## UNIVERSITY INDUCTS NEW HALL OF FAME MEMBERS SEPT. 28

The University of Montana Western kicks off its Homecoming weekend Saturday, Sept. 28, by welcoming new members into its athletic Hall of Fame.

Montana Western will induct Van Puckett, Heather Hart, Donnie Keltz and the 1977 football team during a ceremony at 9:30 a.m. Saturday, in the Lewis and Clark Room on the University of Montana campus. The inductees also will be introduced during halftime of that day's football game versus MSU-Northern.

Puckett graduated with a Biology degree in 1996 from the University of Montana Western. During college, he played Bulldog football from 1989-1993. Puckett was named to the all-conference second team in 1992, the all-conference first team in 1993 and was an honorable mention All-American. He currently lives in Twin Bridges, Mont., with his wife Heather along with their six children and works for the U.S. Army Reserve.

"I have been very blessed with my life since Montana Western," said Puckett. "My wife Heather and I started out teaching and coaching all over Montana while raising our family and later moved onto other pursuits. I am now teaching again as a nurse in the U.S. Army Reserve, and we live just down the road from Dillon."

Hart graduated from the University of Montana Western in 1997 with a Bachelor's in secondary education health and physical education with a minor in business. With Iola Else as her coach, Hart worked long hours in order to be able to represent UMW in the national finals. In 1994, she placed third in barrel racing at College National Rodeo Finals.

Over the years, she earned numerous buckles and championships including the Northern Rodeo Association Champion All-Around Cowgirl in 1995.

"Some of my most memorable athletic moments at Montana Western aren't the successes surprisingly," said Hart. "I worked numerous long hours in and out of the rodeo arena to become an outstanding rodeo athlete. The windshield time traveling with my teammates to college rodeos are imprinted in my mind. The stories, laughs, rodeo dust, flat trailer tires, goats running away and cramming for tests while on the road are things I will never forget."

Keltz is being inducted into UMW's Hall of Fame thanks to his "meritorious service" to Montana Western. Over the years, Keltz has helped out many of Montana Western's athletic programs. Whether it's offering a team meal at the Lion's Den or assisting with practice, Keltz has always been ready to help out in any way he could.

"Montana Western is like a big family," said Keltz. "There have been so many special coaches and players throughout the years that I just wanted to help."

Keltz also has a deeper connection to Montana Western.

His father Donald F. "Casey" Keltz coached men's basketball for many years and Keltz was able to be a part of that. He played for his father and the Bulldogs until an injury ended his career. After that, he assisted with practice and gave his dad some tips at halftime.

"One of my favorite memories is when the 1989 men's basketball team beat Grand Canyon University," said Keltz. "I traveled to the national tournament with them and would go in at half time and talk to my dad. I don't know that he ever listened to any of my ideas, but it was just a great experience being there with them."

He has helped operate the Lion's Den Supper Club in Dillon since 1980.

In 1977, the Bulldogs football team claimed the Frontier Conference title. Under head coach George Nelson, the Bulldogs beat Montana Tech 34-7 and then downed Carroll College 17-14 Oct. 15, 1977, for the conference championship.

That year, ten members of the team were named to the All-Conference first team while another five were named to the All-Conference second team. Nelson was named Coach of the Year. Michael Bailey, Mike Holder and Chuck Lucero served as assistant coaches in 1977.

Teammates from the 1977 team still hold onto their Bulldog pride and cherish the memories they made on their way to the conference championship.

"The thing I remember was the outstanding leadership of the upperclassmen on the football team," said Brad Johnson. "The hard work during practice by these men influenced all of us to try and work our hardest."

Another teammate Roger Willhite remembers the strong bond the team developed over the course of the 1977 season.

"A number of guys came together and became friends forever," said Willhite. "The memories are continually shared over and over and over. The friendship and closeness is hard to match."

## NON-TRAPPER PET RELEASE WORKSHOP SET FOR OCTOBER 2

Region 3 Montana Fish, Wildlife & Parks will host a non-trapper pet release workshop at its headquarters in Bozeman (1400 S. 19th Ave.) on Wednesday, October 2 from 6-7 p.m. The goal of the workshop will be to provide basic information about trapping, tips to avoid traps, and demonstrations on the operation of common

traps with the option of hands-on practice.

This workshop is aimed at recreationists concerned about their dogs becoming caught in traps and those looking to learn how to release most common traps.

Registration is required as space is limited. Those wishing to attend should email [anjones@mt.gov](mailto:anjones@mt.gov) with their name and phone number.

## Suicide Prevention Workshop

University of Montana Western Campus Counseling Program and St. Peter's Behavioral Health Center will be sponsoring a suicide prevention workshop on September 18, 2013 from 9:00am-3:30pm. The suicide prevention workshop will be held in the STC Great Room on campus.

The workshop is free of charge and open to the public. Please join us as we address the issue of chronic depression and suicide within our community. CEU's will be available. Additionally, the first 30 to register eat free! (Otherwise, you can bring your own lunch or purchase hot lunch for \$10.00) For more information or to reserve your lunch/spot, please call 683-7180.

## Dillon Elks Lodge

The Dillon Elks Lodge will hold Stage Night on Wednesday, September 18th hosted by The Attorneys. Dinner will be steak with all the trimmings. Cocktails are to start at 6 p.m. with dinner to follow at 7 p.m. The Dillon Elks Lodge welcomes all Elks and guests.

## Candy verses Hard Earned Dollars Spent

By: MJ

An article wrote about throwing candy from vehicles in a parade has generated many articles that have been taken out of context, turned around to make the writer some kind of hateful, ugly, unintelligent and evil character from who knows where.

However; articles explaining to the public where the money generated by the extra mil (your tax dollars) will be spent have generated little interest. Candy verses hard earned dollars???

American is built on freedom and people are entitled to freedom of movement. Freedom of movement does not mean the taxpayers in a small community, that are working hard and struggling to make their car payments, pay for someone else's merriment, observance and etc? Private businesses should not have to hire security, lose inventory due to theft, have their personal property destroyed, humiliation of customers, and loss of business... It should be the responsibility of the organization, to supervise their participants. If they can't do that then they might need to make some changes. Type in "Center for Alternative Living Medicine of the Rainbow Family of the Living Light" on your computer and you will be enlightened.

What has the elected officials done to put the burden of payment on the Rainbow Gathering and not the people of county? As Ms. Sullivan pointed out; the "Rainbow Family of the Living Light" (calm) has a PayPal account where donations are made. Do your commissioners know if they can collect monies for expenses incurred from this account?

## MONTANA WESTERN BREAK RECORDS

During this past weekend's 55-21 victory over the Dickinson State Blue Hawks, the University of Montana Western football team managed to rack up some impressive stats and set new records.

The Montana Western offense was close to breaking a few records in the season opener against Southern Oregon but fell a little short. In that game, the Bulldogs ran for 293 yards leaving them 61 yards shy of the record set in 1989 versus Montana Tech. Freshman running back Sam Rutherford accounted for 185 of those yards, leaving himself 32 yards shy of the single game individual record. The records did not stay safe for long.

Heading to Dickinson State, the Montana Western team looked to open the season 2-0 for the first time in over ten years and they came out running.

The Bulldog offense racked up a total of 361 rushing yards, setting a new single game team rushing record versus Dickinson State on their way to 609 total offensive yards on the day. Rutherford once again led the team by rushing for 228 yards on 29 carries and added three touchdowns to round out his day. His totals set the second record for the Montana Western offense as he broke the single game individual rushing mark. Derrick Pluff, who racked up 217 yards against Rocky Mountain in 2007, had claimed that record prior to Rutherford's performance this past weekend.

The Bulldogs look to keep up the good work as they head to Butte to face Montana Tech Saturday at 1 p.m.

## Road Work and Hazard Tree Removal to Begin on Pioneer Mountains Scenic Byway

Dillon, Mont., Sept. 16, 2013 – The Pioneer Mountains Scenic Byway will be undergoing road work to repair severe frost heaves in the Moose Park area beginning Sept. 16. Beaverhead County will temporarily close the Byway from the Grasshopper Overlook (Mile Marker 13.4) to the Mono Creek cattle guard (Mile Marker 20.4) which will close through access north to south. Time to complete the project should take about six weeks while the repairs are being made.

Additionally, the Beaverhead-Deerlodge NF is advising travelers that there will be heavy truck traffic and logging machinery along the Pioneer Mountains Scenic Byway south of Wise River beginning Sept. 16. Work will be taking place between Sheep Creek Trailhead and the Lupine Shelter area. To provide for safety of the workers and public while this work is occurring Beaverhead County has issued an emergency speed limit ordinance of 35 mph from mile marker 20.75 to mile marker 38.08 until work on this project is completed.

Travelers are advised to drive with extra caution and to expect up to 15 minute delays as heavy machinery will be operating within close proximity to the paved road. Travelers are also advised that they may not be seen by the heavy machine operators and to drive slow and expect debris on the paved road. Favorite campsites may not be available as logging work progresses.

The trees being removed are considered hazardous as they have been affected by the mountain pine beetle. The hazard tree removal project is being conducted to improve public safety. Logging truck traffic will increase and travelers can expect to see significant traffic starting early morning and continuing throughout daylight hours. Work along the Byway will continue through mid-December. For additional information contact the Wise River Ranger District at (406) 832-3178.

## ***Waukena Lake Hike***

**When: Saturday, September 21, 2013      8:30 AM**

The Waukena Lake hike is about 4.5 miles in with a well-established trail. It is a beautiful lake with good fishing. For the more adventurous, the trail heads up over Rock Creek Pass and drops over the other side of the mountain to Tahepia Lake. The forest service just finished a three year trail improvement project in this area.

**Where: Please meet at the Barrett Hospital & HealthCare Medical Office Building parking lot for the hike and plan on carpooling.**

**Bring plenty of water to drink and something to eat for lunch.**

**For a commemorative clothing item, visit Joan at the 3-D Store and have the Baldy logo printed on your choice of shirt, hat, or other wear.**
