BEAVERHEAD OUTDOORS ASSOCIATION

The Beaverhead Outdoors Association will hold it's monthly Sept. meeting Thursday evening, Sept 12th, 7 p.m. at the Search & Rescue building. All members and public is invited to attend.

Dillon native, Mitch Staley, has been enlisted to assist CBU, Citizens for Balanced Use, in the area of public relations. Mitch studied public relations at Brigham Young University and is starting Pioneer PR, and LLC. based in Dillon. Because of Mitch's concerns for multiple–use access to public lands, the BOA is excited to share his background experience and guidance in it's common endeavors. Mitch will be our guest Thursday evening to share in detail what some of his goals are, and how he will be able to put them to work for those interested in keeping our lands open and available for all.

Teen attacked by wolf at Minnesota campground...

As reported in the Western Ag Reporter

In what officials are calling the first confirmed attack of a person by a gray wolf ever recorded in Minnesota, a 16-year-old boy is recovering from severe bites to his head. The attack happened over the weekend of August 24 at the U.S. Forest Service-managed West Winnie Campground on Lake Winnibigoshish in north-central Minnesota. The gray wolf was captured by federal trappers and was euthanized to permit testing for rabies. The teen was at the campground with a church group on a weekend outing when the attack occurred shortly after 4 a.m. With no warning, the 75-pound male wolf clamped its jaws on the teen's skull and wouldn't let go. His wounds required 17 stitches to close, but he is recovering.

LAST CALL AUCTION FOR CADETS

Brad Day comes to Dillon to trap shoot from Idaho each year. He has been very impressed with the cadets from the Montana Youth Challenge Academy so he brought up a print called "Last Call" done by Dallen Lambson and donated it with the proceeds going directly to the Challenge Foundation. The final bid was taken at the Beaverhead Gun Club Shoot, September 8, at the Trap Club. The winning bid was from Mayor Marty Malesich.

There was a Buffalo Skinner knife and sheath that was auctioned off for the Youth Challenge cadets also. The knife was custom made by Chet Allinson and sold for $330 to help the kids.

Then a box of shells donated by Allan Tate and a Bottle donated by Fast Eddie was auctioned for the FCCLA girls that were keeping score for the shoot.

LETTER TO THE EDITOR

Candy catching...

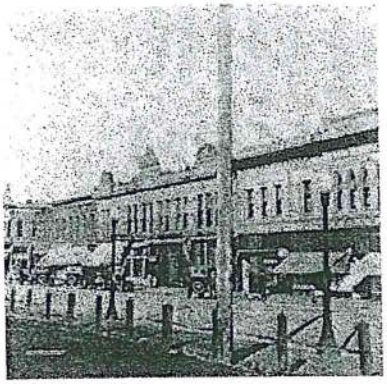

By Brad Gilbert

What kind of socialist country are we turning into when candy is no longer allowed to be thrown from moving vehicles. I suppose we should give each child one piece and make sure they don't do any work. What happened to learning about the important aspects of life such as competiitvness and being healthy.

Since 1994 when this "no throwing" epidemic started there has been a 49% decrease in candy thorwn at parades and a 51% increase in childhood obesity. Not too long ago our country was faced with a similer battle in gun control laws. If guns don't kill people, people kill people I say candy doesn't kill kids, kids kill kids. In closing, I hope the kids that recived candy thrown by certain mayoral candidates are not allowed to vote at the polls.
