Kevin Alexander Volkening

Kevin Alexander Volkening died Friday evening around 6 PM, 8/30/2013 after a rock climbing accident near Cody Wyoming. He was on an outing with friends. The rock he was standing on broke under him taking him down 50 feet. He spoke often about challenges as "this is life: taking calculated risks, full commitment to your passion, and having the guts to pull off what most deem to be insanity." In college, he met Margaret Coyle saying "If she's the right one for ya' then there shouldn't be ANYTHING holding you back." They were married in 2011 and were inseparable. He graduated from Montana State University in 2011 with Bachelor of Science (BS), Biological/Biosystems Engineering and a Bachelor of Science (BS), Chemical Engineering. He was employed at Black Diamond Equipment in Salt Lake City as a Quality Assurance Engineer testing harnesses, headlamps, poles, and crash pads. While in college he developed a love for rock climbing and managed the ASMSU Recreational Sports and Fitness climbing wall for 3 years. He became well known in the rock climbing community in the Western US for his accomplishments, attention to detail and safety awareness. In high school he became involved in the Juneau Ice-field Research Program (JIRP). And in college, he remained involved becoming the JIRP Logistics and Safety Manager / Mass Balance Research Coordinator. Much of his college work focused on extending his studies in the climate / glaciological fields with several trips to the Alaska Range. At 17, he rode his bicycle with his Dad from the Pacific Ocean to Chicago in 45 days, over 3000 miles. He enjoyed people and he especially enjoyed seeking ways to enrich the lives of others. Kevin had the ability to bring out that deep down kind hidden spirit buried with each person he met and to share that spirit with others. Such was his way to make the world a better place for everyone. He is survived by his wife, Margaret Volkening of Bozeman, his Mom and Dad, Lois and Larry Volkening of Dillon, his sisters Jennifer Booth of Bellingham, Lisa Volkening of Tucson and Erica Toelle of Seattle, his birth mom Alice Bell of Seattle and his Grandma, Louise Volkening of Dillon.

Memorials may be made to the Foundation for Glacier and Environmental Research CC / Matt Beedle (Kevin's Friend):

Citizens for Balanced Use's Kerry White to testify at Billings Congressional Field Hearing
 Citizens for Balanced Use will be represented at Wednesday's Congressional Field Hearing in Billings by CBU Executive Board Member, Kerry White.
 "Citizens for Balanced Use is pleased to see Congress bring a field hearing to Montana," said White. "This hearing should focus on the many injustices imposed on Montanan's by the abuse of the Endangered Species Act by many environmental groups."
 White will address the issue of the potential listing of sage grouse to the Endangered Species List and the impact that this decision holds on the economy and heritage of Montanans.
 "I plan to explain the importance of access to and on our federally managed public lands for multiple use recreation, responsible resource development and active forest management," said White. "Many catastrophic fires occurring today in the West could be minimized or avoided by an active forest management policy but compliance with the over burdening regulations of the Endangered Species Act have created an environment of dense forests filled with dead and dying fuel loads."
 More information or interviews are available by contacting Kerry White or Mitch Staley. Additional information on White's comments at the Congressional Field Hearing will be made available after the hearing is held.

LaVon D. Brillhart Great News from Congress

Great, wonderful news from the United States Congress. In all their wisdom and intellect Congress has come up with a brand new plan for the U.S. Postal System.

All mail will be collected and sent to China to be sorted for distribution. After being sorted it will go to the following countries to be resorted for proper destination.

All mail, all catalogs, anything about food will be sent to Hungary to be distributed. This step will have to be closely watched so mail will not be sent to Greece. Chile bid for this mail service but Congress said their reception was cool.

All mail, anything pertaining to farming or ranching will be sent to Greenland. Congress voted unanimously because Greenland is warm and green all year around.

All packages that are not marked for anything specific will be sent to Pakistan for Stan to Pack.

All mail pertaining to ocean life will be sent to Wales. There was a division in this site also. One group wanted Tunisia but the majority tuned out this proposal.

All first class and speedy mail will be sent to Russia. There was a great discussion picking Russia. Some wanted to know if mail that wasn't first class should be sent to Slovenia to save money. The majority won when Congress couldn't agree what money was! Some felt sorry for Slovenia so Congress sent them \$75 million dollars not to hurt their feelings.

There was a big discussion on religious mail. One group wanted all religious mail sent to Vatican City. Another group wanted this mail to go to Israel. There was a big fight and they all held hands and prayed and then agreed on Burundi. No reason was given except most liked the sound Burundi. They all chanted Burundi Burundi then took a recess of four months.

This won't save any money but will increase the budget of the Postal Service by some \$45 billion dollars. Congress again comes to the rescue of the United States.

COMMISSIONERS BUDGET MEETING

By: MJ

Apathy is working well in Dillon. Word on the streets are: why should the local people be assessed 2 mills to pay for the Rainbow Gathering expenses when we don't have anything to say about them coming to this area -- why don't commissioners hold an evening meeting so day working taxpayers can attend? Getting off work for many people is difficult and employers frown on it. If you are pouring cement you can't leave it, if you're a clerk & only one on shift you can't just lock the door and leave... The budget is one of those meetings that explain the dollar amount being held from every taxpayer's pay check and take home pay.

The exposes to the county for the Rainbow gathering this year was \$268,092.54. The county applied to receive funds from the State Emergency Funds. The county has filed the application with the state asking for \$237,943. 97. State is processing application however there is no guarantee that BVHD County will receive all of these funds. Following is a breakdown of expenses.

RAINBOW GATHERING 2013	EXPENSES
Jackson VFD	\$ 1,988.92
LE (Not covered by Forest Service)	\$ 1,291.35
LE Detention/ Dispatch Salary. Benefits	\$ 32,891.76
LE Detention/ Housing	\$ 5,695.00
DES Salary & Benefits	\$ 8,341.26
Road salary & Benefits	\$ 0.00
Supplies \$1,175.54 N/A	N/A
In-Kind (use of county vehicles)	\$ 1,900.06
Mileage	
EMS	\$ 13,355.00
Hospital Patient Care Extra Help/Security	\$ 193,026.70
District Court Mental Commitments	\$ 6,740.38
Mental Health	\$ 818.00
Search & Rescue Equipment	\$ 1,904.00
TOTALS	\$ 268,092.54
Less 2 Mil Levy	\$ 27,042.00
Less - Emergency Fund Remainder	\$ 3,106.57
Request Amount	\$ 237,943.97

The public should have every opportunity to be able to attend a meeting of this magnitude. After all it is the taxpayers that's paying the expenses and receiving less in their pay-check and take-home pay.

"Y" NEWS AND UPDATES

September Programs

Stop by the "Y" TODAY and get your kids signed up for our fall programs and swim lessons.

After School Series Adventures

The After School Series provides participants with in depth programming while allowing parents more flexibility. Children will engage in healthy activities, crafts, sports, music, and much more. Children ride bus #9 to the "Y", have a snack, and then take part in the activities offered for that week. Camp ends at 5:30 each day and is offered the entire school year. Register for an entire month and save. Call the "Y" for more details!

Next in the After School Series (Sept. 9th-13th) is "Outdoor Crafts". Children will use nature and the weather to create some great craft projects.

Zumba

Zumba combines Latin and International music to create a fun and effective workout. All fitness levels are welcome, so plan on attending each Monday and Thursday evening at 6:15.

Strong Family Campaign

The purpose of this campaign is to generate funds to support programs, activities, scholarships and services for all members of our community regardless of age or ability to pay. Please help us reach our goal for 2013.

The Southwestern Montana Family YMCA is a non-profit, tax-exempt organization; therefore your donation may qualify as a tax-deductible in-kind donation.
