NORTHWESTERN ENERGY GIVES CITY OF DILLON FORTY TREES TO PLANT

NorthWestern Energy gave the City of Dillon five thousand dollars as part of their community beautification program to plant trees. Five NorthWestern Energy employees along with the Dillon Tree Board planted a variety of tree species in Dan Ibey Memorial Park, Westside Park, Vigilante Park and around the campus of the Dillon Middle School Thursday morning. Fire crews from both the Forest Service and Montana DNRC helped plant the trees. All trees were purchased locally from Allen and Roxi Nurseries.

The tree planting is aimed at community beautification and provides an opportunity for NorthWestern Energy to share the importance of planning before you plant to avoid later issues with power lines. The events also serve as a reminder to homeowners and others to call 811 before digging to avoid hitting underground utility lines.

Northwestern Energy is also a major sponsor of the Northern Rockies Tree School that will take place in Dillon on the UM Western Campus on September 19 and 20. The theme of the school is "Risky Business" and will discuss tree and power line conflicts and how to avoid them by planting the right tree in the right place. The Tree School will bring approximately 180 arborists, Tree Boards and tree enthusiasts to Dillon.

Last year, NorthWestern volunteers planted more than 300 trees in parks and along trails in communities across its service territory. A similar number of plantings are planned for 2013.

MONTANA WESTERN DOMINATES DICKINSON STATE 55-21

The University of Montana Western Bulldogs made the long to Dickinson, N.D., a victorious one. UMW downed the Dickinson State Blue Hawks 55-21.

The Bulldogs came out on fire offensively to score 34 points in the first half. UMW's defense stifled the Blue Hawks and shut them out completely in the first half. The teams answered each other in the second half by scoring 21 points apiece.

Montana Western scored on their first possession when quarterback Tyler Hulse found receiver Connor Lamping for a 33-yard touchdown. The next drive for the Bulldogs ended with a 45-yard field goal by Seth Mason for a 10-point lead in the first quarter. Sam Rutherford then added a pair of touchdowns on runs of 40 yards followed by a 39 yard scamper to make it a 24-0 lead.

Mason added his second field goal of the day to make it a 27-0 lead at the half.

Dickinson State opened the scoring in the second half from seven yards out to make it 27-7. With the score at 34-14, Switzer again struck with a 26-yard touchdown completion to Jeremy Price that was followed by the Blue Hawks own score on a pass from Ray to Dalton Reid from 6 yards out. The Western Bulldogs added another score from running back Michael Lake from the 5-yard line.

Sam Rutherford led the rushing attack for the Bulldogs scoring three touchdown on the day. The Bulldogs struck from the air as well as Hulse and Switzer combined for three touchdowns through the air. Tyler Bergren led the receivers with four receptions for 95 yards. Overall, the UMW squad combined for over 600 yards in total offense.

Defensively the Bulldogs were led by linebackers Kasey Griffith, AJ Wilson and Joe Coker. Wilson and Griffith each tallied six tackles while Coker added five total tackles. Of Wilson's six tackles, three were behind the line of scrimmage. Coker added two forced fumbles. The Montana Western defense added another theft when Tim Mundaiohl stepped in front of a Blue Hawk pass and intercepted it.

The win brings UMW to 2-0 on the season. The Bulldogs travel to Butte to take on Montana Tech next Saturday.

Burning to Begin on the Madison Ranger District

Fire officials from Madison Ranger District will soon begin prescribed fire activity which may result in visible smoke from mid-September and continuing through the end of November.

Firefighters will be burning piles throughout the Gravelly Mountain Range in southern Madison County. The areas include Upper Ruby River valley, Timber Creek and in the vicinity of Short Creek, as well as any roadside piles throughout the district.

Travelers between Lyons Bridge, Vigilante and Harris Creek of the southern part of the Tobacco Roots may see smoke, however little impact from the smoke is expected. For information regarding these prescribed burns, contact the Madison Ranger District in Ennis at (406) 682-4253.

Rawhide Trail Closed for Trail Work

Rawhide Trail No. 7073 located in the Elkhorn Mountains on the Jefferson Ranger District will be closed to all public entry starting the week of Sept. 16. Work on the trail will include re-routes and drainage work along four miles of existing trail. This work will also include the construction of four timber bridges to replace existing fords or old deteriorating bridges.

For more information contact the Jefferson Ranger District at (406) 287-3223.

WOLF SEASON OPENS SUNDAY

Montana's general wolf season opens Sunday with much looser rules than in past years, as state wildlife officials ramp up efforts to reduce the predator's population in response to public pressure over livestock attacks and declines in some elk herds.

Lower license fees, a five-wolf per person bag limit and a longer season top the list of changes. The general rifle season runs through March 15. Last year hunters took 128 wolves and trappers 97 for a total harvest of 225 animals.
