being discussed are:

September 18 - Arabian Nights
October 16 - The Conference of Birds
November 14 - Snow
December 18 - Dreams of Trespass
January 15 - Minaret

Multiple hard copies of the books as well as electronic and audio copies are available at the Dillon Public Library. All programs are free and open to the public. Please join us for this unique community opportunity.

A Touch of Satire:

Yesterday I placed my gun on the front porch, gave it 6 shells, and noticing it had no legs, I placed it in the wheelchair to help it get around.

While I was gone, the mailman delivered my mail, the boy across the street picked up my yard, a girl walked her dog down the street, and quite a few cars stopped at the stop sign near my house.

After 10 hours, I checked on the shotgun. It had not rolled outside and it had not killed anyone in spite of many opportunities that had been presented.

Can you imagine how surprised I was, with all the hype about how dangerous guns are and how they kill people? Either the killing is by people misusing guns or I'm in possession of the laziest gun in the world.

I am now off to check on my spoons, because I hear they make people fat. Author Donald Martin
