Remembering 9/11 Thomas W. Straugh CAPT USNR (Ret)

Most all American citizens over the age of 18 have images and stories of 9/11 seared into their brains and guts. Here are mine. Twelve years ago today was a day that is imprinted in my head. I was about ready to leave home for work when I saw what I initially thought was a preview of a disaster based feature. There was an earlier attack on the World Trade Center on February 26, 1993. I was sure that the bombing had inspired either a TV series or a new disaster film. As you know, it was real! The news showed the planes hitting the towers, the towers on fire, people falling to their deaths, and the towers falling. Over and over those moments were on display until better taste and other coverage was added. Another plane hit the Pentagon and a fourth was crashed in Pennsylvania after the passengers rushed the cockpit. There were no planes in the air over Anchorage, Alaska for days and days. It was so quiet and so isolated for those days. Where were you and what are your memories of that day?

I am involved with a Legion/VFW/Veteran's Center effort today to honor the local first responders. We are honoring the Dillon Volunteer Fire Department, the ambulance service, our National Guard, Law Enforcement Center (police and sheriff's office folks), and veterans today. Please join us in thanking these folks for their service. We have seen them in action and find them to be hero material, each and every one. They are there when the siren blows or the dispatcher calls. No questions about their own agenda for that moment. They drop everything to help save lives and property. Thank you isn't enough but it will have to do for now!

I've looked at the internet to see if there is a national first responder's day. I'd like to see something like Veteran's Day, Mother's Day, Father's Day, etc. organized and dedicated to the first responders. I nominate 9/11 as my candidate for National First Responders' Day. If you think it is a good idea, write a letter to the editor, send one to our elected officials, talk it up in your service clubs, or churches. Let's see what a grass roots effort can do!

**Buddy Poppy
Thank You**
 VFW Post 9040 Dillon sends a BIG THANK YOU to Ken Visser at Rocky MT Supply for sharing their Beaverhead County Fair Booth with us for a Buddy Poppy display. Also a thanks to the Dillionites and visitors that donated their hard earned dollars to assist the Buddy Poppy causes; you contributed to the Veterans of Foreign Wars National Home for Children of deceased or disabled veterans, to the National VFW Rehabilitation Service and to direct assistance programs for needy and disabled veterans and their families in our community.

When you wear your Poppy, do it proudly.
 VFW Post 9040 Dillon and little know fact about how folks in Dillon help the Veterans.

Wanda Riley and Jen Kuehnor used their expertise, time and dedication to bake the Army, Navy, Marine Corp, & Air Force cookies that were so enjoyed, and also increased donations at the Buddy Poppy table at the Beaverhead County Fair. Many folks stopped and visited with the VFW veteran volunteers, like Richard Vaow, Al Lawson, Dale McKnight and Dale Buckingham. Their only pay is the satisfaction which comes from devoting time and effort to a worthy cause.

9- 11 like Dec. 7th, is a day we will never forget. It is also the day of the next VFW meeting at the American Legion Hall @ 7:00 PM or 1900 hrs to you vets. I met a vet, ask him if he was a member of the VFW or American Legion, he said no, Why not, no one ever ask me- - I ask him and he joined, now I'm asking all you veterans, to join your veteran brothers & sisters especially on this 9-11.

Suicide Prevention Workshop

University of Montana Western Campus Counseling Program and St. Peter's Behavioral Health Center will be sponsoring a suicide prevention workshop on September 18, 2013 from 9:00am-3:30pm. For the past 40 years, Montana has ranked in the top 5 states for highest suicide rate in the nation. We, as a state and as a community, unite and combine our efforts with the intent to change this statistic. The suicide prevention workshop will be held in the STC Great Room on campus. The workshop is free of charge and open to the public. The morning sessions will address teen suicide and interviewing techniques. During the afternoon, participants will learn to recognize the signs and cues of a suicidal crisis as well as identify how he or she can help prevent suicide by rekindling hope within the lives of others. Please join us as we address the issue of chronic depression and suicide within our community. CEU's will be available. Additionally, the first 30 to register eat free! (Otherwise, you can bring your own lunch or purchase hot lunch for \$10.00) For more information or to reserve your lunch/spot, please call 683-7180.

**Pioneer Mountains Scenic Byway Temporary Closure
between Grasshopper Overlook and Lupine Campground**

Beaverhead County under the Federal Lands Access Program of 2013 will be repairing severe frost heaves in the Moose Park section of the Scenic Byway road. The work will entail full width excavation of the roadbed and rebuilding it with imported select borrow materials. The sub-excavated materials will be hauled to repair sloughing of high bank fills in the vicinity of the Grasshopper Overlook.

The repairs will be carried out utilizing our County Road Department crews. This section of the Scenic Byway will be closed for approximately six (6) weeks while the repairs are being accomplished. While trucks will start hauling gravel to the Moose Park area starting the week of September 8th, the actual closure will not be in effect until September 16, 2013 and may remain closed until October 18, 2013. The repaired section will then be repaved during the 2nd quarter of 2014.

THE UNEXPECTED SURFER BOYS

Tribute to the Beach Boys and Broadway

The Unexpected Boys are back in the Midwest for another great tour...this time doing a Tribute to the Beach Boys and Broadway... and one of their stops on this tour is here in Dillon at the Beier Auditorium on Friday, September 20, 2013 at 7:30 pm, sponsored by Ernie and Ruby Harvey and the Dillon Concert Association.

Featuring classic hits of the iconic group The Beach Boys, including "Surfin' USA", "California Girls" and "Good Vibrations," this rollicking show follows four hilarious guys at the Bachelor Party they will never forget. The groom may be getting married, but his three kooky friends plan to have "Fun, Fun, Fun" before the big day! This will complete the first half of the program

The second half of the program is a Tribute to Broadway and will feature songs from familiar Broadway Shows, performed by the quartet or by individual members of the Unexpected Boys, all four of whom have performed in shows on Broadway or in touring productions of Broadway

Trail Work Begins on Continental Divide Trail Near Our Lady

Wildwood Trails of Bozeman, Montana is working to construct a new ten mile segment of the Continental Divide National Scenic Trail east of the East Ridge. The segment will connect the Continental Divide National Scenic Trail from Our Lady of the Rockies to the Nez Perce trail in Elk Park.

Throughout the summer and fall there will be blasting of rocks at intermittent times of the day. The construction area along the route will be closed to all public entry, including foot, horse and bike travel, for public safety. The construction of the Continental Divide National Scenic Trail is a national priority by the FS and other land management agencies to complete the trail that travels from Canada to Mexico. Contact the Butte Ranger District for more information at (406) 494-2147.

LETTER TO THE EDITOR

Re: Rainbow Family of the Living Light Gathering 2013 costs for BVHD County

The "Center for Alternative Living Medicine of the Rainbow Family of the Living Light" (calm) has a PAYPAL account for donations. Why can't Barrett Hospital get a lien on this account to pay for medical bills incurred by this group? Why can't Barrett Hospital sic their collections agency on this group?

Sue for expenses?

There is another site "Rainbow Family of the Living Light" with a contact form. Why don't we Dillonites start flooding this site for payment requests?

Why doesn't Beaverhead County rescind rights for future Rainbow Gatherings until the \$268,092.54 is repaid? Why should State Emergency Funds be utilized for non-emergent and completely irresponsible behaviors?

People in Beaverhead County struggle daily to make a living for their families. Why should Rainbow Gathering's irresponsible behaviors be "rewarded" and dumped on the backs of already struggling hard-working families? And WHY should Rainbow mendicants be allowed to continue this abuse and complete unaccountability in BVHD County.

Peeved, Catherine Sullivan
